Barnes,2012-05-04 MBusiness The Strategic Implications of Mobile Communications presents recent theory and evidence on  
wireless information technologies and their application in business Such information is useful in both the classroom and for  
interested practitioners contemplating new technological developments MBusiness is a very fast moving area and  
consequently there is a need to provide relevant material for those who wish to understand the subject This text provides  
recent teachings moving beyond existing wireless technology publications and differentiates itself strongly via its emphasis  
on the strategic business application of mobile communications It stands apart by virtue of the degree of academic rigour  
with which it tackles the material and is an excellent resource for teaching and learning in the classroom      **British Books**
