Guide for Medical Examiners ... Metropolitan Life Insurance Company, 1921 *Modelling and Painting Fantasy Figures*

Paul Stanley, 2019-01-31 A wide array of fantasy miniatures is available to wargamers and modellers manufactured from an increasing number of different materials each with their own unique modelling challenges From the multipart hard plastic 28mm miniature to the metal and resin models common in all other scales this book provides wargamers with a wealth of information to achieve the best results It discusses issues of scale with fantasy miniatures demonstrates a variety of modelling and painting techniques at different scales provides step by step guidance on building converting repairing and painting figures explains dry brushing techniques the three colour method multilayering and shading with washes and finally it considers basic techniques and maintaining the compatibility of miniatures between different gaming systems Whether modelling single figures a handful of warriors for a warband or tackling a huge army for a mass battle game there is something for every fantasy figure modeller collector or gamer Discusses issues of scale with fantasy miniatures

Demonstrates a variety of modelling and painting techniques at different scales Provides step by step guidance on building converting repairing and painting figures Lavishly illustrated with 274 colour photographs **One-Hour Wargames** Neil Thomas, 2014-09-03 A fun and practical new approach to wargaming that lets you complete a game in about an hour includes rule sets and scenarios for most popular periods One of the biggest problems facing wargamers is finding the time to actually play Most commercially available games require several hours to set up and see to a conclusion some can even take a whole day or weekend to complete Apart from time lack of space can also keep wargamers from enjoying their favorite pastime In One hour Wargames veteran gamer and rule writer Neil Thomas has addressed both problems Now it is practical to play a satisfying game in around an hour on a normal dining table or living room floor The book contains 8 all new sets of very simple rules for various periods from Ancient to WW2 and thirty stimulating scenarios which can be played using any of them All the rules and scenarios are intended to be played on a 3ft x 3ft battlefield The rules only require a small number of miniatures so this really is an ideal way for new gamers or veterans trying a new period to get started with minimal investment of time and money Also ideal for a quick game in the evening with a friend Also included are sections on campaigns and solo games *Foundry*, 1915 [Ancient & Medieval Wargaming](#) Neil Thomas, 2007-06-21 Re fight some of

the bloodiest battles of the ancient and medieval worlds Seasoned wargamer and author Neil Thomas brings historical perspective to the hobby with a description and interpretation of significant military developments from 3 000BC to AD1500 Wargaming is the simulation of accurate historical battles using miniature figures to fight over three dimensional terrain their movement and combat being regulated by clearly defined rules Neil Thomas new book provides specific coverage of ancient and medieval wargaming thanks to its division into biblical classical Dark Age and medieval sections Each section has its own set of rules and much expanded army lists The wargamer gains additional perspective from data panels containing facts about weaponry personalities and chroniclers and quotations from original document sources Useful suggestions for further reading are also included while battle reports in each section provide tactical insights for both novice and veteran wargamers
