Convertible Roof Manual:

Convertible Top Restoration and Installation Fred Mattson, 2019-05-13 There's an old saying we've all heard before that goes "When the top goes down the price goes up." Of all the projects involved with the restoration of your collector car few seem as challenging or confusing as addressing the convertible top. Due to aging and neglect the hardware and fabric covering have led to some not so nice conditions making it difficult to find information addressing your specific model. Fred Mattson, author of *Automotive Upholstery and Interior Restoration* delivers this compilation on restoring and repairing convertible tops. Step by step photo sequencing walks you through convertible top applications for Corvettes, Ford retractable tops, scissors tops, manual tops and power tops. Fred also addresses the weather seals, well liners, hydraulic electrical systems, adjustments, materials and pads. No other book ever produced on convertible tops goes into this much depth of coverage. With this book you will be guided through the convertible top repair/restoration process in an easy to read how to format so there should be no reason to fear taking your drop top out with the threat of rain. *Convertible Top Restoration and Installation* will be the one tool that will show you how important a well sorted top restoration is not only for practical reasons such as staying dry but for cosmetic reasons as well.

VW GTI, Golf, Jetta, MK III & IV Kevin Clemens, Volkswagen's GTI, Golf and Jetta are long time favorites among sport compact performance enthusiasts. With engines ranging from the 2.0 liter naturally aspirated four cylinder to the 1.8 liter turbo 4 to the VR6 the Mk III and Mk IV generations 1993-2004 offer tuners a wealth of opportunities. This book turns these opportunities into realities from deciding which vehicle to buy to keeping it running in tip top condition to enhancing the performance and appearance of your VW. Focusing on the engine, wheels and tires, suspension, body kits, interiors and more each project includes straightforward instruction along with details about the necessary parts, cost, time and skill. If you want to get the biggest bang for your VW buck this book is your road map.

Chevelle SS Restoration Guide, 1964-1972 Paul A. Herd, Get all the details exactly right on engines, frames, suspension, exterior, interior and more. Includes all the vital numbers to assure authenticity including original parts numbers. Don't settle for less. Your Super Sport deserves the best. Important features in this book include 350 photos and diagrams. *Collector Car News*.

Standard Catalog of Chevrolet, 1912-2003 John Gunnell, 2011-10-21 The *Standard Catalog of Chevrolet 1912-2003* delivers everything a Chevy enthusiast or historian needs. You'll find 448 pages packed with more than 2,000 photos, history, production figures and updated pricing information. The *Standard Catalog of Chevrolet 1912-2003* includes a current market price guide showing values in *Old Cars Report Price Guide's* comprehensive 1 to 6 grading scale. Complete year by year model listings with history and technical details. Thousands of photos for easy model identification. Option lists, engine information, original pricing and production information. This book is a MUST for everyone that loves Chevys.

Automotive Upholstery & Interior Restoration Fred Mattson, 2017-09-15 After disassembling and gutting your car it is easy to feel that you're in way over your head when it comes to the upholstery. This is why so many do it yourself.

restorers outsource the work at considerable expense to an experienced upholstery shop Taking the time to acquire the skills for upholstery restoration may feel like a daunting task but what if an experienced upholsterer presented every skill you needed to restore upholstery yourself Starting with a list of necessary tools author Fred Mattson guides you through all the required tasks including seat restoration door panel removal patterning assembly and installation headliner removal and installation carpet cutting and even convertible top restoration The easy to follow step by step presentation allows for a thorough understanding of all the processes Every photo in this book provides a hands on approach that shows you how to repair and restore a car s interior to concours show quality specifications Other restoration books may show you beautifully restored interiors but they don t show you how to produce them This book helps you develop the skills needed with instruction from a professional upholsterer saving you thousands of dollars over outsourcing the restoration If you are interested in saving money doing a complete restoration yourself or simply want to know how it s done this book is a handy addition to your automotive library
