Fractions The First Half Of The Fall Revolution:

Fractions Ken MacLeod, 2008-10-28 The first half of The Fall Revolution Ken MacLeod's landmark modern science fiction series this volume comprises The Star Fraction and The Stone Canal In a balkanized future of dizzying possibilities mercenaries contend with guns as smart as they are nuclear deterrence is a commodity traded on the open market teenagers deal in theologically correct software for fundamentalists and anarchists have colonized a planet circling another star Against this background men and women struggle for a better future against the betrayals that went before Death is sometimes the end and sometimes something altogether different Both The Star Fraction and The Stone Canal won the Prometheus Award on their original publication They are followed by The Cassini Division and the British Science Fiction Association Award winning The Sky Road At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

The Routledge Companion to Libertarianism Matt Zwolinski, Benjamin Ferguson, 2022-04-28 Have you ever wondered what libertarians think about vaccine mandates About gun control About racial and sexual inequalities While libertarianism is well known as a political theory relating to the scope and justification of state authority the breadth and depth of libertarian work on a wide range of other topics in social and political philosophy is less well known This handbook is the first definitive reference on libertarianism that offers an in depth survey of the central ideas from across philosophy politics and economics including applications to contemporary policy issues The forty chapters in this work provide an encyclopedic overview of libertarian scholarship from foundational debates about natural rights theories vs utilitarian approaches to policy debates over immigration punishment and policing and intellectual property Each chapter presents a comprehensive and up to date overview of historical and contemporary libertarian thought on its subject and thus serves as an essential guide to current scholarship and a starting place for discovering future lines of research The book also contains a section on criticisms of libertarianism written by leading scholars from the feminist republican socialist and conservative perspectives as well as a section on how libertarian political theory relates to various schools of economic thought such as the Chicago Austrian Bloomington and Public Choice schools This book is an essential and comprehensive guide for anyone interested in libertarianism whether sympathizer or critic

The Star Fraction Ken MacLeod, 2013-05-10 WINNER OF THE PROMETHEUS AWARD Britain in the 21st century is a Balkanized mess Moh Kohn is a security mercenary unaware that he holds the key to information which could change the world Janis Taine is a scientist who needs Moh's help And a rogue computer program is guiding events to a breathtaking conclusion At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied
