True she has a sexy photographer boyfriend but he's usually off shooting a dogsled race in Alaska or a vision quest in Peru or just hooking up with other girls. However she's sure her new assignment to the ashrams of India will change everything. What she finds though is an ashram run by investment bankers, a model obsessed guru, tantra parties and silent retreats. India it turns out is not the spiritual refuge she'd pictured. But she finds a friend in Devi Das, a redheaded sadhu who refers to himself as we. And when a holy lunatic on the street offers her an enigmatic blessing, Amanda realizes a new life may be in store for her, just not the one she was expecting.

Masters of Belief Felipe Zimmer, 2019-03-07. Imagine taking all the distractions away: technology, your job, your car, your books, and even the people you meet daily. Picture all of them temporarily out of your life. Don't worry, they'll be back. But imagine living without distraction for several months. What would you come across? Perhaps you would rediscover your beliefs, feelings, and needs, things of which you were not conscious due to life distractions. That is what author and speaker Felipe Zimmer did when he retreated to a house in the thick of nature in an effort to discover himself on a deeper level and rediscover humanity as a whole. By looking at existence from beyond the mental meanderings of daily life, Felipe's consciousness expanded and he was struck by inspiration, not of this world but from what is beyond. As an analogy, what if we thought Earth was all there is? Then what if we received the opportunity to visit the rest of the universe? Masters of Belief is that universe as we look beyond the every day to make contact with a higher power. Exploring subjects like spirituality, mind, life, death, relationships, and much more, this book won't tell you what to believe but it might help you understand your own beliefs and guide you through the process of remembering who you are.

**Mother with Child** Annette Marian, 2015-06-26. Mother with Child. This book is written for all Parents expecting their miraculous Gift from God. Each little one is a uniquely precious inspiration of God's love that has taken form in flesh with a soul perfectly formed by God. That soul is the mark of the Creator and our connection to the Blessed Trinity. Your Baby is not just a Gift to hold and nurture; this little one is and holds the spark of God within. This child has a soul that will live forever, an eternal connection to God. The goal of this book is to inspire Parents to grow in faith, hope, and love as they await the birth of their child. Through Holy Scripture, God builds us up in what we need. All parents need to be encouraged, strengthened, and equipped so as to impart these treasures of truth and wisdom to their children. Then each generation will grow deeper in faith, character, and in God's virtues. The intent and design of the book is to reach two audiences: To encourage those that recognize the Gift of Life that they have been given to grow deeper in God's wisdom so as to impart His knowledge to the next generation. In addition, this book was equally written for those that may feel lost where life seems to just be a whirl of confusion and despair. Hope still pervades, and God always inspires us to seek His Truth. Both situations must be addressed since the same Lord made all of us, and He loves each one of us. God always has the perfect solution to repair and to build us UP. Do all in love. I Corinthians 16:14. This unique and inspirational book provides Scriptural encouragement to mothers.

during their nine months of pregnancy At a time when a woman really needs encouragement the Mother with Child book provides unparalleled support This perfect gift for an expectant mother cannot be highly recommended enough Steve Wood Family Life Center International Host of EWTNs Carpenters Shop Perfect Chaos Carol Leonard,2015-10-01 Based on a true story this tale is about a screenwriter who quits her job to follow her dreams She s trying to use positive thinking to reach her goals It doesn t work out too well for her and she feels lost confused and hopeless
