

FRANCHI .22 AUTOMATIC RIFLE
INSTRUCTION BOOKLET AND SERVICE MANUAL

CHAPTER 7

The .22 rifle is taken down when prepared for shipment and will be found in two pieces: the receiver block with and the barrel/bolt unit. To assemble the two pieces giving the receiver with your right hand, making sure that the receiver plate is perfectly seated in place. Then, using your right thumb, depress the latch located in the receiver (Photo 1). Now, using your left hand, insert the barrel in the receiver and release the latch. The barrel is now fixed to the receiver. For a tighter clamping between barrel and receiver the Franchi .22 rifle is equipped with a knurled lock-up ring (Photo 2) which is mounted on the barrel. The ring has four holes, into any one of which you can insert the handle of the barrel bolt to lock the two groups firmly together.

Photo 1

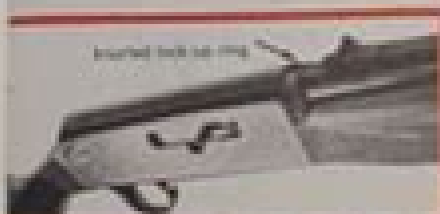

Photo 2

INSTRUCTIONS FOR THE LOCK-UP RING "C"

Remove the handle from the barrel bolt to use it as a nut, rotate the handle a quarter turn and pull, then insert it in one of the holes of the lock-up ring making it rotate from right to left (counterclockwise) (Photo 3) until firmly seated. Replace the handle to the barrel bolt. The rifle will then be ready for loading.
