Faithful To The End An Introduction To Hebrews Through Revelation:

Faithful to the End Terry L. Wilder, J. Daryl Charles, Kendell H. Easley, 2007 Faithful to the End provides fresh classroom ready introduction to Hebrews through Revelation emphasizing each of these New Testament book's theme of perseverance in the faith The Faithfulness of Jesus the Messiah Walter D. Zorn, 2020-10-26 Strange how one little word the Greek word *pistis* can make a profound difference in understanding the Bible *Pistis* is usually translated faith but in different contexts of the New Testament the word can have several other meanings such as faithfulness trustworthiness solemn promise or oath proof or pledge conviction and doctrine of the Christian faith This book will challenge the reader's understanding of Paul's expression *pistis Christou* faith faithfulness of Christ and the use of the *pistis* word group verb noun and adjective throughout the New Testament Given the Old Testament background to this word one will learn how the apostle Paul utilized an obscure phrase from the prophet Habakkuk to refer to a coming Messiah who in turn lived in faithfulness to the Father's will to die on a cross for the sins of the world This book will reveal how the gospel is emphasized throughout the New Testament in terms of the faithfulness of Jesus the Messiah New and fresh interpretations of various texts will challenge the traditional understandings of such texts When a person comprehends *pistis* as God's faithfulness and the Messiah's faithfulness the only human response is *pistis* itself meaning faithfulness as described in Hebrews 11 God is faithful and Jesus is faithful Will he find us faithful An Introduction to the Catholic Epistles Darian Lockett, 2011-11-17 This book introduces the Epistles and discusses the different interpretive approaches which have been used to gain a clearer understanding of them An introductory chapter defines the Epistles and describes the history of their canonization following chapters are devoted to each of the texts with each chapter including 1 historical cultural background 2 the social scientific context 3 social rhetorical purposes 4 narrative discourse 5 postcolonial and 6 feminist insights and finally 7 theological perspectives At the end of each chapter there are suggestions for further reading and a list of reflection questions Several chapters include a section or two considering a particular interpretive issue especially relevant to the particular text After taking up each text Lockett considers again whether the Epistles are a unified whole or to be heard as individual voices Here the book interacts with some of the ideas of Rob Wall and David Nienhuis regarding the various thematic theological connections running through the texts A final chapter takes up the relationship between the Pauline Epistles and the Catholic Epistles within the New Testament *Reading the Epistles of James, Peter, John & Jude as Scripture* David Nienhuis, Robert W. Wall, 2013-12-19 Through a detailed examination of the historical shaping and final canonical shape of seven oft neglected New Testament letters *Reading the Epistles of James Peter John and Jude as Scripture* introduces readers to the historical literary and theological integrity of this indispensable apostolic witness While most scholars today interpret biblical texts in terms of their individual historical points of composition David Nienhuis and Robert Wall argue that a theological approach to this part of Scripture is better served by attending to these texts historical point of canonization those key moments in the

ancient church's life when apostolic writings were grouped together to maximize the Spirit's communication of the apostolic rule of faith to believers everywhere Reading the Epistles of James Peter John and Jude as Scripture is the only treatment of the Catholic Epistles that approaches these seven letters as an intentionally designed and theologically coherent canonical collection

The Catholic Epistles: Critical Readings Darian Lockett, 2021-02-11 This reference volume aims to be a kind of comprehensive status quaestionis for the Catholic Epistles Here Darian Lockett has collected some of the highest quality scholarship centred upon the Letters of James Peter John and Jude creating an introduction and orientation to the wide ranging avenues of scholarly investigation into these New Testament texts all in a single volume Divided into four distinct sections the volume begins with an analysis of the Catholic Epistles as a collection before moving to discuss historical critical and theological studies methodological approaches and finally reception history Taking care to situate foundational essays in the history of scholarship that may be hard to find or contextualize Lockett offers a brief introduction to each section and draws each section to a close by providing a list of annotated readings which prompt further study and engagement with some of the last literature to be settled upon in the New Testament canon

Jude on the Attack

Alexandra Robinson, 2017-12-14 Alexandra Robinson examines the letter of Jude in the light of repeated scholarly references to this source as an invective a polemic and an attack speech with a dependence on both Jewish and Greco Roman sources Moving beyond the Hellenism Judaism divide Robinson specifies what these elements are and how they relate to the harsh nature of the discourse This study shows how where and why Jude borrows from these contemporary genres with a detailed survey of Greco Roman invectives and Jewish judgement oracles comparing and contrasting them to the epistle of Jude with consideration of structure aims themes and style Robinson argues that Jude has constructed a Jewish invective and that his epistle is a polemical text which takes the form structure aims and style of a typical Greco Roman invective but is filled with Jewish content themes and allusions drawing on Israel's heritage for the benefit of his primarily Jewish Christian audience

Covenantal Dispensationalism Matthew Stamper, 2010-03-23 Covenantal Dispensationalism reviews the history and development of Covenant Theology and Dispensationalism along the way highlighting the strengths and weaknesses of each hermeneutical system This work illustrates how the two sides have grown apart and seeks to reconcile the two by appealing to common theological concepts the two schools share as well as providing critique where one side has better evidence for a particular point of doctrine

Perspectives on Our Struggle with Sin Terry L. Wilder, 2011-10-14 A point counterpoint discussion of Paul's words about sin in Romans 7 and whether they describe his pre Christian or post conversion self or the broader idea of the human being confronted with the Law

Letters from the Pillar Apostles Darian R Lockett, 2017-11-30 Rather than reading the Catholic Epistles in isolation from each other understanding their individual historical situations as the single determinative context for their interpretation this study argues that a proper understanding of these seven letters must equally attend to their collection and placement within the New Testament canon Resisting the

judgment of much of historical critical analysis of the New Testament namely that the concept of canon actually obscures the meaning of these texts it is the canonical process by which the texts were composed redacted collected arranged and fixed in a final canonical form that constitutes a necessary interpretive context for these seven letters This study argues that through reception history and paratextual and compositional evidence one can discern a collection consciousness within the Catholic Epistles such that they should be read and interpreted as an intentional discrete canonical sub collection set within the New Testament Furthermore the work argues that such collection consciousness though not necessarily in the preview of the original authors being perhaps unforeseen yet not unintended is neither anachronistic to the meaning of the letters nor antagonistic to their composition In Defense of the Bible Steven B. Cowan, Terry L. Wilder, 2018-11-26 In Defense of the Bible gathers exceptional articles by accomplished scholars Paul Copan William A Dembski Mary Jo Sharp Darrell L Bock etc addressing and responding to all of the major contemporary challenges to the divine inspiration and authority of Scripture

The Jewish Apocalyptic Tradition and the Shaping of New Testament Thought Benjamin E. Reynolds, Loren T. Stuckenbruck, 2017-04-01 The contemporary study of Jewish apocalypticism today recognizes the wealth and diversity of ancient traditions concerned with the unveiling of heavenly matters understood to involve revealed wisdom the revealed resolution of time and revealed cosmology in marked contrast to an earlier focus on eschatology as such The shift in focus has had a more direct impact on the study of ancient pseudepigraphic literature however than in New Testament studies where the narrower focus on eschatological expectation remains dominant In this Companion an international team of scholars draws out the implications of the newest scholarship for the variety of New Testament writings Each entry presses the boundaries of current discussion regarding the nature of apocalypticism in application to a particular New Testament author The cumulative effect is to reveal as never before early Christianity its Christology cosmology and eschatology as expressions of tendencies in Second Temple Judaism

The Drama of Preaching Eric B. Watkins, 2017-02-16 Preaching is dramatic Through it we hear the voice of the living God as he speaks to us both through the reading and the preaching of the word of God But where do the hearers of sermons fit into the drama This book suggests ways in which the drama metaphor may help to address age old questions about the centrality of the gospel and the place of the hearer in preaching As God in Christ is the central character in the biblical drama of redemption he also calls hearers to understand their role in creatively yet faithfully living according to the biblical script Thus no sermon is complete until God's redemptive work is powerfully proclaimed and his people are instructed in how they too are participating in the Missio Dei In this work Hebrews 11 is employed as a means of showing how God not only reveals his redemptive work to his people but also through them As postmodernism sets the stage of contemporary preaching The Drama of Preaching interacts with some of the particular challenges preachers face in engaging postmodern listeners that they might not only be hearers but doers of the preached word
