**The Healing of Families** Yozefu B. Ssemakula, 2011-12-15 This is a book about how to effectively pray Christian prayer about persistent problems and for healing all types of healing physical psychological emotional and spiritual It shows you how what we normally think of as just being our own personal problems in life are in fact deeply rooted familial problems we only reproduce them with a few personal overtones We are our families and our families are us how can it be otherwise And therefore effective prayer for healing most often eludes us as we fail to apply the healing power that the Lord Jesus Christ brought us to where the problem is rooted in the family This happens because we normally think of and look at just us losing the bigger picture not knowing that we are only a symptom of the problem a representation a red dashboard light saying something about the engine a cog in the wheel of my family and that it is not a personal problem despite all appearances Since we think what is going on is our own personal problem our prayer too follows that pattern serious falling short of the target Result it becomes like a cry in the desert with no effect And yet God wants us healed He constantly sends us healing But we spend time trying to convince God in prayer to give us what He has already given us healing when He sent Jesus Christ We have little clue that the key is not with God anymore but is right here with us brought to us by Jesus and left here We simply don't know how to use it And thus God laments My people perish for not knowing Hosea 4:6 This book will pull you out of that not knowing and lead you step by step to the full benefit that Christ has already brought to you not only a healed and useful life but also a joyful one **Christ: His Church, His Father's Marriage, and His Nourishment**

Yozefu-B Ssemakula, 2021-11 **THE HEALING OF FAMILIES** Fr. Yozefu B Ssemakula, 2011-12-31 This book will teach you step by step how to tackle in prayer the process for healing you and your family This is what is called praying effectively about those stubborn problems in life This book has been monumental in its field Since its publication in 2011 to date Fr Yozefu has been invited to speak in 38 countries and to lead thousands of families on their journey to healing and in many of these countries more than several times It's a process that has proved its worth with a long trail of wonderful results wherever the Healing of Families Seminar has gone in the world This book is a representation of that program very accessible to anybody who cares to pay attention while reading no jargon and no complicated theological concepts to battle with The author makes everything so simple and clear that even people who have been out of church for decades read it understand it and know what to do immediately in order to begin the prayer process for their family's healing This book has also been a favorite of many an exorcist in the world handling very tough situations in a very simple calm and tranquil and yet very effective way It too doubles as a manual for pastors who want to lead families under their care to access the healing that Christ has for them but which has eluded them for a very long time This book really demystifies healing prayer and the author clearly shows how the power of the healing Christ is so available to every baptized believer in Christ as Christ Himself states it in Mk 16:16-17 This book has made these words of Jesus come alive today in a very powerful and palpable way for so

many Christian families around the world Whereas we usually thought of healing prayer as applicable to just individuals we discover here that it actually can be extended to entire families and effectively so     The Healing of Families - in UKRAINIAN Yozefu B.
