**The Faithful Apologist** K. Scott Oliphint, 2022-02-22 Rediscover the art of Christian persuasion in an age of increasing unreason For many Christians who've tried their hands at evangelism or have had to defend their faith it can feel like doing PR work for God limiting ourselves to a series of strategies and tactics In *The Faithful Apologist* Scott Oliphint provides a cross centered foundation for Christians to explain their faith in a welcoming and persuasive manner that avoids any burden to sell Christianity to non Christians Drawing as much from the rich tradition of Western apologetics as from the wisdom of effective communication this book bridges the gap between sharing the truth of our faith and the art of persuasion by Laying out the biblical and theological foundations of apologetics Studying the art of persuasion as it's demonstrated in Scripture Linking the discipline of apologetics to the classical art of persuasion As devoted to people as he is to the intellect Reformed theologian Dr Scott Oliphint has written this faithful book to explain the importance of both devotions in apologetics and in Christian correspondence with the world He shows that when our faith is grounded in the Triune God and his sovereignty our attempts to defend it will grow more confident and convincing Accessible and thoroughly rooted in Scripture *The Faithful Apologist* takes the anxiety out of apologetics by revealing that success is not measured in the number of minds we change but in our faithfulness to God the Divine Persuader

Relational Apologetics Michael Sherrard, 2012-09 How do you know that there is a God How do you answer someone who says that truth doesn't exist What do you do when someone asks you how you know that Christianity is the right religion If you are like many people the only answer you can offer is Well I just have faith But to a world that wants to know if God is real this is not a good enough answer Christians must be ready to give a reason a good reason for their hope in Jesus and their lives must be a holy reflection of their message In *Relational Apologetics* Michael C Sherrard seeks to help Christians do just that become holy people that defend Christianity both in word and deed Using stories and drawing upon personal experiences Sherrard teaches the importance of personal holiness treating skeptics with respect engaging in authentic conversations instead of shouting matches and having well thought out answers to the skeptic's questions In the process you'll learn that defending Christianity is as much about who you are and what you do as it is what you say And you will find that your life is intended to be an apologetic for God and a light for men to find Him
