## **Four Views On Salvation In A Pluralistic World:**

**Four Views on Salvation in a Pluralistic World** Zondervan, 2010-09-21 Religious pluralism is the greatest challenge facing Christianity in today's Western culture. The belief that Christ is the only way to God is being challenged and increasingly Christianity is seen as just one among many valid paths to God. In *Four Views on Salvation in a Pluralistic World*, four perspectives are presented by their major proponents: Normative Pluralism (All ethical religions lead to God) John Hick, Inclusivism (Salvation is universally available but is established by and leads to Christ) Clark Pinnock, Salvation in Christ (Agnosticism regarding those who haven't heard the gospel) Alister McGrath, and Salvation in Christ Alone (Salvation depends on explicit personal faith in Jesus Christ alone) R. Douglas Geivett and W. Gary Phillips. This book allows each contributor to not only present the case for his view but also to critique and respond to the critiques of the other contributors. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion. *More Than One Way?* John Hick, 1995. Theologians state four separate views of salvation and other religions and respond to each other's views. **Four Views on Salvation in a Pluralistic World** / John Hick et al. John Hick, **More than one way? Four views on salvation in a pluralistic world: "A Pluralist View" : John Hick**2. **"An Inclusivist View" : Clark H. Pinnock**3. **"A Particularist View : A Post-Enlightenment Approach" : Alister E. McGrath**4. **"A Particularist View: An Evidentialist Approach" : R. Douglas Geivett & W. Gary Phillips**Originally published: **More than one way?** Grand Rapids, Mich. : Zondervan Pub. House, 1995. **Counterpoints (Grand Rapids, Mich.) Phillips, Timothy Ross, 1950- Includes bibliographical references and indexes** John Hick (et al. ; Okholm, Dennis L. ; Phillips, Timothy R., eds), 1996 **Three Views on Creation and Evolution** Zondervan, 2010-06-01 For Christians the issues raised by the different views on creation and evolution are challenging. Can a young earth be reconciled with a universe that appears to be billions of years old? Does scientific evidence point to a God who designed the universe and life in all its complexity? *Three Views on Creation and Evolution* deals with these and similar concerns as it looks at three dominant schools of Christian thought. Proponents of young earth creationism, old earth creationism, and theistic evolution each present their different views, tell why the controversy is important, and describe the interplay between their understandings of science and theology. Each view is critiqued by various scholars, and the entire discussion is summarized by Phillip E. Johnson and Richard H. Bube. The Counterpoints series provides a forum for comparison and critique of different views on issues important to Christians. Counterpoints books address two categories: Church Life and Bible and Theology. Complete your library with other books in the Counterpoints series. *Will All be Saved?* Laurence Malcolm Blanchard, 2015-04-01 This book provides a survey and critical assessment of the doctrine of universal salvation in contemporary western theology within the context of the historic

development of the doctrine      *Three Views on the Millennium and Beyond* Zondervan, 2010-08-10 Is there biblical evidence for a thousand year earthly kingdom the Millennium ruled by Christ before the fulfillment of the new heaven and new earth Revelation chapter 20 seems to suggest so but few books of the Bible are so difficult to interpret And a discussion of the Millennium branches out into many other theological questions about the end times eschatology Are these the last days What must happen before Jesus returns What part does the church play This Counterpoints volume compares three views of the Millennium Premillennial Christ will come again before this kingdom is established Postmillennial our present age represents that kingdom and that the church is and must move toward the fulfillment of this kingdom Amillennial a future Millennium is not a literal kingdom and when Christ returns he will usher in an immediate new heaven and new earth Robert B Strimple Kenneth L Gentry Jr and Craig A Blaising offer their perspectives giving their exegetical reasoning Each of them then responds to the views held by their peers in a respectful and informative setting making it easy for you to compare their beliefs and gain a better understanding of how this aspect of Christianity's great hope the return of Jesus is understood by the church The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion      Revelation Craig S. Keener, 2009-09-13 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context What can we know about the book of Revelation What should we make of its visions of apocalyptic horsemen horns with faces flying angels and fantastic beasts Most important what meaning does it hold for us here and now and how can we apply it to our lives Craig S Keener shares perspectives on Revelation and helps us strengthen our hope in the future while living out our faith wisely in the present To bring the ancient messages of the Bible into today's context each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written      **Apologetics in Africa** Kevin Muriithi Ndereba, 2024-02-01 Divided into four major sections this textbook provides an in depth exploration of the biblical philosophical cultural and practical concerns facing African Christians as they proclaim and defend the gospel in Africa Written by a diverse group of pastors and scholars it provides a much needed interdisciplinary and contextualized approach to apologetics It also seeks to bridge the gap between academic

research and ministry practice touching on such topics as hermeneutics biblical criticism church history the nature of evil religious inclusivism Muslim Christian engagement eldership rites domestic violence cults and the digital age Biblically robust contextually relevant ministry oriented and accessible this is a remarkable resource for enriching the life and ministry of Christians in Africa and beyond *Faith Comes by Hearing (EasyRead Large Bold Edition)*, 2001 [African Theology, Philosophy, and Religions](#) Julius Gathogo, Chammah J. Kaunda, 2020-11-24 In African Theology Philosophy and Religions Celebrating John Samuel Mbiti's Contribution contributors explore John Samuel Mbiti's contributions to African scholarship and demonstrate how he broke through the western glass ceiling of scholarship and made African informed and African shaped scholarship a reality Contributors examine the far reaching implications of Mbiti's scholarship arguing that he shifted the contemporary African Christian landscape and informed global expressions of Christianity African Theology Philosophy and Religions analyzes Mbiti's scholarship and shows that his theories are malleable and fluid allowing a new generation of scholars to reinterpret reconstruct and further develop his theories This collection brings together contributors from a wide range of disciplines to study John Samuel Mbiti as the father of contemporary African theology and grapple with questions Africans face in the twenty first century *When Did Sin Begin?* Loren Haarsma, 2021-08-17 The question of the historical Adam is a flashpoint for many evangelical readers and churches Science and theology scholar Loren Haarsma who has studied written and spoken on science and faith for decades shows it is possible both to affirm what science tells us about human evolution and to maintain belief in the doctrine of original sin Haarsma argues that there are several possible ways of harmonizing evolution and original sin taking seriously both Scripture and science He presents a range of approaches without privileging one over the others examining the strengths and challenges of each **A Different Jesus?** Robert L. A. Carson, 2009-09-01 A pre modern baseball umpire would have said something like this There's balls and there's strikes and I call em as they are The modernist would have said There's balls and there's strikes and I call em as I see em And the postmodernist umpire would say They ain't nothing until I call em With that humorous quote Ravi Zacharias illustrates the challenge postmodernism poses to Christians passionate about evangelism How do you communicate truth to a world that isn't sure what truth is or even if truth is How do you commend spiritual absolutes to people who insist there are none If you've puzzled even struggled over such questions the book you hold in your hands is required reading Telling the Truth provides informed insights on the heart of the Gospel the soul of postmodern culture and their complex interface This book is a compilation of thoughts and strategies from twenty nine prominent practitioners of contemporary evangelism Originating at a three day conference held at Trinity Evangelical Divinity School Telling the Truth draws on knowledge gained in the trenches by Ravi Zacharias Kelly Monroe D A Carson Ajith Fernando and other notables It will open your eyes

to how the contest for souls is fought guerilla style at a multitude of fronts relationships the university ethnicity reason and emotion the pulpit communications in short the broad spectrum of human experience and values You ll be challenged to discern between the unchanging Gospel and the flexible means by which we communicate it Telling the Truth can help you lay the groundwork necessary to point biblically uninformed postmodern men and women toward an encounter with non negotiable truth an absolute revealed in the Bible that points to the reality of sin and the need for a Savior **Book 5**

**Apologetics HC** Kurt Jurgensmeier,2012-08-22 How Does God Really Want Us to Prove Christianity Christian apologetics is the endeavor to prove There is salvation in no one else but Jesus Christ Acts 4 12 The most popular approach is an intellectual one that marshals scientific historical and philosophical arguments to defend the Christian faith However this book makes the following claims Intellectual apologetics has no biblical support including the often quoted 1 Peter 3 15 The Apostle Paul actually denounced the use of intellectual apologetics for evangelism Virtue apologetics which proves the Gospel by the superior love and holiness of Spirit indwelled believers is repeatedly commanded in Scripture and demonstrated in real life and history Claims to Christian immorality in both history and modern research are not true While there are a multitude of books on intellectual apologetics this author could not find a biblical study that explains defends and encourages virtue apologetics So he wrote one **Faith Comes by Hearing** Christopher W. Morgan,Robert A.

Peterson,2009-09-20 What about those who have never heard The debate swirls and feelings run deep What is the fate of the unevangelized The traditional position that apart from an explicit faith in Jesus no one is saved seems to have fallen out of favor with many evangelicals Here is a passionate but irenic response to the arguments of those who believe that the unevangelized can or might be saved apart from knowledge of Jesus Christ Building on the insights of others nine scholars introduce readers even those with little background to the ongoing discussion Key questions Is general revelation sufficient Are other religions salvific Do holy pagans exist Must faith be explicit Is exclusivism unjust are probed and answered from a biblical theological and historical perspective The book s positive thrust is summed up by editors Robert Peterson and Christopher Morgan God is passionately engaged in gathering people to know love and worship him from every tribe language people and nation And he has called us to join him on this mission *Pneumatology* Veli-Matti Kärkkäinen,2002-06

*Slipping Through the Cracks* Zachary Breitenbach,2021-04-02 Would a good God allow some people to be lost to hell due to the bad luck of their circumstances such as never hearing the Christian gospel Do some who are lost slip through the cracks i e they would have freely chosen to be saved if only God had placed them into different circumstances After surveying and responding to other significant objections within the so called soteriological problem of evil this groundbreaking new work identifies the above as the most difficult soteriological challenge for Christian theism and explores it in great depth Finding William Lane Craig s famous solution to this problem insightful but ultimately inadequate the book proposes an alternative solution that upholds Christian exclusivism the view that one must hear and respond to the gospel to be saved and is both biblically consistent and philosophically plausible It offers an intriguing possibility for how God might ensure that all people have an opportunity to be saved and that none who are lost slip through the cracks in a way that is inconsistent with God s goodness Additionally the book reveals how its response to this soteriological problem has much value for addressing key aspects of the broader problem of evil
