Force Majeure A Novel:

Force Majeure Bruce Wagner, 2024-11-12 Force Majeure was called a smashing debut novel by the Kirkus Reviews upon its original publication in 1991 A sardonic and absurdly dark yet hilarious take on the business as usual of Hollywood's twisted class system that proved Bruce Wagner was not just an author but a cultural anthropologist The perpetually up and coming Hollywood screenwriter Bud Wiggins drifts aimlessly in and out of the lives of others and from one script idea to another Moonlighting as a limo driver to pay his bills he finds himself immersed in a world of vanity and degradation Wagner infuses his novel with the familiar archetypal characters of Hollywood a nihilistic producer an aging film star an obnoxious mogul and exposes the madness that drives them all **Eraser and the Force Majeure** Dwight Holbrook, 2019

Politics, Desire, and the Hollywood Novel Chip Rhodes, 2008-09 The story of what happens when a serious writer goes to Hollywood has become a cliché the writer is paid well but underappreciated treated like a factory worker and forced to write bad formulaic movies Most fail become cynical drink to excess and at some point write a bitter novel that attacks the film industry in the name of high art Like many too familiar stories this one neither holds up to the facts nor helps us understand Hollywood novels Instead Chip Rhodes argues these novels tell us a great deal about the ways that Hollywood has shaped both the American political landscape and American definitions of romance and desire Rhodes considers how novels about the film industry changed between the studio era of the 1930s and 1940s and the era of deregulated film making that has existed since the 1960s He asserts that Americans are now driven by culture rather than class differences and that our mainstream notion of love has gone from repressed desire to abnormal desire to finally strictly business Politics Desire and the Hollywood Novel pays close attention to six authors Nathanael West Raymond Chandler Budd Schulberg Joan Didion Bruce Wagner and Elmore Leonard who have toiled in the film industry and written to tell about it More specifically Rhodes considers both screenplays and novels with an eye toward the different formulations of sexuality art and ultimately political action that exist in these two kinds of storytelling **Novels [originally Published in Lippincott's Monthly Magazine, 1886-1894]**, 1888

Axelrod, 1999-09-17 The Poetics of Novels deals with the fundamentals of novel writing and the execution of such and though it engages specific notions of literary and cultural theory it privileges the architectonics of the texts themselves as it crosses boundaries of both time and culture Novels include Austen's Northanger Abbey Beckett's Company Brontë's Wuthering Heights Cervantes Don Quixote Flaubert's Madame Bovary Hamsun's Hunger Hardy's Tess of the D'Urbervilles Lispector's Hour of the Star and Smart's By Grand Central Station I Sat Down and Wept The German Novel, 1939-1944 H. Boeschstein, 1949-12-15 This book begins the large task of sorting out the vast number of German literary works which the war has piled up before us The author has culled over four hundred novels and critical works and by indicating the numbers and content of the more significant novels and some of their stylistic characteristics he has shortened the task of future research If this investigation provides a fair indication it appears that the widely held conviction that German publishers brought out nothing but trash during the war years is mistaken By now students of literature should be in a sufficiently intelligent and tolerant mood to accept some detailed evidence and to begin to scrutinize it objectively The present study is intended as a step in that direction Ideas and the Novel Mary McCarthy, 2013-10-15 DIVDIV In this eye opening book Mary McCarthy shares her love of the novel and her fear that it is becoming an endangered literary species divDIV He had a mind so fine that no idea could violate it divDIV So begins Mary McCarthy's fascinating critical analysis of the novel and its practitioners from her double edged perspective as both reader and writer The bestselling author of The Group takes T S Eliot's quote about Henry James written in 1918 as a jumping off point to discuss how the novel has evolved or not in the last century In this lively erudite book McCarthy throws down the gauntlet Why did the nineteenth century produce novels of ideas while the twentieth

century is so lacking in serious fiction She winnows out the underachieving read overhyped authors from the geniuses explores why Jean Valjean personifies man's conscience in Victor Hugo's *Les Misérables* and shows how Stendhal's *The Red and the Black* illustrates the evil effects of reading She also tackles the role of the omniscient narrator and analogizes novels to air travel

With its exploration of authors from Balzac to D H Lawrence *Ideas and the Novel* holds inviolate the idea of the novel as a means ultimately of liberating ideas
