The Taming of the Shrew Robust and bawdy The Taming of the Shrew captivates audiences with outrageous humor as Katharina the shrew engages in a contest of wills and love with her bridegroom Petruchio in a comedy of unmatched theatrical brilliance filled with visual gags and witty repartee A Midsummer Night s Dream Fairy magic love spells and an enchanted wood turn the mismatched rivalries of four young lovers into a marvelous mix up of desire and enchantment all touched by Shakespeare s inimitable vision of the intriguing relationship between dreams and the waking world The Merchant of Venice This dark comedy of love and money contains one of the truly mythic figures in literature Shylock the Jewish moneylender The pound of flesh he demands as payment of Antonio s debt has become a universal metaphor for vengeance Here pathos and farce combine with moral complexity and romantic entanglements to display the extraordinary power and range of Shakespeare at his best Twelfth Night Set in a topsy turvy world like a holiday revel this comedy juxtaposes a romantic plot involving separated twins and mistaken identity with a more satiric one about the humiliation of a pompous killjoy The hilarity is touched with melancholy and the play ends not with laughter but with a clown s plaintive song Each Edition Includes Comprehensive explanatory notes Vivid introductions and the most up to date scholarship Clear modernized spelling and punctuation enabling contemporary readers to understand the Elizabethan English Completely updated detailed bibliographies and performance histories An interpretive essay on film adaptations of the play along with an extensive filmography Four Comedies Plautus,2008-04-17 Plautus was the single greatest influence on Western comedy Shakespeare s Comedy of Errors and Moli re s The Miser are two subsequent classics directly based on Plautine originals Plautus himself borrowed from the Greeks but his jokes rapid dialogue bawdy humour and irreverent characterizations are the original work of an undisputed genius The comedies printed here show him at his best and professor Segal s translations keep their fast rollicking pace intact making these the most readable and actable versions available His introduction considers Plautus place in ancient comedy examines his continuing influence and celebrates his power to entertain ABOUT

The Play's The Thing: Volume two Dennis Abrams, 2016-01-25 The Plays The Thing The Plays of William Shakespeare is aimed at a YA young adult audience as an introduction to the greatest plays ever written Direct and personal and decidedly non academic each play gets its own essay giving the reader an overview of the play with an emphasis on the relevance that the play has to the reader's own life and concerns As I wrote in the introduction The goal of this guide then is to turn Shakespeare from somebody you have to read into somebody that you want to read A young man struggles with his father's unexpected death A young couple pledges their love to each other despite their families angry disapproval A young man rebels against his father while at the same time craving his approval A father and his family roam

across what appears to be a post apocalyptic dystopian landscape A Roman general kills the sons of his enemy and serves them to her baked in a pie Two young couples escape into a forest where magic rules and nothing is quite what it seems A group of young men decide to give up on women and dating in order to devote themselves to their studies until a group of beautiful young women changes their minds The latest YA novels While they certainly sound like they can be they re not They re just one way of looking at some of the plays of William Shakespeare to be precise Hamlet Romeo Juliet Henry IV Parts I 2 King Lear Love s Labour s Lost that shows that they re not just old school classic plays they re old school classic plays that tell stories that are relevant to my life to your lives and to the way we all live today These are stories of love Of families Of fathers and sons Of the rise and fall of kings Of what it s like to grow old Of what it s like to love someone so much it hurts Of treachery and revenge Of ambition Of jealousy Of forgiveness Of murder Almost every human experience you can think of is brought to life in these plays Which is why for more than 400 years they have been seen as the central glory of Western literature And that s also why the plays of William Shakespeare are on a daily basis performed on stages around the world The stories he told the characters he created are universal Audiences in China in Ghana in India in Brazil in every part of the world can appreciate and love Shakespeare as much as the British and Americans Four comedies William Shakespeare,1960 **Four Comedies** Carlo Goldoni,Eleanor Farjeon,Marguerite Tracy,2018-10-22 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Four Comedies** Serafin Álvarez Quintero,1932 **Four Comedies** William Shakespeare,1994 **Four Comedies** William Shakespeare,William Aldis Wright,1948 **Four Comedies** George Taylor,1940 CLASSICS Four Comedies Titus Maccius Plautus,
