Board Governance in Bank Foundations Chiara Leardini, Gina Rossi, Sara Moggi, 2014-01-08 Bank foundations serve an important purpose in the Italian nonprofit sector This book presents the legal grounds areas of intervention and basic tools involved in the asset management and grant making activities that such organizations undertake A special emphasis focuses on the analyses of the organizational structure of bank foundations and the relevant aspects of governance particularly with regard to the composition roles and responsibilities of bank foundation boards The general reduction in the resources to which they have access requires a new strategy that clearly defines long term goals and the necessary procedures to achieve them The topic of strategic planning is therefore also central to this text which examines its peculiarities content and governing bodies The analysis of some case studies provides a better understanding of the manner in which foundations interpret strategic planning and reveals strengths and weaknesses that demand careful attention

Evaluation Methodology Basics E. Jane Davidson, 2005 Click Additional Materials for downloadable samples I welcome this student friendly text to complement my favorite checklists This text develops the core checklist framework to provide evaluation methodology basics for presumably mainly introductory courses on program evaluation Colin Sharp *Evaluation Journal of Australasia* What is evaluation specific logic and methodology This book answers that question in a way that is persuasive accessible and understandable It presents a set of principles and procedures to guide the task of blending descriptive data with relevant values to draw explicitly evaluative conclusions The book makes a significant contribution to positioning evaluation as a unique and special field of inquiry and

judgment Michael Quinn Patton Union Institute and University Amidst the wash of methods books available to evaluators Davidson's book provides powerful techniques for asking and answering the important foundational questions in any program evaluation Doug Leigh Pepperdine University This is a very well written book that offers a unique perspective on long practiced evaluation techniques and presents several new potentially very useful techniques that return valuation to the evaluation process Greg Roberts University of Texas Austin Evaluation theorists for years have advised evaluators to take into account all relevant values as part of an evaluation But especially for the relatively new evaluator even one who is knowledgeable and experienced in research methodology there is not a lot of guidance about how this is done Evaluation Methodology Basics The Nuts and Bolts of Sound Evaluation provides a step by step guide for doing a real evaluation It focuses on the main kinds of big picture questions that evaluators usually need to answer and how the nature of such questions is linked to evaluation methodology choices Jane Davidson explains how to combine a mix of qualitative and quantitative data with relevant values such as needs to draw explicitly evaluative conclusions Many students and evaluators find it difficult to visualize what evaluation logic and methodology look like in practice To address this Davidson presents readers with useful rubrics and flowcharts that may be used during each stage of the evaluation Many of the concepts presented in the chapters are illustrated with specific examples from a range of disciplines Exercises and pop quiz questions help reinforce the key points covered in each chapter provide homework assignments for those teaching an evaluation course and allow learners to develop slices of an evaluation plan as they work their way through the text Evaluation Methodology Basics is an ideal text for students of evaluation and students in programs that have evaluation course requirements such as education health sociology psychology and many others throughout the social sciences It will also be essential reading for practitioners who find themselves thrown into evaluation roles without the benefit of specialized evaluation training

Disrupting Program Evaluation and Mixed Methods Research for a More Just Society Jori N. Hall,Ayesha Boyce,Rodney Hopson,2023-01-01 While women have influenced the fields of program evaluation and mixed methods research their contributions are rarely acknowledged In this edited volume we recognize the contributions Jennifer C Greene made to evaluation and mixed methods focusing on how she disrupted traditional ways methods are conceptualized and implemented We aim to provide a range of perspectives on how Greene disrupted social science theory methodology and training through her commitment to the values of democracy diversity and dialogue Accordingly the volume makes explicit how Greene democratized social science inquiry and training by emphasizing inclusive culturally responsive and educative theories methods and pedagogical practices Second it clarifies how her commitment to diversity supported scholars from diverse disciplinary backgrounds and cultures within and beyond the United States and validated often ignored perspectives on phenomena or experiences And third it showcases how her commitment to dialogue opened spaces for non traditional methodological approaches that engage communicate and disseminate program evaluation and mixed methods work Taken together the first hand accounts presented in this volume offer a historical perspective and practical guidance on program evaluation and mixed methods conceptualization implementation and training Endorsements The theme of disruption in this book is a powerful look at the breadth and significance of Jennifer C Greene s distinguished contributions both theoretical and practical in evaluation for over 30 years In essence these chapters reveal the sustaining power of her scholarship and influence today and likely in years to come Her recognition that no single method can solve the complex problems faced in evaluation is revealed in the ontological epistemological and methodological work she developed on mixed methods which led to a genre of study that recast the debate about the hegemony of quantitative over qualitative methods and vice versa She has foregrounded values the quintessential character of evaluation by recognizing the multiplicity of perspectives that guide our theories roles questions designs and perceptions of quality Jennifer Greene s generativity is exemplified in her egalitarian dialogic stance inclusion of voices and context and commitment to equity The chapters reflect the impact of her work on scholars who continue to

advance evaluation for a more just society Valerie J Caracelli U S Government Accountability Office It is not possible to convey in a few words my strongest endorsement for this volume that begins scratching the surface of Jennifer C Greene s many contributions to evaluation theory methods and practice I have worked with and learned from her on many occasions over the years as I grappled with refining my understanding and practice of culturally responsive evaluation I commend the editors and authors for this first substantive collection providing a more in depth understanding and appreciation of Jennifer Greene s body of work for some while providing others the opportunity to revisit the lessons we have learned from her work spirit and commitment to make a difference Stafford Hood Center for Culturally Responsive Evaluation Assessment CREA and Professor Emeritus University of Illinois at Urbana Champaign

Exploring Education and Democratization in South Asia Tania Saeed,Radhika Iyengar,Matthew A. Witenstein,Erik Jon Byker,2024-02-19 This volume brings together scholars practitioners activists and students to reflect on socio political transitions taking place in countries across South Asia and their implications for democracy and education It provides an important intervention for comparative education in South Asia by looking at the kind of ideological tensions that exist within the education systems and how these competing agendas are visible at different levels At a time when students have been protesting for their rights across educational institutions in South Asia where the Covid 19 pandemic has exacerbated inequalities with learning losses and job losses this collection creates a space to reflect on the limitations and possibilities of education in democracies across South Asia

21st Century Sociology: A Reference Handbook Clifton D. Bryant,Dennis L. Peck,2007 Publisher Description

Evaluating Program Effectiveness Marc T. Braverman,2022-10-26 The book shows how to apply validity concepts when planning and conducting an evaluation thereby making sure that the evaluation stays true to the purposes for which it was initiated Marc T Braverman demonstrates that evaluating with validity means being able to answer the evaluation questions in a way that is useful accurate and reflective of the information needed from the evaluation His approach is practical with the goal of helping evaluators to conduct high quality outcome evaluations and he illustrates concepts with case study examples drawn from studies of intervention effectiveness over many years The book begins by looking at the ways that validity is conceptualized and the uses to which it is put Subsequent chapters analyze separate phases of the outcome evaluation process and the critical decisions about design and analysis that are typically required
