Voices in the Legal Archives in the French Colonial World Nancy Christie, Michael Gauvreau, Matthew Gerber, 2020-09-24 Voices in the Legal Archives in the French Colonial World The King is Listening offers through the contribution of thirteen original chapters a sustained analysis of judicial practices and litigation during the first era of French overseas expansion The overall goal of this volume is to elaborate a more sophisticated social history of colonialism by focusing largely on the eighteenth century extending roughly from 1700 until the conclusion of the Age of Revolutions in the 1830s By critically examining legal practices and litigation in the French colonial world in both its Atlantic and Oceanic extensions this volume of essays has sought to interrogate the naturalized equation between law and empire an idea premised on the idea of law as a set of doctrines and codified procedures originating in the metropolis and then transmitted to the colonies This book advances new approaches and methods in writing a history of the French empire one which views state authority as more unstable and contested Voices in the Legal Archives proposes to remedy the under theorized state of France's first colonial empire as opposed to its post 1830 imperial expressions empire which have garnered far more scholarly attention This book will appeal to scholars of French history and the comparative history of European empires and colonialism

British and American Representations of 9/11 Oana-Celia Gheorghiu, 2018-04-19 This book argues that twenty first century neorealist fiction is inspired by political and journalistic discourses and along with them constitutes one of the many representations of the attacks on September 11 and their outcomes Adopting a neorealist stance this book is placed at the intersection of realism and fiction with often reference to what is perceived as objective writing media and political texts not at all so divorced from the practice of literary writings on the event that shook the world on September 11 2001

Co-Operative Enterprise in Comparative Perspective Jason S Spicer, 2024-08-23 A rigorous comparative historical analysis of how co operative enterprises in different national contexts this book deploys two different variants of the new institutionalism Spicer treats the US as a central case of comparative failure as contrasted to three rich democracies where the co operative business model has been more successful Finland

France and New Zealand      **The Palgrave Handbook on the Economics of Manipulation in Sport** Markus Breuer, David Forrest, 2018-04-12 Sport has enjoyed steadily increasing prominence and economic importance since the Millennium But threats to its integrity appear to have grown in parallel undermining the very sense of innocence and fun which is an important part of its appeal Threats to the spirit of sport come from internal external and even state actors who seek either to manipulate events on the field or to exploit the institutions of sport for their own ends As the reputation of sport becomes more tarnished as a result its sustainability as a significant part of the entertainment industry is called into question and loss of reputation may even result in decline in recreational play In this wide ranging collection of essays the international team of contributors explores the structural economic sources of the problems that beset sport and address the question of what is to be done through economic reasoning Specific topics covered include doping match fixing for betting or sporting gain the role of forensic statistics in detecting nefarious activity issues related to club ownership corruption in the awarding of mega events and within sports governing bodies and the role of the law and the Court of Arbitration for Sport In the final chapter the Editors pull together the various strands and propose that policy to mitigate the threat to fair play should be built around two themes improving sports governance and designing incentives to help actors in sport choose honest over manipulative behaviour The book will appeal to practitioners from sport management as well as to academics including students and researchers

**Morbid Symptoms** Donald Sassoon, 2021-03-02 A health check on our corrupt and broken political system by one of our finest historians The deadly coronavirus spread across societies already riddled with political ills rampant xenophobia and corruption privatisation run amok Brexiteer vainglory of a global Britain a Euroland dominated by self proclaimed nasty parties and in America the unspeakable Trump As the acclaimed historian Donald Sassoon observes in this blistering polemic there were morbid symptoms galore Sassoon paints an unforgettable picture of our galloping descent into political barbarism mixing blunt expos and classical references with an astonishing array of data Why does the United States proportionately have more civilians owning guns than Yemen where there is a war on Why did the UK enter the pandemic with fewer doctors than any EU country except Poland and Romania In *Morbid Symptoms* he refuses to abandon what Antonio Gramsci termed the optimism of the will instead recalling a line from Machiavelli's *Istorie fiorentine* do not impute past disorders to the nature of the men but to the times which being changed give reasonable ground to hope that with better government our city will have better fortune in the future
