Complete in One Volume** Walter Scott, 1831 [The Book of Zechariah](#) Mark J. Boda, 2016-01-25 Over the centuries the prophetic book of Zechariah has suffered from accusations of obscurity and has frustrated readers seeking to unlock its treasures This work by Mark Boda provides insightful commentary on Zechariah with great sensitivity to its historical literary and theological dimensions Including a fresh translation of Zechariah from the original Hebrew Boda delivers deep and thorough reflection on a too often neglected book of the Old Testament **The Apocalypse Unveiled; an Analysis ... of the Visions Contained in the Book of the Revelation** James Young (Minister of the Free Church, of Edinburgh.), 1851 *Vol Iv an Inaccessible Mormon Zion* John J. Hammond, 2012-09 AN INACCESSIBLE MORMON ZION EXPULSION FROM JACKSON COUNTY This is Volume IV of an epic multi volume work entitled The Quest for the New Jerusalem A Mormon Generation Saga which combines family Mormon

and American history focusing upon how the author's ancestors were affected by their conversion to the Mormon religion. In Volume I four of the author's ancestral families the Carters Hammonds Knowltons and Spencer's and the ancestors of Mormon Church founders Joseph Smith and Brigham Young are followed from the time they enter the Massachusetts Bay Colony in New England in the 1600s down to the early 1800s. Toward the end of Volume I the focus is upon Joseph Smith and his family including their move from Vermont to western New York and their religious and occult magic worldviews. Volume II takes up the narrative at about the year 1820 and involves a detailed comprehensive and critical look at the events in the life of Joseph Smith Jr during the decade in which he purportedly was visited by numerous heavenly messengers received the golden plates translated the writing on the plates to produce the Book of Mormon received priesthood authority from other heavenly messengers published the Book of Mormon and organized the Mormon Church. There is a detailed examination of the contentious debate concerning the authenticity of the Book of Mormon and the validity of Smith's 1820s visionary experiences. The later chapters describe the movement of Church headquarters from western New York to northeastern Ohio in early 1831. Smith's interest in western Missouri as the site for his New Jerusalem Zion and the conversion of the author's direct ancestor Simeon Daggett Carter. Volume III roughly covers Mormon history for the years 1831-33 and describes the influence of Sidney Rigdon and many other Ohio Campbellites Disciples of Christ Church members on the early Mormon Church. Numerous Joseph Smith revelations designate Jackson County Missouri as the New Jerusalem Zion the place where the Second Coming of Christ will soon take place. However Smith chooses to live instead in Kirtland Ohio and serious disagreements and tensions develop between Smith in Ohio and Missouri Mormon leaders. Smith begins construction of a temple in Kirtland and angry Missourians rise up in the summer of 1833 and violently expel the Mormons from Jackson County. They are given temporary sanctuary mainly in Clay County located across the Missouri River to the north. Volume IV describes the expulsion of Mormons from Jackson County the efforts of Missouri state officials to deal with the explosive situation and Smith's attempt to explain why his Missouri Zion is now off limits to Mormons although the Lord purportedly has designated it as the site for the hallowed New Jerusalem and imminent Second Coming of Christ. Smith recruits a Mormon army Zion's Camp and leads it from Ohio to western Missouri in an unsuccessful effort to forcefully redeem Zion and fourteen members of the camp die of cholera at the end of the trek including one of the author's Carter ancestors. There are serious recriminations against Smith within the Mormon Church on account of the total failure of this military venture and a member of the Kirtland High Council Sylvester Smith brings formal charges against him. In the trial however the accuser quickly becomes the accused and to avoid excommunication Sylvester is forced to apologize profusely for his false accusations against The Prophet. A disgruntled excommunicated Mormon Doctor Philastus Hurlbut travels to western New York in late 1833 and collects numerous affidavits from residents of the Palmyra Manchester area alleging that the young Joseph Smith his father and some of his brothers engaged in illegal occult treasure seer treasurer digging activities during

the 1820s and were lazy and dishonest Many of these affidavits are published by Pain

Zechariah and the Creator Lord Jesus Christ Dale M. Presley, 2001-04 Zechariah the Creator LORD Jesus Christ is the third verse by verse commentary that the author has published on a Bible book The first book Way Truth Life is a complete commentary on the book of Revelation Way Truth Life contains an introduction and four chapters that very simply explain the most complex theological issues and has a scripture indexed Chronology Chart of the 7 year Tribulation The second book Daniel the Creator LORD Jesus Christ is a complete commentary on the book of Daniel All of the author's interpretations of scripture are based upon the most literal meaning of all passages of scripture that can be made without violating the true meaning of other scriptures contained elsewhere in the sixty six books of God's Holy Word All of the author's books are liberally supplied with scripture references so that the reader can verify the truthfulness of the commentary as he or she proceeds The book of Zechariah deals with what is happening in our own day perhaps more than any other Old Testament book However because the book of Zechariah is written in highly apocalyptic language much like the book of Revelation it is little understood by most Bible students The author has therefore taken great care to include commentary on related passages of scripture in order to explain the meaning of every verse of this magnificent book in the simplest most understandable terms possible In addition a table is included that shows the time being referred to by every verse of the book of Zechariah Since so much of Israel's history was accurately predicted by this sixth century BC prophet the actual history of Israel that has come to pass during their first century Roman wars and during the period since the nation was reestablished in the promised land in 1948 is particularly described in detail No study of eschatological end time events is complete without a clear understanding of what God is doing through Israel today as explained in this book

Haggai, Zechariah Mark J. Boda, 2004 The NIV Application Commentary Series The setting Jerusalem Recently returned from Babylonian captivity the Jews are occupied with personal pursuits while the temple of Yahweh lies in ruins To the prophets Haggai and Zechariah falls the task of calling God's people to their forgotten priority rebuilding his house Heeding prophetic admonition the people overcome the obstacles that face them and prosper in their work thanks largely to the vision and encouragement of the prophets The books of Haggai and Zechariah represent a golden period in Old Testament history but they are often overlooked Yet these two minor prophets speak a major message to the church today It is one that calls us as a community of faith to the priority of God's house and inspires

us with glimpses of its future glory Exploring the links between the Bible and our own times Mark J Boda shares perspectives on Haggai and Zechariah that reveal their enduring relevance for our twenty first century lives Most Bible commentaries take us on a one way trip from our world to the world of the Bible But they leave us there assuming that we can somehow make the return journey on our own They focus on the original meaning of the passage but don t discuss its contemporary application The information they offer is valuable but the job is only half done The NIV Application Commentary Series helps bring both halves of the interpretive task together This unique award winning series shows readers how to bring an ancient message into our present day context It explains not only what the Bible meant but also how it speaks powerfully today This series promises to become an indispensable tool for every pastor and teacher who seeks to make the Bible s timeless message speak to this generation BILLY GRAHAM Some commentaries build walls that isolate you back in the ancient world The NIV Application Commentary builds bridges that make the Bible come alive with meaning for contemporary life and the series does so concisely clearly and accurately No wasted words or academic detours just solid help and practical truth WARREN W WIERSBE The Book of Enoch or I Enoch Black,2023-06-26 *A Dynamic Reading of the Holy Spirit in Revelation* Hee Youl Lee,2014-04-07 A Dynamic Reading of the Holy Spirit in Revelation attempts to read the book of Revelation in a new way as a narrative embracing literary elements such as plot point of view narrative voice character and story structure to help readers discover its meanings by tracing the story anew Lee s unique narrative perspective offers readers a bird s eye view to experience four levels of the story heaven earth abyss and the lake of fire Lee develops a theological account of John s pneumatology and surely extends Christian pneumatology a doctrine inseparable from the life of the church Readers will come away with a greater understanding of the role of the Holy Spirit which will enable them to enjoy a deeper fellowship with the Holy Spirit more intimately than ever before Lee portrays the book of Revelation as a mission oriented book that tells how the kingdom of God will be built in this world through spiritual warfare rather than as a book of eschatology Lee s book will serve as a spiritual wake up call to the modern church and the people of God in its accurate portrayal of the Holy Spirit and vivid description of spiritual warfare *A Bible Study Investigation into Our Relationship to God and into ?The Time of the End?* Trevor Pope,2011-03 Throughout the entire Christian era Adventist groups have been announcing that the return of Jesus Christ is imminent This book is a reminder that until some awesome prophecies of which Jesus warned have been fulfilled His return cannot be imminent When questioned about the signs preceding His return Jesus warned of deception of international hatred of Christians and of the prophet Daniel s forecast of an unprecedented time of trouble that would almost destroy mankind To those in Thessalonica long ago who believed the Lord s return was imminent the apostle Paul wrote You must allow no one to deceive you in any way That day cannot come until the Great Rebellion has taken place Quoting from Daniel Paul describes an appalling rebel and how the Lord s appearing will remove him Despite these warnings from Jesus and Paul many Christians today regard these old prophecies as

largely metaphorical and as having been fulfilled To their infinite loss they overlook them and perpetuate the age old prediction that the Lord s return is imminent In contradiction to that many prophecies related herein prove that the three and a half years of the time of the end have not yet begun

Having Visions Susan Wolvertson, 2004 In *Having Visions* the author presents an objective respectful and faithful translation of its content accompanied with an historical and scientific context for understanding its insertion into the body of human affairs In *The Book of Mormon* the ancient American prophet Mormon presents the history of his people the Nephites The intent of the present book is to present his story as told and its relationship to history as known without altering its essence It should be noted that exhaustive archeological genetic and linguistic research has been undertaken by both proponents for and detractors of the existence of the Nephites So far no evidence supporting the claim has ever been found for any place person or event mentioned in *The Book of Mormon* while abundant contradictory evidence has been discovered and independently verified

Seeing the unseen Florian Forg, 2020-01-01 Vision reports occupy large space in the Book of Ezekiel and the texts put special emphasis on the details of receiving a vision In Thailand Buddhist monks or Hindu priests also have seen visions

Mediums travel to distant places in visions and meet with spirits Christian churches set goals for the future and call them visions This study takes a closer look at visions both in the Book of Ezekiel and in the Thai context by focusing on the Thai translation of Hebrew terms for visions Besides that it compares the Hebrew concepts behind visions with the Thai understanding The Evangelical repository. Vol. 1- new ,1877 *Dictionary of the Old Testament: Prophets* G MCCONVILLE, MARK J BODA, 2020-05-21 The writings of the prophets make up over a quarter of the Old Testament But perhaps no other portion of the Old Testament is more misunderstood by readers today For some prophecy conjures up knotted enigmas opaque oracles and terrifying visions of the future For others it raises expectations of a plotted out future to be reconstructed from disparate texts And yet the prophets have imprinted the language of faith and imagination with some of its most sublime visions of the future nations streaming to Zion a lion lying with a lamb and endlessly fruiting trees on the banks of a flowing river We might view the prophets as stage directors for Israel s unfolding drama of redemption Drawing inspiration from past acts in that drama and invoking fresh words from its divine author these prophets speak a language of sinewed poetry their words and images arresting the ear and detonating in the mind For when Yahweh roars from Zion and thunders from Jerusalem the pastures of the shepherds dry up the crest of Carmel withers and the prophetic word buffets those selling the needy for a pair of sandals The Dictionary of the Old Testament Prophets is the only reference book of its kind Not only does it focus exclusively on the prophetic books it also plumbs their imagery of mountains and wilderness flora and fauna temple and Zion It maps and guides us through topics such as covenant and law exile and deliverance forgiveness and repentance and the Day of the Lord Here the nature of prophecy is searched out in its social historical literary and psychological dimensions as well as its synchronic spread of textual links and associations And the formation of the prophetic books into their canonical collection including the Book of the Twelve is explored and weighed for its significance Then too contemporary approaches such as canonical criticism conversation analysis editorial redaction criticism feminist interpretation literary approaches and rhetorical criticism are summed up and assayed Even the afterlife of these great texts is explored in articles on the history of interpretation as well as on their impact in the New Testament

Dissonance and the Drama of Divine Sovereignty in the Book of Daniel Amy C. Merrill Willis, 2010-09-29 This study of the book of Daniel examines the ideology of divine and human rule in Daniel s historical resumes or reviews found in chaps 2 7 8 9 10 12 It seeks to uncover the concerns that motivate the resumes and the strategies the resumes use to resolve cognitive and experiential dissonance Loose Ends argues that the source of dissonance in Daniel stems not from failed prophecies as has been commonly argued nor do the visions function as symbolic theodicies to address a contradiction between divine power and divine goodness in the face evil The study proposes instead that the historical resumes address profound contradictions concerning divine power and presence in the face of Hellenistic Seleucid rule These contradictions reach a crisis point in Daniel 8 s depiction of the desecration of the temple typically Daniel 8 is seen as a poor replica of the triumphant vision of

divine power found in Daniel 7 This crisis of divine absence is addressed both within the vision of chap 8 itself and then in the following visions of chaps 9 and 10 12 through the use of narrative both mythological narrative and historical narrative
