False Worlds Duane L Ostler:

False Worlds Duane L. Ostler, 2015-12-03 A false world is like an apple full of worms It appears juicy and attractive on the outside but is in fact disgusting on the inside This book discusses a number of false worlds masquerading as truth but which are in fact false to their core Included are the false worlds of politics international relations law sexual confusion premarital sex abortion and gayness entertainment and pride *Our Unvirtuous Society* Duane L. Ostler, 2015-12-02 In American society today virtue tends to largely be ignored Rather many in the country seem to be obsessed with sex This obsession has led to extreme results that would be considered appalling by prior generations such as rampant premarital sex which decreases trust commitment between partners gays lesbians elevating sex to become their god and abortions in which the unborn have no rights **George Brown and the Protector** Duane L. Ostler, 2016-01-01 George Brown is an ordinary boy attending an ordinary school climbing ordinary trees and eating ordinary pizza until he meets a bizarre alien known as The Protector Suddenly life for George is anything but ordinary Now George and the Protector must unravel the secret of a fallen star find George's missing father and unlock the mysteries of a small stone which contains fantastic powers *The Gay Illusion* Duane L. Ostler, 2016-12-19 Come with John as he learns that he never was gay as he had thought nor indeed ever could be THIS BOOK DOES NOT DESCRIBE GAY ACTS OR CONTAIN ANY SEXUAL CONTENT *The Anti Stupidity Book* Duane L. Ostler, 2016-04-26 Stupidity What is it Is it just something we see our neighbors and members of the opposite political party do Or is it something more Why does it seem to be so universal Are there fundamentals of stupidity that can be recognized These are the questions discussed in this book It presents six fundamentals of stupidity that lead to the stupid choices that we see all around us Included among these are the belief that there are no moral values that God does not exist and that it is acceptable to become addicted and to treat others badly and be proud In the end we see that the only sure way to avoid the fundamentals of stupidity is through the saving power of Jesus Christ *Miss Lydia Fairbanks and the Losers Club* Duane L. Ostler, 2016-04-26 Miss Lydia Fairbanks is the newest teacher at Inner City Junior High School the deadliest school in the state While the school principal believes she won't last a day Miss Fairbanks quickly surprises everyone by not only surviving in the midst of her killer students but actually thriving in the classroom But even someone as weak and small as Miss Fairbanks can harbor secrets from the past *Crazy Pete* Duane L. Ostler, 2016-04-26 On a dark night in a lonely park in LA crazy old Pete saves a teenager named Kelly from a suicidal encounter with a street gang While Kelly initially resists Pete's kindness he is gradually drawn into the life and service of his unusual mentor a lifestyle of total concentration on others and forgetting of himself But even Crazy Pete has secrets and one day with a shock the boy learns the terrible history of Pete's past that turned him into the saint he has become *Rights in America, Bills of Attainder and the Ninth Amendment* Duane L. Ostler, 2016-02-19 While rights in America have always been cherished many people today misunderstand the source of their rights They have come to believe that government is the grantor of rights The flipside of

this belief is that government can also take them away Such a view conflicts with that of the founders who gave us the ban on bills of attainder and 9th Amendment to forever protect our natural rights **The Ninth Amendment: Key to**

Understanding the Bill of Rights Duane L Ostler,2014-10-08 This book explains how the Ninth Amendment is the key to understanding rights in the United States The founders created the Ninth Amendment to protect unlisted natural law rights as they were understood in their day This amendment was never intended to allow future generations to create new rights Rather it was to safeguard the morality and natural rights of the founding generation **The Mystic Christmas Treasure**

Duane L. Ostler,2017-11-20 On Christmas Eve Archeologist Charles Niebold is searching through the jungles of Belize for an ancient Maya temple full of gold He has blocked out of his mind the image of his unhappy wife and children about his not being home for Christmas until he finds the temple he has been looking for and a dose of Maya magic gives him a different view of his family than he ever could have imagined *How the Bill of Rights and a Lack of Virtue are Destroying America*

Duane L. Ostler,2015-07-17 The American bill of rights long heralded as an ensign of freedom across the world is today being used as a tool of destruction by the U S Supreme Court This is happening because of the creation by the court of sexual rights which have no basis in the constitution or any of its amendments This volume explains this dangerous trend and how it can be reversed before it is too late **James Madison American Prophet** Duane L. Ostler,2014-11-08 Rather amazingly

James Madison foresaw many of the problems we face in America today He foresaw our modern obsession with individual rights the dangers of judicial activism the problems of a war presidency and the economic difficulties that can bring a nation to ruin Most importantly as America s preeminent political visionary he also saw how these problems can be solved

Running for the Gub Duane L. Ostler,2016-05-18 Blake Gub is a starving young attorney fresh out of law school desperately trying to get new clients As a last hopeless gamble to obtain some publicity and a few clients he foolishly enters the race for Governor of his state as an independent candidate But then a series of unexpected events shove him to the front of the race and Blake is forced to start taking the campaign seriously However that is the last thing in the world Blake wants since he hates politics with a passion **Santa v. Afton** Duane L. Ostler,2015-11-20 The tiny town of Afton is shocked when

every resident is sued by a man claiming to be Santa Claus His lawsuit is for wrongfully firing him from his yearly delivery job since he only comes to people who believe While the town s initial reaction is anger soon a strange thing begins to

happen People start believing again But Santa can only come if ALL believe and some are still holding out *Is Abortion Logical?* Duane L Ostler,2019-05-02 Arguments in favor of abortion are humorously exposed as illogical by way of compelling but rather unusual examples logical reasoning and historical legal research Justifications for abortion which are shot down in this volume are the right of privacy the assertion that it s my body and I can do what I want with it in vitro fertilization social problems allegedly linked to fertility the fallacy that unsafe abortions will occur if abortion is not legalized and more *A*

Conversation about Abortion Between Justice Blackmun and the Founding Fathers Duane L Ostler,2014-10-08 On a dark

night in Independence Hall ghosts of the founding fathers gather to discuss with Justice Blackmun the Roe v Wade abortion opinion he penned in 1973 Using actual quotes from the founding fathers this debate soundly refutes Blackmun s arguments from the Roe opinion and shows that the founders would be greatly disturbed at the law regarding abortion in America today

The Wistworth Conferences Duane L. Ostler, Every ten years the demons assigned to tempt mortals in eastern Idaho gather at Hell s Half Acre lava field for a conference on temptation In these fictional conference talks from 1908 to the present the region s chief demon temptor Benedict Iscariot describes how the evil plan to destroy morality virtue marriage and the family has gradually come to pass all of which will lead to the enslavement and ultimate destruction of mankind
