Elements Of Christian Symbolism The Elements Of Series:

The Elements of Christian Symbolism John Baldock, 1997 An exploratory journey through Christian symbolism in its broadest sense A handy reference for scholar student and lay person alike

The Language of War Monuments David Machin, Gill Abousnnouga, 2013-10-10 This book analyses war monuments by developing a multimodal social semiotic approach to understand how they communicate as three dimensional objects The book provides a practical tool kit approach to how critical multimodal social semiotics should be done through visual textual and material analysis It ties this material analysis into the social and political contexts of production Using examples across the 20th and 21st century the book s chapters offer a way of analysing the way that monument designers have used specific semiotic choices in terms of things like iconography objects shape form angularity height materials and surface realisation to place representations of war in public places across Britain This social semiotic approach to the study of war monuments serves three innovative purposes First it provides a contribution to the work on the ideological representations of war in Media and Cultural Studies and in Critical Discourse Analysis applied specifically to more banal realisations of discourse Second it responds to calls by historians for innovative ways to study war commemoration by providing an approach that offers both specific analysis of the objects and attends to matters of design Thirdly following in the relatively recent tradition of multimodal analysis the arguments draw on the ideas of Kress and van Leeuwen 1996 2001 adapting and extending their theories and models to the analysis of British commemorative war monuments in order to develop a multimodal framework for the analysis of three dimensional objects

A Dictionary of Symbols J. E. Cirlot, 2023-07-11 This classic encyclopedia of symbols by the renowned Spanish poet illuminates the imagery of myth modern psychology literature and art J E Cirlot s A Dictionary of Symbols is a feat of scholarship an act of the imagination and a tool for contemplation as well as a work of literature a reference book that is as indispensable as it is brilliant and learned Cirlot was a composer poet critic and champion of modern art whose interest in surrealism helped introduce him to the study of symbolism This volume explores the space between the world at large and the world within where nothing is meaningless and everything is in some way related to something else Running from abandonment to zone by way of flute and whip spanning the cultures of the world and including a wealth of visual images to further bring the reality of the symbol home A Dictionary of Symbols is a luminous and illuminating investigation of the works of eternity in time

Martin,2021-05-15 The Tsar s Happy Occasion shows how the vast ornate affairs that were royal weddings in early modern Russia were choreographed to broadcast powerful images of monarchy and dynasty Processions and speeches emphasized dynastic continuity and legitimacy Fertility rites blended Christian and pre Christian symbols to assure the birth of heirs Gift exchanges created and affirmed social solidarity among the elite The bride performed rituals that integrated herself and her family into the inner circle of the court Using an array of archival sources Russell E Martin demonstrates how royal weddings reflected and shaped court politics during a time of dramatic cultural and dynastic change As Martin shows

the rites of passage in these ceremonies were dazzling displays of monarchical power unlike any other ritual at the Muscovite court And as dynasties came and went and the political culture evolved so too did wedding rituals Martin relates how Peter the Great first mocked then remade wedding rituals to symbolize and empower his efforts to westernize Russia After Peter the two branches of the Romanov dynasty used weddings to solidify their claims to the throne The Tsar s Happy Occasion offers a sweeping yet penetrating cultural history of the power of rituals and the rituals of power in early modern Russia
