Andrews, 2017-01-04 **What Is Your Choice?** Eric Blake, 2024-02-08 This volume by Eric Blake is one of the most practical and helpful resources I've seen for people who are new in their faith or for those who struggle with doubts about their faith Not just loaded with facts or arguments *What Is Your Choice* reads more like a conversation you're having in a coffee shop with the various contributors who share about their own spiritual journeys God is going to use this book in a powerful way Anthony George senior pastor of First Baptist Atlanta If you are questioning God's character His authority or honestly just have a lot of questions this book is a safe place to ask those questions and receive some answers We remember each going through a season of doubt and feeling so lonely But this book would have been such an incredible resource for us at the time We are confident this book will aid you in your journey with God Nick and Chelsea Hurst authors of *Marriage Minded* I have had the pleasure of talking to Dr Blake several times and I can truly see God's light shining through him This book clearly and thoroughly answers some of the most asked questions about the Christian faith and God's Word and I can attest that Dr Blake lives his life in accordance to what he writes Being easily comprehensible for the nonbeliever who is curious about the foundation of God's Word but thoroughly written for the lifelong Christian who is questioning his or her faith this book is a straight shot to a closer walk with God Carson Peters musician from NBC's *The Voice* I first met Eric when he got plugged into The Journey Church in NYC His reason for doing so I love the way this church is outwardly focused and determined to share the life changing Gospel of Jesus Christ with New York City Eric is determined to use his life and

giftedness not just to share the Gospel but to equip empower and encourage others to do the same because there is nothing more important to give our lives to Acts 20 24 Let this book equip empower and encourage you to share your faith with your family friends and community Kerrick Thomas pastor of The Journey Church NYC Share Jesus Without Fear William Fay,Linda Evans Shepherd,1999-06-01 In recent years the Share Jesus without Fear book and its growing family of ancillary products have sparked a faith sharing movement that continues to gain momentum It began with the jaw dropping story of William Fay once a money driven businessman with Mafia ties who ran a house of prostitution until it was raided by police Facing the threat of jail time Fay turned to Jesus Christ for redemption and ever since has been turning others to Him as well Now featuring a fresh new cover design Share Jesus without Fear relays Fay s passionate effective instructions on how to share the love of Christ with anyone without feeling intimidated on either side of the conversation Bold and joyful the outreach movement continues without fear Connecting with Muslims Fouad Masri,2014-03-31 Offering insights into Muslim culture Fouad Masri addresses seven common questions Muslims ask about Jesus and the Christian faith providing sensitive answers that winsomely guide Muslims to Jesus With real life stories Masri helps readers see Muslims as Jesus sees them without fear with love hope and expectation **Unscripted** Jeff Iorg,2014-05-01 Christ was clear as you go you are to make disciples Imagine what the world might be like if you practiced those simple words as you go Unscripted empowers you to shake off stale evangelism techniques and programs and embrace a way of life that connects you with the spiritual power needed to effectively witness and where meaningful relationships are built through which your witness can flow Imagine the possibilities of what Christ wants to do when you live Unscripted **God Every Day** Mike Lutz,2014-07-30 In his dynamic daily devotional God Every Day pastor and author Mike Lutz provides readers with a spiritually energizing and uplifting start to their day God Every Day is a contemporary and practical daily devotional that will have you waking up eager to hear from God **Perfection** Wendy Bowen,2020-09-21 This course is designed to provoke you to a deeper walk with Christ and function as a living demonstration of God s love and power through Jesus Christ You will learn how to walk in the obedience of faith and the whole counsel of God You will become skilled in the word of righteousness and functioning from the power of the Holy Spirit You will learn what is to come in the days ahead and your place of service in the Body of Christ Each Unit offers Key Questions and a Group Exercise for churches home groups or gatherings of believers who are taking the course together The whole Curriculum can be completed in seven weeks or at your own pace www.manifestinternational.com perfection *The Practical Art of Spiritual Conversation* James Harrison Shultz,David Rogers,2021-03-31 The Practical Art of Spiritual Conversation is about the art of when if and how to engage in a spiritual conversation The whens and the ifs inform the how Christians can be so concerned with how to share the gospel that they often fail to consider where the person is spiritually and when or even if they should share the gospel To be sure the Scriptures are clear that followers of Christ must spread the good news Yet there are times when sharing the gospel would be undeniably inappropriate How then do

gospel centered evangelistic Christians discern when to share Christ or when to stay silent What determines when and if someone is even ready to hear the gospel How does one meaningfully engage a person who has already accepted the gospel Refined through tens of thousands of spiritual encounters this book provides a helpful framework for discerning where a person is spiritually and how to encourage each person to take a step toward Christ regardless of where they may presently be in their faith journey You will be equipped in the practical art of spiritual conversation so that you can meaningfully encourage every person to take a step toward Christ Square 1 Demetris Prewitt,2023-03-10 Countless academic studies Christian leaders and personal experience show a startling and disturbing fact about the church most Christians do not understand their faith Square 1 Bible Study for Christian Foundations explains clearly what the Bible teaches why Christians believe it and how to walk with Jesus The book brings foundational biblical doctrine to life through plain language thought provoking images and challenging application questions for group discussion The purpose of the book is to provide a biblical foundation for the Christian faith worldview and lifestyle So what makes it different Everything starts with God s nature character and attributes Its pages are visually stimulating with color imagery The book does not begin assuming the reader has high biblical literacy or holds Christian worldview and is therefore laced with Christian apologetics Square 1 treats 21st century topics like identity human rights and sexuality as foundational for believers to understand their faith The book tackles end times and the new creation with unbelievable clarity Square 1 is a masterful blend of theological philosophical pastoral apologetical and biblical material At the end of this study the reader should be able to walk out the Christian life in the power of the Holy Spirit in expectation of Christ s return to the praise and glory of the Father They will also be capable of understanding explaining and defending the central claims of Christianity which is the good news of Jesus Christ Square 1 is systematic theology for anybody Conversational Evangelism Norman L. Geisler,David Geisler,2009 Witnessing used to involve laying out the truth and guiding a person to understand and accept it But the awareness of basic Christian principles has changed and so have the needs of pre believers With a passion for people authors David and Norman Geisler share an engaging conversational approach to evangelism as they address What makes old models of witnessing ineffective in today s culture Why evangelism must start with relational pre evangelism How to ask questions listen attentively and understand what someone believes Ways to identify the real barriers to belief in order to build a bridge to truth How to keep dialogue going with different personality types This refreshing practical resource is ideal for churches and individuals Readers will discover how God uses their everyday encounters for great things when they switch from trying to witness effectively to effectively being a witness through communication and compassion **The Heart of the Preacher** Rick Reed,2019-10-09 You can teach the craft but you must first form the heart Many preachers want to preach better but they don t always know how to go about improving and most books on preaching focus on the mechanics of the craft But preaching involves more than the steps from a text to a sermon because every time a preacher stands up to preach their character shines through for

better or for worse In *The Heart of the Preacher* Rick Reed focuses on the personal heart preparation required before any preacher is ready to preach He explores issues preachers often wrestle with like discouragement insecurity and pride He then offers practices to fight these challenges and form a heart that carries the fruit of the Spirit into the pulpit It takes more than a good speaker to preach It takes a Spirit filled person This book will help you check your heart and cultivate the most important aspect of preaching your character *Relational Evangelism* Dr. Kofi Peter Effa, 2021-11-19 For God so love the world that he gave his one and only Son that whoever believes in him shall not perish but have eternal life John 3 16 How then can they call on the one they have not believed in And how can they believe in the one of whom they have not heard And how can they hear without someone preaching to them or sharing their faith Romans 10 14 Relational evangelism therefore focuses on cultivating and building relationships with non Christians and unbelieving neighbors with the intent of winning them to Christ Different types of evangelistic methods have been used in past generations However in today s culture of individualism and isolationism relational evangelism provides the best approach to bring people to Christ The truth of the matter is that people normally pay no attention to strangers however they open up once they become comfortable with you through a relationship that has developed over time The clock is fast ticking Christ Jesus is on his way Soldiers of Christ let s get the world saved and be ready for him appearing **The Attractional Church** Billy Hornsby, 2011-02-16 Every church leader and church member want their church to grow The promise of The Attraction Church is that if a church experience is positive the lost absent and unfilled will come and complacent people in the pew will have their faith renewed Author Billy Hornsby says that what keeps most churches from growing are the methods they choose for their outreach efforts The local church must ensure visitors and members alike a good and lasting impression of their experience in church especially the worship service You must get the first impression right Hornsby insists From the website Facebook page Twitter accounts leadership blogs and parking lot to the worship facility and worship service the total church experience must speak to people s emotions and be relational and relevant The Attraction Church is both motivational and practical with guidance on how to accomplish this transformation and also presents case studies of some of the fastest growing and most innovative churches in America Here is a fresh vision for what the church can be *The Parish Handbook* Bob Mayo, 2016-12-07 Making clear that it is ordinary living which is at the heart of parish life Bob Mayo provides an important and accessible resource for all involved in church leadership *Winning Ways to Witness* David Hartman, 2023-07-01 In *Winning Ways to Witness* David Hartman offers practical guidance on reaching others for Christ by using one of seven witnessing styles prayer friendship service testimony invitation conversation and proclamation Each style is explored in depth encouraging readers to choose the approach that best fits their temperament Hartman also emphasizes adapting one s witness to the unique faith journeys of others making evangelism a more personalized and respectful experience for everyone involved The book covers essentials like sharing the gospel giving personal testimonies leading simple Bible studies and even preaching evangelistic series It

encourages a lifestyle of evangelism both individually and within church communities Each chapter concludes with discussion questions making this an ideal resource for small groups or church training Through practical advice biblical examples and relatable stories Hartman equips readers to witness with confidence and joy This book is designed to spark a witnessing revolution in your life and church
