Famille Lafrique Sauvage Laurent Baheux:

Album de famille de l'Afrique sauvage Laurent Baheux, 2015 Many have tried to convey the true spirit of Africa's animals in words, photography or in music. There may be no challenge greater. Africa's fauna are vast in number and rich in diversity. In this finely crafted collection, French photographer Laurent Baheux uses the medium of black and white photography to capture the intricate details of both the wondrous beasts and the magnificent settings in which they dwell. This wide-ranging volume lays particular emphasis on his subjects' individual spirits, revealing all of their vulnerability while losing nothing of their raw vitality. Every photograph is so carefully composed and well lit that the details equal the evocative precision of an Old Masters portrait. Through Baheux's eyes, we get close to the creatures that will both inspire and humble us all. *The Family Album of Wild Africa*, 2015
