Islamic Financial Management Dr. Jaquir Iqbal, 2009-10-01

The Encyclopaedic Dictionary of Marathi Literature has been developed with a specific planning to include not only men of letters but also all aspects characterising the growth of Marathi literature. It also presents a clear picture of development of Marathi literature from early period to the present day. The contributions of many poets, writers, playwrights, essayists and critics are given along with their biographical accounts supported by bibliography. It has successfully converted a long journey of Marathi since Saint Dnyaneshwar to today's new little magazine movement. The Encyclopaedic Dictionary serves the purpose of research and survey of Marathi literature very well, bringing in full contributions of progressive poets and writers. It is bound to be a guide for researchers as well as every common Marathi individual as it has rich reference value.
