Fractured A Thriller Detective Ellie Macintosh:

Fractured Kate Watterson, 2015-03-10 Blending mystery and romance Kate Watterson's *Fractured* finds Detective Ellie MacIntosh racing to stop a serial killer Milwaukee homicide detective Ellie MacIntosh's bizarre case takes gruesome to a new level and is eerily and frustratingly familiar She has seen the signature work of the killer before but cannot connect the victims There isn't a single suspect in sight but at least the case gives Ellie something to focus on instead of her chaotic personal life Ellie's partner Jason Santiago is glad to be back on the job even on a disturbing case like this one Working with Ellie has evolved into a tangled relationship that is no longer platonic at least to him The trouble is she has no idea how he feels Jason's chance to make a move is now but he's paralyzed by the fear he will ruin both his career and a partnership he values more than any he has ever had Therapist Dr Georgia Lukens is fascinated by the complicated relationship between Ellie and Jason but she has other non-detective patients with deeper problems When a timid woman named Rachel reveals that she suspects her promiscuous and charismatic roommate Lea has been involved in the grisly murders Georgia is put into the untenable position of deciding if this privileged information is just the ramblings of a delusional patient or something more And little does she know that Lea has become focused on Jason Santiago As Ellie pieces together a macabre puzzle of past and present sins it becomes clear that madness takes many forms and it may be too late to stop her partner from becoming the next victim

Severed Kate Watterson, 2018-09-25 The Detective Ellie MacIntosh thrilling series continues in Kate Watterson's *Severed* When the district attorney's daughter is brutally murdered her boyfriend is immediately arrested It should be an open and shut case except homicide detectives Ellie MacIntosh and her partner Jason Santiago sense something off Randy Lane maintains his innocence and his prominent family is at the center of a much larger federal investigation which raises more questions than answers Blocked by federal agents at every turn the people that MacIntosh and Santiago are able to question have a bad habit of soon turning up dead As the body count rises the pressure is on to exonerate Lane and find the real killer before one wrong move by MacIntosh and Santiago turns fatal And this time there is so much then just their lives at stake At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied
