Bioarchaeology of Impairment and Disability Jennifer F. Byrnes, Jennifer L. Muller, 2017-06-28 Over the years impairment has been discussed in bioarchaeology with some scholars providing carefully contextualized explanations for their causes and consequences Such investigations typically take a case study approach and focus on the functional aspects of impairments However these interpretations are disconnected from disability theory discourse Other social sciences and the humanities have far surpassed most of anthropology with the exception of medical anthropology in their integration of social theories of disability This volume has three goals The first goal of this edited volume is to present theoretical and methodological discussions on impairment and disability The second goal of this volume is to emphasize the necessity of interdisciplinarity in discussions of impairment and disability within bioarchaeology The third goal of the volume is to present various methodological approaches to quantifying impairment in

skeletonized and mummified remains This volume serves to engage scholars from many disciplines in our exploration of disability in the past with particular emphasis on the bioarchaeological context **Africana Religion in the Digital Age** Margarita Simon Guillory, 2024-12-27 This book diversifies the fields of digital religion studies and Africana religious studies by considering the nuanced intersections between digital technologies and the religious experiences of African Americans While Christianity is a continuous marker of religious identity for many African Americans this digital approach to examining Africana religion in the US uncovers other non Christian esoteric traditions that have often been marginalized within academia The book explores the diverse ways that African Americans employ the Internet social media human enhancement technologies and gaming to construct multidimensional modes of religious identities It also considers the ways that Africana religious practitioners employ digital platforms to both complement and disrupt religious authority Ultimately the book establishes Africana religious experiences as viable entry points in the scholarly engagement of religion in the digital age As such it will be a key resource for scholars of Religious Studies Africana Religious and Esoteric Studies Religion and Culture and Religion and Sociology *Indigenous Black Theology* J. detail the transplantation of Catholic and Protestant Christianity and their centuries of struggles to become integral to the Caribbean's religious ethos and trace the twentieth century penetration of American Evangelical Christianity particularly in its Pentecostal and Holiness iterations Caribbean Religious History also illuminates the influence of Africans and their descendants on the shaping of such religious traditions as Vodou Santeria Revival Zion Spiritual Baptists and Rastafari and the success of Indian indentured laborers and their descendants in reconstituting Hindu and Islamic practices in their new environment Paying careful attention to the region's social and political history Edmonds and Gonzalez present a one volume panoramic introduction to this religiously vibrant part of the world *Obeah and Other Powers* Diana Paton, Maarit

Forde, 2012-04-13 This collection looks at Caribbean religious history from the late 18th century to the present including obeah vodou santeria candomble and brujeria The contributors examine how these religions have been affected by many forces including colonialism law race gender class state power media representation and the academy **The Voodoo**

Encyclopedia Jeffrey E. Anderson, 2015-08-26 This compelling reference work introduces the religions of Voodoo a onetime faith of the Mississippi River Valley and Vodou a Haitian faith with millions of adherents today Unlike its fictional depiction in zombie films and popular culture Voodoo is a full fledged religion with a pantheon of deities a priesthood and communities of believers Drawing from the expertise of contemporary practitioners this encyclopedia presents the history culture and religion of Haitian Vodou and Mississippi Valley Voodoo Though based primarily in these two regions the reference looks at Voodoo across several cultures and delves into related religions including African Vodun African Diasporic Religions and magical practices like hoodoo Through roughly 150 alphabetical entries the work describes various aspects of Voodoo in Louisiana and Haiti covering topics such as important places traditions rituals and items used in ceremonies Contributions from scholars in the field provide a comprehensive overview of the subject from various perspectives and address the deities and ceremonial acts The book features an extensive collection of primary sources and a selected general bibliography of print and electronic resources **Mek Some Noise** Timothy Rommen, 2007-04-11 Mek Some Noise Timothy Rommen's

ethnographic study of Trinidadian gospel music engages the multiple musical styles circulating in the nation's Full Gospel community and illustrates the carefully negotiated and contested spaces that they occupy in relationship to questions of identity By exploring gospelpso jamoo Jehovah's music gospel dancehall and North American gospel music along with the discourses that surround performances in these styles he illustrates the extent to which value meaning and appropriateness are continually circumscribed and reinterpreted in the process of coming to terms with what it looks and sounds like to be a Full Gospel believer in Trinidad The local regional and transnational implications of these musical styles moreover are read in relationship to their impact on belief and vice versa revealing the particularly nuanced poetics of conviction that drive both apologists and detractors of these styles Rommen sets his investigation against a concisely drawn richly historical narrative and introduces a theoretical approach which he calls the ethics of style a model that privileges the convictions embedded in

this context and that emphasizes their role in shaping the terms upon which identity is continually being constructed in Trinidad The result is an extended meditation on the convictions that lie behind the creation and reception of style in Full Gospel Trinidad Copub Center for Black Music Research The Media and Religious Authority Stewart M.

Hoover,2016-09-01 As the availability and use of media platforms continue to expand the cultural visibility of religion is on the rise leading to questions about religious authority Where does it come from How is it established What might be changing it The contributors to The Media and Religious Authority examine the ways in which new centers of power and influence are emerging as religions seek to brand themselves in the media age Putting their in depth incisive studies of particular instances of media production and reception in Asia Africa Latin America and North America into conversation with one another the volume explores how evolving mediations of religion in various places affect the prospects aspirations and durability of religious authority across the globe An insightful combination of theoretical groundwork and individual case studies The Media and Religious Authority invites us to rethink the relationships among the media religion and culture The contributors are Karina Kosicki Bellotti Alexandra Boutros Pauline Hope Cheong Peter Horsfield Christine Hoff Kraemer Joonseong Lee Alf Linderman Bah yyah Maroon Montr Aza Missouri and Emily Zeamer with an afterword by Lynn Schofield Clark **Entangled Worlds** Catherine Keller,Mary-Jane Rubenstein,2017-08-08 Historically speaking theology can be said to operate materiaphobically Protestant Christianity in particular has bestowed upon theology a privilege of the soul over the body and belief over practice in line with the distinction between a disembodied God and the inanimate world He created Like all other human social and natural sciences religious studies imported these theological dualisms into a purportedly secular modernity mapping them furthermore onto the distinction between a rational enlightened Europe on the one hand and a variously emotional primitive and animist non Europe on the other The new materialisms currently coursing through cultural feminist political and queer theories seek to displace human privilege by attending to the agency of matter itself Far from being passive or inert they show us that matter acts creates destroys and transforms and as such is more of a process than a thing Entangled Worlds examines the intersections of religion and new and old materialisms Calling upon an interdisciplinary throng of scholars in science studies religious studies and theology it assembles a multiplicity of experimental perspectives on materiality What is matter how does it materialize and what sorts of worlds are enacted in its varied entanglements with divinity While both theology and religious studies have over the past few decades come to prioritize the material contexts and bodily ecologies of more than human life Entangled Worlds sets forth the first multivocal conversation between religious studies theology and the body of the new materialism Here disciplines and traditions touch transgress and contaminate one another across their several carefully specified contexts And in the responsiveness of this mutual touching of science religion philosophy and theology the growing complexity of our entanglements takes on a consistent ethical texture of urgency **Multicultural Approaches to Health and Wellness in America** Regan A. R.

Gurung,2014-04-21 Led by a UCLA trained health psychologist a team of experts describes non traditional treatments that are quickly becoming more common in Western society documenting cultural variations in health and sickness practices to underscore the diversity among human society This unique two volume set describes the variety of cultural approaches to health practiced by people of varying cultural heritages and places them in stark context with traditional Western approaches to health care and medicine Examining health practices such as Ayurveda an ancient system of medicine that focuses on the body the sense organs the mind and the soul and traditional Chinese medicine TCM the author examines why these different approaches can explain some of the cultural variations in health behaviors differences in why people get sick and how they cope with illness Traditional health care providers of all kinds including clinicians counselors doctors nurses and social workers will all greatly benefit by learning about vastly different approaches to health while general readers and scholars alike will gain insight into the rich diversity of world culture and find the material fascinating **Haiti** Patrick

Bellegarde-Smith,2004-05-14 The updated edition of this perceptive study could hardly appear at a more auspicious moment as the latest phase of the tragedy of Haiti is unfolding It brilliantly illuminates the rich tapestry of Haitian culture and reveals the remarkable resilience of the Haitian people subjected to centuries of rapacity and violence and brutally punished for revealing the limited definition of freedom adopted by the French and American revolutions in the author s accurate words As he relates they have continued to teach such lessons to this day frightening the rich and powerful in their own tortured land and at the centers of global rule It is our great loss if we choose not to understand and there is no better starting point than this learned and penetrating inquiry Noam Chomsky Institute Professor Emeritus Department of Linguistics and Philosophy MIT

Fragments Of Bone Neo African Religions In A New World

The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have charmed audiences this year.

Fragments Of Bone Neo African Religions In A New World : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed.

Fragments Of Bone Neo African Religions In A New World : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting.

These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a exceptional and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
