

The background of the book cover is a dark, deep blue or black. It features a complex, artistic representation of electromagnetic fields. Numerous thin, glowing lines in shades of orange, yellow, and light blue curve and swirl across the frame, creating a sense of dynamic energy and movement. These lines appear to emanate from or converge towards a central point. On the left side, there is a bright, out-of-focus light source that creates a soft, glowing yellow and white halo, resembling a distant star or a light flare. The overall aesthetic is scientific and futuristic.
