EdPsych Modules Cheryl Cisero Durwin, Marla Reese-Weber, 2016-12-01 Now with SAGE Publications Cheryl Cisero Durwin and Marla Reese Weber s EdPsych Modules uses an innovative implementation of case studies and a modular format to address the challenge of effectively connecting theory and research to practice Each module is a succinct stand alone topic that represents every subject found in traditional chapter texts and can be used in any order for maximum flexibility in organizing your course Each of the book s eight units of modules begins with a set of four case studies early childhood elementary middle school and secondary and ends with Assess and Reflect and Evaluate questions and activities to encourage comprehension and application of the research and theories presented The case approach and the extensive pedagogy that support it allows students to constantly see the applications of the theories and research that they are studying in the text

The Coddling of the American Mind Greg Lukianoff, Jonathan Haidt, 2018-09-04 New York Times Bestseller Finalist for the 2018 National Book Critics Circle Award in Nonfiction A New York Times Notable Book Bloomberg Best Book of 2018 One of Bill Gates s Top Five Books of All Time Their distinctive contribution to the higher education debate is to meet safetyism on its own psychological turf Lukianoff and Haidt tell us that safetyism undermines the freedom of inquiry and speech that are indispensable to universities Jonathan Marks Commentary The remedies the book outlines should be considered on college campuses among parents of current and future students and by anyone longing for a more sane society Pittsburgh Post Gazette Something has been going wrong on many college campuses in the last few years Speakers are shouted down Students and professors say they are walking on eggshells and are afraid to speak honestly Rates of anxiety depression and suicide are rising on campus as well as nationally How did this happen First Amendment expert Greg Lukianoff and social psychologist Jonathan Haidt author of The Anxious Generation show how the new problems on campus

have their origins in three terrible ideas that have become increasingly woven into American childhood and education What doesn't kill you makes you weaker always trust your feelings and life is a battle between good people and evil people These three Great Untruths contradict basic psychological principles about well being and ancient wisdom from many cultures Embracing these untruths and the resulting culture of safetyism interferes with young people's social emotional and intellectual development It makes it harder for them to become autonomous adults who are able to navigate the bumpy road of life Lukianoff and Haidt investigate the many social trends that have intersected to promote the spread of these untruths They explore changes in childhood such as the rise of fearful parenting the decline of unsupervised child directed play and the new world of social media that has engulfed teenagers in the last decade They examine changes on campus including the corporatization of universities and the emergence of new ideas about identity and justice They situate the conflicts on campus within the context of America's rapidly rising political polarization and dysfunction This is a book for anyone who is confused by what is happening on college campuses today or has children or is concerned about the growing inability of Americans to live work and cooperate across party lines
