**Crazy Like a Fox** Ben Chavis, Carey Blakely, 2010-09-07 The inspiring true story of one of the country's finest educators National Review and the school he changed forever Under the leadership of highly unorthodox principal Dr Ben Chavis

Oakland's American Indian Public Charter School was hailed as an education miracle by governor Arnold Schwarzenegger after it was transformed from a failing nuisance into one of the best public middle schools in the nation. This is the story of that transformation and of a man who dared to be different. With his rigorous no nonsense approach Dr Chavis debunks the myth that poor minority inner city schools have little chance at academic excellence. Focusing on back to basics ideals he has created a structured educational model that combined with the enthusiasm of his students and teachers delivers astounding results. In *Crazy Like a Fox* Dr Chavis recounts how he did it in his own words and through the stories of the extraordinary young people he's helped.
