**Conversations with Gordon Lish** David Winters, Jason Lucarelli, 2018-05-29 Known as Captain Fiction Gordon Lish b 1934 is among the most influential and controversial figures in modern American letters As an editor at *Esquire* 1969 1977 *Alfred A Knopf* 1977 1994 and *The Quarterly* 1987 1995 and as a teacher both in and outside the university system he has worked closely with many of the most pioneering writers of recent times including Raymond Carver Don DeLillo Barry Hannah Amy Hempel Sam Lipsyte and Ben Marcus A prolific author of stories and novels Lish has also won a cult following for his own fiction earning comparisons with Gertrude Stein and Samuel

Beckett Conversations with Gordon Lish collects all of Lish's major interviews covering the entire span of his extraordinary career. Ranging from 1965 to 2015, these interviews document his pivotal role in the period's defining developments: the impact of the Californian counterculture, the rise and decline of so-called literary minimalism, dramatic transformations in book and magazine publishing, and the ongoing growth of creative writing instruction. Over time, Lish, a self-described dynamic conversationalist, forges an evolving conversation not only with his interviewers but with the central trends of twentieth-century literary history. This book will be essential reading not only for students and fans of contemporary fiction but for writers too. Included are several interviews in which Lish discusses his legendary writing classes. Indeed, these pieces themselves amount to a masterclass in Lishian literary language; each is a work of art in its own right. *The Indian in American Southern Literature* Melanie Benson Taylor, 2020-07-16 Explores the abundance of Native American representations in US Southern literature. *South Toward Home: Travels in Southern Literature* Margaret Eby, 2015-09-08 Fascinating Eby lyrically uncovers a bit of the magic that makes a Southern writer Southern. Josh Steele Entertainment Weekly: What is it about the South that has inspired so much of America's greatest literature? And why do we think of the authors it influenced not just as writers but as Southern writers? In *South Toward Home*, Margaret Eby goes in search of answers to these questions, visiting the stomping grounds of ten Southern authors, including William Faulkner, Eudora Welty, Richard Wright, Truman Capote, Harper Lee, and Flannery O'Connor. Combining biographical detail with expert criticism, Eby delivers a rich and evocative tribute to the literary South. **Dangerous Innocence** William P. Murray, 2024-04-03 *Dangerous Innocence* investigates how prevailing constructions of white masculinity in the U.S. South help feed and reinforce systems of racial inequity. Tracing the rise of the southern outsider in literature and on television from 1960 to 2020, William P. Murray probes white Americans' enduring desire to assert their own blamelessness, even though such acts of self-justification facilitate continued violence against historically oppressed populations. *Dangerous Innocence* courses from popular television such as *The Andy Griffith Show* and *The Waltons* through influential fiction by Eudora Welty, Walker Percy, and other prominent southern authors, alongside forceful challenges voiced by Black writers including Chester Himes and Ernest Gaines, before turning to works created after the September 11 attacks that reinscribe cultural logics predicated on protecting white innocence and power. Concluding on a note of praxis, *Dangerous Innocence* argues that reattaching southern outsiders to a communal identity encourages an honest assessment about what whiteness represents and what it means to belong to a nation steeped in commitments to white supremacy. *Barry Hannah* Ruth D. Weston, 2005-07-15 A thematic tour of the complete works from this exceptional southern writer. *Postregional Fictions* Clare Chadd, 2021-07-07 Drawing from recent debates about the validity of regional studies and skepticism surrounding the efficacy of the concept of authenticity, Clare Chadd's *Postregional Fictions* focuses on questions of southern regional authenticity in fiction published by Barry Hannah from 1972 to 2001. The first monograph on the Mississippi author's work to appear since his death, this

study considers the ways in which Hannah's novels and short stories challenge established conceptual understandings of the U S South. Hannah's writing often features elements of metafiction through which the putative sense of southernness his stories dramatize is complicated by an intense self reflexivity about the extent to which a sense of place has never been foundational or essential but has always been constructed and performed. Such texts locate a productive terrain between the local and the global with particular relevance for critical apprehensions of the post South and postsouthern literature. Offering sustained close readings of selected stories and focusing especially on Hannah's late work Chadd argues that his fiction reveals the region constantly shifting in a process of mythmaking dialogue and performance. In turn she uses Hannah's work to suggest how notions of the South and southernness might survive the various deconstructive approaches leveled against them in recent decades of southern studies scholarship. Rather than seeing an impasse between the regional and the global Chadd's reading of Hannah shows the two existing and flourishing in tandem. In *Postregional Fictions* Chadd offers a new interpretation of Hannah based on an appreciation of the vital intersection of southern and postmodern elements in his work.

[The Secret History](#) by Donna Tartt. Conversation Starters: A Brief Look Inside The Secret History. Donna Tartt's first novel tells the story of social class, murder, and guilt. Richard, an unhappy young man living in California, relocates to Vermont to study at Hampden College. He hopes to continue his Greek studies. However, the Classics course he wants to take is highly selective; only the most impressive students are able to find their way in. If he is going to enter the class, he must get the attention and win over the group's leader, Professor Julian Morrow. Eventually, Richard becomes friends with the members of the Classics course. What he discovers, however, is that the group is full of secrets, lies, and multiple murders.

[The Secret History](#) by Donna Tartt became an instant bestseller upon its release in 1992 and continues to attract readers worldwide.
