Faith And Its Critics A Conversation Faith And Its Critics A Conversation:

Faith and Its Critics David Fergusson,2009-09-03 A clear explanation of the ideas of recent critics of faith such as Richard Dawkins Daniel Dennett and Sam Harris in the context of historical atheism and an accessible discussion of the most common themes that characterise contemporary debates on the place of faith in contemporary society including Darwinism ethics and fundamentalism

Faith and Its Critics David Fergusson,2011-03-03 Heralded as the exponents of a new atheism critics of religion are highly visible in today s media and include the household names of Richard Dawkins Daniel Dennett and Sam Harris David Fergusson explains their work in its historical perspective drawing comparisons with earlier forms of atheism Responding to the critics through conversations on the credibility of religious belief Darwinism morality fundamentalism and our approach to reading sacred texts he establishes a compelling case for the practical and theoretical validity of faith in the contemporary world An invitation to engage in a rich dialogue Faith and Its Critics supports an informed and constructive exchange of ideas rather than a contest between two sides of the debate Fergusson encourages faith communities to undertake patient engagement with their critics to acknowledge the place for change and development in their self understanding whilst resisting the reductive explanations of the new atheism

Religious Transhumanism and Its Critics Arvin M. Gouw,Brian Patrick Green,Ted Peters,2022-03-10 Why do representatives of different religious traditions find the transhumanist vision of the future not only theologically compatible but even inspiring Transhumanism is a global movement seeking radical human enhancement The trans in transhumanism marks the transition from the present stage in human evolution into the future namely post human existence Containing chapters written by adherents to a variety of religious traditions Religious Transhumanism and Its Critics provides first hand testimony to the value of the transhumanist vision perceived by the religious mind In addition the contributors critique both secular and religious transhumanism in light of realistic science and commitment to social justice

State of Affairs Richard J Coleman, 2015-03-26 The last sixty years have witnessed a virtual explosion of interest in how modern science and traditional Christianity intersect This new rapprochement with science has irrevocably altered how Christians think of God providing a foundation from which we cannot retreat but from which we also cannot move forward until we examine the presumptions on which it is based For the first time Richard J Coleman interprets in a clear and meaningful way the themes and practitioners that make this rapprochement different and what it has achieved But this book is more than description it is an inquiry into whether Christian theology has lost its authentic voice by its singular focus on accommodating modern science

The Second Vatican Council Gerald O'Collins, 2014-08-14 Convened by Pope John XXIII the Second Vatican Council 1962-65 profoundly changed the self image and life of the Catholic Church But understanding interpreting and implementing Vatican II still remain a task far from completed Pope Francis has given fresh impetus toward practicing the Council's teaching about a humble servant Church that pursues justice and peace for the whole world This book explores and presents Vatican II's developments in doctrine about divine revelation the nature mission and collegiality of the Church religious freedom and the divine grace that reaches all human beings It takes up the profound significance of the liturgy constitution which opened the way for the Council's subsequent teaching In documenting the renewal and reform conveyed by the message and meaning of Vatican II this book illustrates the scholarship and accessible style for which Gerald O'Collins has become renowned

Theological Philosophy Lydia Schumacher, 2016-02-17 For much of the modern period theologians and philosophers of religion have struggled with the problem of proving that it is rational to believe in God Drawing on the thought of Thomas Aquinas Theological Philosophy seeks to overturn the longstanding problem of proving faith's rationality and to establish instead that rationality requires to be explained by appeals to faith Building on a constructive argument developed in a companion book *Rationality as Virtue* Lydia Schumacher advances the conclusion that belief in the God of Christian faith provides an exceptionally robust rationale for rationality and is as such intrinsically rational At the same time Schumacher overcomes a common tendency to separate spiritual from ordinary life and construes the latter as the locus of proof for the rationality of Christian faith

Rethinking Fundamental Theology Gerald O'Collins, 2011-05-27 This book identifies the distinguishing features of fundamental theology as distinct from philosophical theology natural theology apologetics and other similar disciplines Addressing the potential for confusion about basic Christian claims and beliefs Gerald O'Collins sets out to relaunch fundamental theology as a discipline by presenting a coherent vision of basic theological questions and positions that lay the ground for work in specific areas of systematic theology *Rethinking Fundamental Theology* examines central theological questions about God human experience and specifically religious experience the divine revelation coming through the history of Israel and through the life death and resurrection of Jesus human faith that responds to revelation the nature of tradition that transmits the record and reality of revelation the structure of biblical inspiration and truth as well as basic issues concerned with the formation of the canon the

founding of the Church with some leadership structures the relationship between Christ's revelation and the faith of those who follow other religions O Collins concludes with some reflections on theological method Written with the scholarship and accessibility for which O Collins is known and valued this book will relaunch fundamental theology as a distinct and necessary discipline in faculties and departments of theology and religious studies around the world **Controversies in Contemporary Religion** Paul Hedges, 2014-09-09 Religious or spiritual beliefs underpin many controversies and conflicts in the contemporary world Written by a range of scholarly contributors this three volume set provides contextual background information and detailed explanations of religious controversies across the globe **Controversies in Contemporary Religion** Education Law Politics Society and Spirituality is a three volume set that addresses a wide variety of current religious issues analyzing religion's role in the rise of fundamentalism censorship human rights environmentalism and sustainability sexuality bioethics and other questions of widespread interest Providing in depth context and analysis far beyond what's available in the news or online this work will enable readers to understand the nature of and reasons for controversies in current headlines The first volume covers theoretical and academic debates the second looks at debates in the public square and ethical issues while the third examines specific issues and case studies These volumes bring detailed and careful debate of a range of controversies together in one place including topics not often covered for example how religions promote or hinder social cohesion and peace the relationship of religions to human rights and the intersection of Buddhism and violence Written by a range of experts that includes both established and emerging scholars the text explains key debates in ways that are accessible and easy to understand for lay readers as well as undergraduate students researching particular issues or global religious trends **Outline of Christian Doctrine** Wilfried Harle, 2015-04-14 In this book Wilfried Harle so distills Protestant Christian teaching as to bring fresh insight both to new students and to experienced readers of systematic theology **Outline of Christian Doctrine** however is not merely a translation of Harle's classic German text Nicholas Sagovsky has also entirely adapted the original work to the needs and resources of English speaking readers Biblically rooted contextually sensitive alert to philosophical issues and relevant with respect to debates about the world as we know it today Harle's **Outline of Christian Doctrine** **An Evangelical Dogmatics** is an ideal contemporary theology book for both class use and individual study ***The Unknown God*** John Hughes, 2013-04-10 What is the so called New Atheism The first decade of the twenty first century has witnessed a cluster of authors who have attained public notoriety through their mockery of religion and their popularizing of atheism How should Christians and other believers understand and respond to this aggressive attack on their faith In this collection of sermons leading academic theologians and philosophers who have written about the New Atheists seek to sum up their thinking and help us make sense of this contemporary phenomenon and offer a richer and more sophisticated account of what belief in God is really about **Talk about Faith** Stephen Pihlaja, 2021-02-04 How do people of faith use language to position themselves and their beliefs and practices in the contemporary world This pioneering

and original study looks closely at how Christians and Muslims talk to people inside and outside of their own communities about what they think are the right things to believe and do From debates to podcasts and YouTube videos the book covers a range of engaging texts and contexts showing how doctrine and beliefs are not nearly as fixed and static as we might think and that people are prone to change what they say they believe depending on who they are talking to From abortion to hell to whether it s okay to sell alcohol Pihlaja investigates how Christians and Muslims struggle with different elements of their own faith and try to make decisions about what to do when there are so many different voices to believe Getting at Jesus Peter S. Williams,2019-01-29 Portraying themselves as challenging blind religious dogma with evidence led skepticism the neo atheist movement claims that the New Testament contains unreliable tales about a mythical figure who far from being the resurrected Lord of life may not even have lived This comprehensive critique documents the falsehood of these neo atheist claims correcting their historical and philosophical mistakes to show how we can get at the truth about the historical Jesus Living Words Terence J. Martin,1998 In particular Martin commends the habit of critical thinking an appreciation for irony and an irenic approach to opposition as helpful stances for improving people s efforts to talk about religion In addressing rhetorical and hermeneutical issues commonly found in philosophical theology and the philosophy of religion this work s approach through the genre of dialogue will interest those concerned with the intersection of religion and literature

Faith Has Its Reasons Kenneth Boa,Robert M. Bowman Jr.,2012-01-05 A most accessible but thoroughly practical primer on apologetics Liberation Theology and Its Critics Arthur F. McGovern,2009-08-01 From its beginnings liberation theology has provoked a wide and diverse range of responses from a multitude of critics theological methodological political ecclesiastical Liberation Theology and Its Critics is a comprehensive and systematic explication of these diverse criticisms as well as a reasoned and rigorous defense of liberation theology McGovern states his aim thus to understand better the world of Latin America and the culture and conditions which prompt a liberation theology while at the same time giving expression to some of the misgivings that many US Americans experience when reading about liberation theology Liberation Theology and Its Critics begins by discussing the place of theology itself in liberation theology The book offers an historical overview shows us what liberation theologians see as most distinctive in their work addresses the biblical interpretations and major areas of theology stressed by liberation theologians and discusses other theologians critiques Next McGovern explicates the use of social and political analysis in liberation theology which has been one of the areas of particular controversy He focuses on such issues as dependency theory Marxism class struggle socialism and the Nicaraguan revolution addressing throughout the concerns raised by a range of critics from the Vatican to Michael Novak Finally McGovern explores the role of the church and how liberation theology is lived out in practice He examines base communities ecclesiology current political trends in Latin America the varying status of liberation theology as well as its most recent developments McGovern demonstrates that liberation theology encompasses a wide spectrum of theologians with different styles and emphases It requires careful study

non polemical debate and an honest effort to present the views of both liberation theologians and their critics fairly McGovern's book will be the benchmark against which subsequent work is measured

Joseph Ratzinger in Dialogue with Philosophical Traditions Tracey Rowland, Alejandro Sada, Rudy Albino de Assunção, 2024-01-25 This book extensively explores the various influences and connections between Joseph Ratzinger and a number of leading philosophers engaging with his work by means of Spanish Portuguese German and English schools of thought through the contributions of a global body of scholars Each chapter in this volume examines precisely how Ratzinger has dealt with the ideas of a particular philosopher and how he has appropriated their ideas and thoughts Moving from philosophers he has modified or critiqued such as Kant Comte or Wittgenstein to those who have contributed to his philosophical theology such as Guardini and Pieper this truly international endeavour is an extraordinary journey into Ratzinger's engagement with his competing and congenial schools of thought
