Enlist Invitation Become More Christian:

Enlisting for Christ and the Church Howard Agnew Johnston, 1919 *Enlist* Tim Walk, 2015-12-07 Increasingly people are walking away from the church and their Christian faith more than ever before This is not a media another religion or a political problem It is a direct result of the lack of Biblical adherence most Christians encounter What a person reads in the Bible is not what they experience in church in the lives of their Christian friends or in their own lives Enlist invites the reader to come back to the mission Jesus challenged each and every follower to become a disciple or as Paul described a fellow soldier in Christ No More Christian Nice Guy Paul Coughlin, 2016-07-05 Revised and Expanded Edition of a Life Changing Book Recovering nice guy Paul Coughlin points the way for all men who yearn to live a life of boldness and conviction like Jesus Using anecdotes from his own life powerful and poignant stories and vivid examples from our culture Coughlin shows how men can say no to the nice guy syndrome and yes to a life of purpose passion and vitality In this revised and expanded edition Coughlin adds vital insights on the changes he s seen in churches and the greater culture in the decade since No More Christian Nice Guy was first published This radical and hopeful message elevates the true biblical model of manhood and now includes testimonials from men and women whose lives have been altered by this book Coughlin also looks at the shifting expectations men face in relationships and in the workplace and how younger Christians in particular are subject to harmful views about masculinity Part inspiration part instruction and part manifesto this book gives men the courage to move from passivity to assertiveness **The Journal and Messenger** ,1918 **Messenger and Visitor** ,1919
