

## Prayer for a Child's First Communion

Lord Jesus,

Bless the children coming forward  
to receive Holy Communion for the  
first time.

May this day be an initial step  
into a life-long love of the Eucharist.

Give them a hunger for this sacred  
food so that they turn to you for  
comfort, guidance, and wisdom  
as they grow into full discipleship.

Thank you for their innocence and  
goodness.

May their hands, extended in  
anticipation of your Body and Blood,  
inspire all of us to cherish this sacred  
sacrament.

The Children of God Ruth Wangerin, 1993-11-19 Wangerin examines one small symbolic revolution against American capitalist culture It was carried out by youth who were painfully and personally aware of the problems of what they called the System though they did not necessarily understand the underlying causes of their problems They called themselves the Children of God Wangerin studied the Children of God from 1973-1978 in the United States Mexico and Italy and has kept in touch with some of them ever since This is one of the most thorough studies of the controversial cult founded in 1968 by David Berg and the only ethnography that treats it as a mystical utopian socialist movement

**Fostering Children's Faith** Jeanne Hall, 2012-03-29 Fostering faith in children is a shared privilege and responsibility of parents godparents and the church community We promise our children at baptism that we will support them in their faith formation in the formation of their relationship with God We need to take this promise seriously This book is intended to be an accessible and helpful resource for parents and other adults who seek to foster children's faith This book succinctly explores many ways we can support children's faith formation including our day to day interactions with children the images of God we share with them how we pray together the rituals we create service opportunities we provide music we share together the stories we tell and listen to our celebration of the sacraments and more While this book has a distinctly Roman Catholic orientation much of the content will be relevant for a wider Christian audience Lastly but perhaps most importantly this book is rooted in the conviction that the God we seek relationship with and that we hope to foster our children's relationship with is one who is infinitely loving welcoming and always yearning for deeper connection with us

*Our Lady of Everyday Life* María Del Socorro Castañeda-Liles, 2018-03-01 For Mexican Catholic women in the United States devotion to Our Lady of Guadalupe La Virgen is a necessary aspect of their cultural identity In this masterful ethnography María Del Socorro Castañeda-Liles considers three generations of Mexican origin women between the ages of 18 and 82 She examines the Catholic beliefs the women inherited from their mothers and how these beliefs become the template from which they first learn to see themselves as people of faith She also offers a comprehensive analysis of how Catholicism creates a culture in which Mexican origin women learn how to be good girls in a manner that reduces their agency to rubble Through the nexus of faith and lived experience these women develop a type of Mexican Catholic imagination that helps them challenge the sanctification of shame guilt and aguanté endurance at all cost This imagination allows these women to transgress strict notions of what a good Catholic woman should be while retaining life giving aspects of Catholicism This transgression is most visible in their relationship to La Virgen which is a fluid and deeply engaged process of self awareness

*John Deegan* Louis Romano, The first time author Louis Romano introduced us to John Deegan was in his book *Intercession* the start of the Vic Gonnella series A character that intrigues has a great mind and while being a serial killer still conquers the heart of many readers So who is John Deegan He is John Joseph Deegan the second born of six children to Jack Joseph Deegan and Maureen Duffy Primarily Irish with some German ancestry He grew up in the Bronx New York He was the chosen one Or at least he was made to feel that way by his sainted mother From as early as he could remember he had been determined to be a priest and climb all the way to the Vatican as a cardinal or perhaps even higher His mother was bound and determined to make her son a priest and get herself into heaven In the second grade of Catholic elementary school he became the target and eventually the victim of a pedophile priest This changed the course of his life and the lives of many others as he would tell In high school being the most studious of his class and the most compliant his molester passed him on to his boss the bishop After graduation he was class valedictorian he fulfilled his mother s wishes by attending Villanova University After completing his undergraduate studies he entered the seminary More exposure to sexual deviation forced him to leave and enter the United States Army He wound up due to his so called genius level aptitude being assigned to Special Operations a euphemism for becoming a covert well trained murderer He did such a good job of disguising himself and killing that the government wanted him to stay on and continue his clandestine work Instead he took his so called genius to Wall Street and made millions Sorry he made billions Then I sold everything and retired Now he could do whatever he wanted wherever he wanted

What he really wanted more than anything was revenge I had no wife kids or hobbies He started his mission of vengeance with the first priest who molested him He sent him to the devil by using a hand sharpened wooden crucifix It was beyond straightforward enjoyment He discovered that he liked no he loved killing his molester The decision to continue on a crusade of taking revenge for other children and vulnerable adults took him to the level of being the most wanted serial killer on the planet His killing spree brought him inside the walls of the Vatican and to infamy The more he killed the more he enjoyed it
