Foxfire An Other Novel:

Explorations of Spirituality in American Women's Literature Scarlett Cunningham, 2023-07-07 This book connects the aging woman to the image of God in the work of Flannery O'Connor Joyce Carol Oates Alicia Ostriker Lucille Clifton Mary Szybist and Anne Babson It introduces a canon of contemporary American women's spiritual literature with the goal of showing how this literature treats aging and spirituality as major connected themes It demonstrates that such literature interacts meaningfully with feminist theology social science research on aging and body image attachment theory and narrative identity theory The book provides an interdisciplinary context for the relationship between aging and spirituality in order to confirm that US women's writing provides unique illustrations of the interconnections between aging and spirituality signaled by other fields This book demonstrates that relationships between the human and divine remain a consistent and valuable feature of contemporary women's literature and that the divine human relationship is under constant literary revision

Uncle Silas Joseph Sheridan Le Fanu, 1966-01-01 Maud Ruthyn and her father are haunted by premonitions of death during their sojourn in a gloomy old mansion

Dear Sir, I Intend to Burn Your Book Lawrence Hill, 2013-03-20 Censorship and book burning are still present in our lives Lawrence Hill shares his experiences of how ignorance and the fear of ideas led a group in the Netherlands to burn the cover of his widely successful novel *The Book of Negroes* in 2011 Why do books continue to ignite such strong reactions in people in the age of the Internet Is banning censoring or controlling book distribution ever justified Hill illustrates his ideas with anecdotes and lists names of Canadian writers who faced censorship challenges in the twenty first century inviting conversation between those on opposite sides of these contentious issues All who are interested in literature freedom of expression and human rights will enjoy reading Hill's provocative essay Introduction by Ted Bishop

Anya Seton Lucinda H. MacKethan, 2020-08-04 Anya Seton was the bestselling author of ten historical novels including the masterpieces *Katherine* and *The Winthrop Woman* which are still widely beloved over sixty years after their original publication Yet there has never before been a book length biography of this great American writer Author Lucinda MacKethan with the support of Seton's daughters and unprecedented access to the novelist's decades worth of journals detailing her writing throughout her career has crafted an intimate look at the writer in her own words Ann Seton was born in 1904 the daughter of two celebrity writers Ernest Thompson Seton a renowned naturalist and illustrator and Grace Gallatin Seton a women's suffrage leader who received medals for her volunteer work in France during World War I The pair's literary output gave them enduring fame but as a teenager Ann explicitly rejected her parents' careers because she said they showed her the drudgery of a writer's life Still she was always confident that she had inherited her parents' talent At age thirty six and self-renamed Anya she placed her first novel with a major publisher Anya the author was protective of her private life yet also mused I suppose I write myself over and over again in the heroines of her books She reinvented herself within carefully researched historical settings and biographical frameworks that provided both escape and wish fulfillment Through Seton's own journal entries letters and self-analyses MacKethan provides an intimate study of what it meant to her to be a writer She details Seton's creative process as well as the difficulties she faced balancing writing with the duties of homemaking and raising three children and the gratitude or more often frustration she felt toward editors and reviewers A compelling portrait emerges of a deeply dedicated writer whose life was full of inner turmoil most of it self-inflicted

Movie-Made Appalachia John C. Inscoe, 2020-11-24 While Hollywood deserves its reputation for much maligned portrayals of southern highlanders on screen the film industry also deserves credit for a long standing tradition of more serious and meaningful depictions of Appalachia's people Surveying some two dozen films and the literary and historical sources from which they were adapted John C. Inscoe argues that in the American imagination Appalachia has long represented far more than deprived and depraved hillbillies Rather the films he highlights serve as effective conduits into the region's past some grounded firmly in documented realities and life stories others only loosely so In either case they deserve more credit than they have received for creating sympathetic and often complex characters who interact within families households and communities amidst a wide array of historical contingencies They provide credible and informative narratives that respect the specifics of the times and places in which they are set Having used many of these movies as teaching tools in college classrooms Inscoe demonstrates the cumulative effect of analyzing them in terms of shared themes and topics to convey far more generous insights into Appalachia and its history than one would have expected to emerge from southern California's dream factory

Invisible Writer Greg Johnson, 1998 Granted privileged access to Joyce Carol Oates's letters and journals as well as extensive interviews with family friends colleagues and Oates herself Greg Johnson examines the relationship between Oates's life and work in this fascinating exploration of a complex and gifted artist Johnson reveals little

known facts about Oates's personal and family history and debunks many of the myths that have arisen about this brilliant enigmatic woman. From her impoverished childhood in rural upstate New York and the birth of her autistic sister through Oates's studies at Syracuse University where her talent was immediately recognized and the full breadth of her astonishingly productive career despite bouts with depression and ill health, Johnson's astute examination of Oates's novels, short stories, and plays demonstrates how her art has been informed by and transformed her life. The first complete and only authorized biography of Joyce Carol Oates. Includes discussion of *We Were the Mulvaney's*. Joyce Carol Oates's highly acclaimed 1996 bestseller. Joyce Carol Oates's reputation has never been greater and the time is right for an in-depth look at her astonishing career and fascinating personal story. Patrick White's *The Eye of the Storm, Voss, and Other Novels* Herbert Reaske, 1977

Appalachian Images in Folk and Popular Culture W. K. McNeil, 1995 A compilation of articles and essays from the past 130 years on the character and spirit of Appalachian culture organized according to four major periods in the awareness of Appalachian culture. Essays covering Kentucky feuds, moonshining, handicrafts, dietary habits, and religion include introductions and editorial commentary. This second edition includes an article on the cultural ramifications of Appalachian television programs. **William Faulkner** M. Thomas Inge, 1995-02-24 The first comprehensive collection of contemporary published reactions to the writing of William Faulkner from 1926 to 1962. These articles document the response of reviewers to specific works and chronicle the development of Faulkner's reputation among the nation's book reviewers. It has often been assumed that a poor reception in the popular review publications contributed to Faulkner's lack of commercial success. The material presented here tends to refute that assumption, clarifying the development of Faulkner's literary career and providing a fuller understanding of the part played by book reviewing in the sales promotion and success of American literature. *The Book Series eBook Bundle* Jean Hanff Korelitz, 2025-02-04 *The Book Series: The Plot and The Sequel* is Jean Hanff Korelitz's Tom Ripley-esque tale of deceit, breathtakingly suspenseful novels about a story too good to remain untold, the writer who steals it, and the wife left to uncover its remaining secrets. Hailed as insanely readable, Stephen King, New York Times bestseller, *The Plot* is a propulsive literary thriller about struggling writer and professor Jacob Finch Bonner whose most arrogant student has an idea for a surefire bestseller. After the student's unexpected death, Jake appropriates the idea and writes the story himself, but when the novel propels him to literary stardom, Jake begins to receive threatening messages: "You are a thief." As Jake races to unearth the origins of his stolen plot, he discovers a story so inconceivable it can only be true, and a person who wants nothing more than for it to remain untold. Set in the recent aftermath of *The Plot*, the witty New York Times and unforgettable Wall Street Journal suspenseful satire *The Sequel* follows Jake's wife Anna Williams Bonner. All too aware of the accusations that swirled around her husband's last book, Anna decides to try her hand at writing her own acclaimed debut novel. After all, how hard can it really be to write a universally lauded bestseller? But after its publication, she begins to receive excerpts of a story she never expected to see again, one that should no longer exist. Someone

knows far too much about her husband his book and just possibly Anna herself Now she will stop at nothing to close that chapter of her life forever With her signature wit and sardonic humor Jean Hanff Korelitz offers readers two dazzling unputdownable literary thrillers starring two flawed but unforgettable protagonists while illuminating and satirizing the world of publishing in this deliciously fun and memorable series **A to Z of American Women Writers** Carol Kort,2014-05-14 Presents a biographical dictionary profiling important women authors including birth and death dates accomplishments and bibliography of each author s work **Doing Oral History** Donald A.
