Francis Bacon Your Blood Memoir:

Francis Bacon in Your Blood Michael Peppiatt, 2015-08-27 It is a story I have been wanting to write for a long time telling it as it really was before that whole world that I shared with Francis vanishes Michael Peppiatt met Francis Bacon in June 1963 in Soho's French House to request an interview for a student magazine that he was editing Bacon invited him to lunch and over oysters and Chablis they began a friendship and a no holds barred conversation that would continue until Bacon's death thirty years later Fascinated by the artist's brilliance and charisma Peppiatt accompanied him on his nightly round of prodigious drinking from grand hotel to louche club and casino seeing all aspects of Bacon's gilded gutter life and meeting everybody around him from Lucian Freud and Sonia Orwell to East End thugs from predatory homosexuals to Andy Warhol and the Duke of Devonshire He also frequently discussed painting with Bacon in his studio where only the artist's closest friends were ever admitted The Soho photographer John Deakin who introduced the young student to the famous artist called Peppiatt Bacon's Boswell Despite the chaos that Bacon created around him Peppiatt managed to record scores of their conversations ranging over every aspect of life and art love and death the revelatory and hilarious as well as the poignantly tragic Gradually Bacon became a kind of father figure for Peppiatt and the two men's lives grew closely intertwined In this intimate and deliberately indiscreet account Bacon is shown close up grand and petty tender and treacherous by turn and often quite unlike the myth that has grown up around him This is a speaking portrait a living likeness of the defining artist of our times

Francis Bacon Mark Stevens, Annalyn Swan, 2021-03-23 THE TIMES BEST ART BOOK OF THE YEAR FINALIST FOR THE PLUTARCH AWARD AND THE APOLLO AWARD There are not many biographical masterpieces but Mark Stevens and Annalyn Swan have produced one wrote the novelist John Banville of Francis Bacon Revelations By the Pulitzer prize winning authors of *de Kooning* An American Master this acclaimed biography contains a wealth of never before known details about one of the iconic artists of the 20th century a singularly private darkly funny eruptive man and his extraordinary art whose iconoclastic charm keeps the pages turning The Washington Post Francis Bacon created an indelible image of mankind in modern times and played an outsized role in both twentieth century art and life from his public emergence with his legendary Triptych 1944 its images so unrelievedly awful that people fled the gallery to his death in Madrid in 1992 Bacon was a witty free spirit and unabashed homosexual at a time when many others remained closeted and his exploits were as unforgettable as his images He moved among the worlds of London's Soho and East End the literary salons of London and Paris and the homosexual life of Tangier Through hundreds of interviews and extensive new research the authors probe Bacon's childhood in Ireland he earned his father's lasting disdain because his asthma prevented him from hunting his increasingly open homosexuality his early design career never before explored in detail the formation of his vision his early failure as an artist his uneasy relationship with American abstract art and his improbable late emergence onto the international stage as one of the great visionaries of the twentieth century In all Francis Bacon Revelations gives us a more

complete and nuanced and more international portrait than ever before of this singularly private darkly funny eruptive man and his equally eruptive extraordinary art Bacon was not just an influential artist he helped remake the twentieth century figure **Francis Bacon** Michael Peppiatt, 2024-06-18 A new selection of letters statements and interviews reveals the preoccupations thoughts and ideas of Francis Bacon one of the twentieth century's most influential and important artists The documents selected for Francis Bacon A Self Portrait in Words illustrate Bacon's sharp wit and ability to express complex ideas in highly personal memorable language Included here are not only letters to friends patrons and fellow artists but also intriguing notes and lists of paintings They often come with a sketch as an aide mmoire or an injunction to himself as he worked in the studio and many have only come to light since his death Bacon's letters mirror and reveal his dominant preoccupations at different points throughout his long career Most of Bacon's letters have never been published and include several that he wrote to author Michael Peppiatt Particularly intriguing is the record of a dream that he jotted down outlining impossibly beautiful paintings he had conjured up in his sleep Together with photographs archive material and works by the artist are numerous reproductions of Bacon's characteristic handwriting from the briefest jottings and notes to more extensive letters and statements Bacon frequently came up with memorable epithets and definitions He delighted in doing with words what he set out to do in painting I like phrases that cut me Peppiatt explores the personal legacy of one of the twentieth century's most important painters and presents a compelling verbal self portrait that reveals both man and artist

Bridging the Interpretive Abyss Luis Menéndez-Antuña, 2025-04-04 As readers and interpreters how might our understanding of the New Testament change if unlike historicism with its colonizing agenda and its focus on ancient contexts we took contemporary global crises including mass incarceration a pervasive culture of torture the HIV pandemic and the legacies of enslavement as our starting point for reading biblical texts Luis Menéndez Antuña demonstrates how a cultural studies approach that centers twenty first century queer existence and experiences of suffering illuminates rather than obscures ancient New Testament contexts Each chapter weaves together a biblical text different works of art and a political crisis This hermeneutical approach bridges the abyss between the past and present the Global North and the Global South biblical scholarship humanities and social sciences Readers coming to the New Testament text with political and ethical concerns will find new emancipatory strategies making this volume essential reading for scholars and students *The Dark Precursor* Paulo de Assis, Paolo Giudic, 2017-11-14 Deleuze's and Guattari's philosophy in the field of artistic research Gilles Deleuze's intriguing concept of the dark precursor refers to intensive processes of energetic flows passing between fields of different potentials Fleetinglly used in Difference and Repetition it remained underexplored in Deleuze's subsequent work In this collection of essays numerous contributors offer perspectives on Deleuze's concept of the dark precursor as it affects artistic research providing a wide ranging panorama on the intersection between music art philosophy and scholarship The forty eight chapters in this publication present a kaleidoscopic view of different fields of knowledge and artistic practices

Modernists and Mavericks: Bacon, Freud, Hockney and the London Painters Martin Gayford,2018-06-12 Martin Gayford's masterful account of painting in London from the Second World War to the 1970s illustrated by documentary photographs and the works themselves The development of painting in London from the Second World War to the 1970s has never before been told before as a single narrative R B Kitaj's proposal made in 1976 that there was a substantial School of London was essentially correct but it caused confusion because it implied that there was a movement or stylistic group at work when in reality no one style could cover the likes of Francis Bacon and also Bridget Riley Modernists and Mavericks explores this period based on an exceptionally deep well of firsthand interviews often unpublished with such artists as Victor Pasmore John Craxton Lucian Freud Frank Auerbach Allen Jones R B Kitaj Euan Uglow Howard Hodgkin Terry Frost Gillian Ayres Bridget Riley David Hockney Frank Bowling Leon Kossoff John Hoyland and Patrick Caulfield But Martin Gayford also teases out the thread weaving these individual lives together and demonstrates how and why long after it was officially declared dead painting lived and thrived in London Simultaneously aware of the influences of Jackson Pollock Giacometti and through the teaching passed down at the major art school the traditions of Western art from Piero della Francesca to Picasso and Matisse the postwar painters were bound by their confidence that this ancient medium could do fresh and marvelous things and explored in their diverse ways the possibilities of paint London Calling Elena Crippa,Catherine Lampert,2016-07-26 Between the postwar years and the 1980s in Britain and in particular in London a number of figurative painters simultaneously reinvented the way in which life is represented in art Focusing on the depiction of the human figure

these artists rendered the frailty and vitality of the human condition Offering a fresh account of developments that have since characterized postwar British painting this catalogue focuses on Michael Andrews Frank Auerbach Francis Bacon Lucian Freud R B Kitaj and Leon Kossoff artists who worked in close proximity as they were developing new forms of realism If for many years their efforts seemed to clash with dominant tendencies reassessment in recent decades has afforded their work a central position in a richer and more complex understanding of postwar British art and culture Rigorous and gorgeously illustrated the essays reflect on the parallel yet diverse trajectories of these artists their friendships and mutual admiration and the divergence of their practice from the discourse of high modernism The authors seek to dispel the notion of their work as a uniquely British endeavor by highlighting the artists international outlook and ongoing dialogue with contemporary European and American painters as well as masters from previous generations This book is published to coincide with an exhibition at the J Paul Getty Museum from July 26 through November 13 2016 **Memoirs of the Reign of Queen**

Elizabeth, from the Year 1581 Till Her Death Thomas Birch,1754 Memoirs of the Reign of Queen Elizabeth, from the Year 1581 Till Her Death. Francis Bacon,1736 Memoirs of the Reign of Queen Elizabeth Thomas Birch,1754 Another Kind of Normal Graham Ward,2022-01-13 Every age needs to examine and propose its ways of living ethically Another Kind of Normal Ethical Life II constructs a mode of such living according to the Christian tradition based upon an interpretation of Christ s coming and the relationship of that incarnation to God as the Creator of all things In the second of four volumes Graham Ward explores an Augustinian vision of consonance between divine rhythm and the rhythmic orders of creation On the basis of what Augustine calls the interval it proposes Christ is encountered as riddle scandal and paradox It provides an account of creation as a Trinitarian event that calls for a rethinking of what are the key teachings in Christianity with respect to an understanding of creation as a divine benediction and a theatre for transformation and healing Ward argues through Scriptural exegesis for the omnidirectionality of time as graced rejecting a conception of linear temporality and theologies indebted to that conception Throughout participation in God through our hiddenness in Christ develops an account of the complex relationship between divine and human creativity appealing to music painting poetry drama film architecture and novels

Bacon/Giacometti: A Dialogue Michael Peppiatt,2021-01-07 Michael Peppiatt s biography has long been viewed by Bacon scholars as the definitive life of a fascinatingly flawed figure Alex Larman The Guardian Praise for Francis Bacon Anatomy of an Enigma The best art memoir published in years Spectator Peppiatt offers a window into the experiences and emotional intelligence of this great artist New Statesman Fascinating and engaging Lynn Barber Sunday Times Praise for Francis Bacon in Your Blood While working on Bacon Giacometti a major exhibition at the Fondation Beyeler in Basel in 2018 the curator writer and art historian Michael Peppiatt carried out extensive research on the relationship between the two artists

At one point I felt I could almost hear the two of them talking he revealed For Peppiatt the dialogue between Francis Bacon and Alberto Giacometti has been turning slowly in his mind ever since Bacon told him in detail about his encounters with the Swiss artist while the latter was in London in 1965 to supervise the preparations for his major exhibition at the Tate This book written in the form of a play is about an imagined encounter between the two men On the evening imagined by Peppiatt Bacon and Giacometti enjoy a lavish dinner at Wheeler s fish restaurant then go on to the Colony Room Bacon s favourite club in Soho to pursue their freely flowing conversation about life art and their mutual friends After a while the club begins to empty out but the two artists sensing that they may never have another occasion to talk order more champagne

Giacometti in Paris Michael Peppiatt, 2023-09-28 THE TIMES AND WATERSTONES BEST ART BOOK OF 2023 Intimate and insightful reads like a novel by Samuel Beckett Paul Theroux A portrait of one of the twentieth century s greatest sculptors from one of our most eminent art historians Today the work of Alberto Giacometti is world famous and his sculptures sell for record breaking prices But from his early days as an unknown outsider to the end of a dramatic international career Giacometti lived in the same hovel of a studio in Paris It was Paris that made him and he in turn immortalised the city through his art Arriving in Paris from the Swiss Alps in 1922 Giacometti was shaped not only by his relationships with remarkable artists and writers from Picasso Breton and Dal to Sartre Beauvoir and Beckett but by the everyday life pre war and post war of Paris itself His distinctive figures emerged from the city s unique atmosphere the crumbling grey stone of its humbler streets and the caf terraces buzzing with radical ideas and racy gossip In *Giacometti in Paris* Michael Peppiatt who spent thirty years documenting the Parisian art world and mixing with many of the people Giacometti knew brilliantly charts the course of the artist s life and work From falling in and out with the Surrealists to years of artistic anguish from devotion to his mother to intense friendships tragic love affairs and a fraught marriage this is an intimate portrait of an outstanding artist in exceptional times *The works of lord Bacon, moral and historical, with a brief memoir of the author [by S.O. Beeton].* Francis Bacon (visct. St. Albans.), 1877 *The Works of Francis Bacon* Francis Bacon, 1872 **Male Bodies Unmade** Jongwoo Jeremy Kim, 2023-11-14 Male Bodies Unmade explores white men s disunified physicality in modern and contemporary art while attending to erotic polysemy that questions the visual ethos of Occidental patriarchy Art historian Jongwoo Jeremy Kim s approach is informed by his own status as an immigrant a polyglot queen drawn to extravagant fantasies of misbehaving bodies that are in truth foreign territories colonies of misbelief In six case studies focusing on configurations of irrational anatomy and horny self extinction this book celebrates the lessons and pleasures of disrupting art history s hegemonically Western narratives **The Works of Francis Bacon** Bacon, 1876
