## **First Recon Second To None:**

*First Recon-- Second to None* Paul R. Young,1992 Whether they were beating through razor sharp elephant grass or spending all night soaked and shivering in the monsoon walking into an ambush or getting caught in a hot LZ sudden death for the First Recon was never far away Second Lieutenant Paul Young had to be concerned not only with his own life but also with those of the men in his command For Vietnam too often seemed like a monster with an insatiable appetite for blood

Michael Lee Lanning,2007-12-18 Rangers Green Berets SEALs Delta Force LRRPs Force Recon and the struggle of the best and the bravest to keep America free They re some of the toughest and most highly trained fighting men in the world going where no ordinary soldier would go and doing what no ordinary soldier would dare Outnumbered and outgunned operating in small teams of five or six deep in enemy territory far from help they rely on their wits their skills and each other to get out alive *Blood Warriors* is a penetrating no holds barred account of the training missions and history of the military elites who mold America s most dangerous and highly skilled warriors from the navy s SEALs and the Marine Corps Force Reconnaissance to the U S Army s Delta Force Rangers and Special Forces Here s an in depth look at each unit s methods and standards what s required and what it takes to survive and succeed Whether gathering intelligence capturing prisoners executing raids and ambushes or just creating havoc in enemy territory these men know that death is their constant companion and one small misstep could mean body bags for everyone Maybe that s why America calls them heroes Historical Dictionary of the War in Vietnam Ronald B. Frankum Jr.,2011-06-10 For Southeast Asia the

Vietnam War altered forever the history topography people economy and politics of the Democratic Republic of Vietnam DRV the Republic of Vietnam RVN Cambodia and Laos That the war was controversial is an understatement as is the notion that the war can be understood from any one perspective One way of understanding the Vietnam War is by marking its time with turning points both major and minor that involved events or decisions that helped to influence its course in the years to follow By examining a few of these turning points an organizational framework takes shape that makes understanding the war more possible *Historical Dictionary of the War in Vietnam* emphasizes the international nature of the war as well as provide a greater understanding of the long scope of the conflict The major events associated with the war will serve as the foundation of the book while additional entries will explore the military diplomatic political social and cultural events that made the war unique While military subjects will be fully explored there will be greater attention to other aspects of the war All of this is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the Vietnam War **The Bridges of Vietnam** Fred L. Edwards,2001-05 As an intelligence officer during the Vietnam War Fred L Edwards Jr was instructed to visit every major ground unit in the country Go to Special Forces camps ground reconnaissance units armored cavalry units and waterborne reconnaissance units Search everywhere for intelligence sources long range patrols boats electronic surveillance and agent operations Don t get bogged down by dog and pony shows staged

for colonels and generals     Stingray Bruce Norton,2012-05-01 One of the most influential strategies of the Vietnam War the Stingray Patrol comprised seven to ten marines in small teams inserted by chopper deep in enemy territory Surrounded on all sides by North Vietnamese Army troops and Viet Cong guerillas these small high effective teams brought death and destruction to the enemy without ever going head to head in a gunfight with them Like today's Special Forces Navy SEALs Army Rangers and Marine Force Recon units that operate behind enemy lines these Stingray Patrols helped target the enemy for artillery and air strikes with devastating accuracy and effect Force Recon Marine and team leader Bruce Doc Norton participated in many Stingray missions and he takes the reader behind enemy lines telling the full story of Stingrays origins and operations STINGRAY is the definitive history of these units and missions available now for the first time in eBook format

Tom and Huck Don't Live Here Anymore Ron Powers,2002-09-14 From a Pulitzer Prize winning author Tom and Huck Don't Live Here Anymore is a powerful disturbing and eye opening dispatch from the homefront that will take its place alongside the works of Antony Lucas Robert Coles and Tracy Kidder Ron Powers hometown is Hannibal Missouri home of Mark Twain and therefore birthplace of our image of boyhood itself Powers returns to Hannibal to chronicle the horrific story of two killings both committed by minors and the trials that followed Seamlessly weaving the narrative of the events in Hannibal with the national withering of the very concept of childhood Powers exposes a fragmented adult society where children are left adrift transforming isolation into violence Powers's storytelling style keeps such good control over the pacing readers will know they're not headed for a disappointment at the ending Publishers Weekly     **The Routledge**

Annotation 2006 Book News Inc Portland OR booknews.com     *Killer Kane* Andrew R. Finlayson,2013-10-03 The leader of one of the most successful U S Marine long range reconnaissance teams during the Vietnam War Andrew Finlayson recounts his team's experiences in the year leading up to the Tet Offensive of 1968 Using primary sources such as Marine Corps unit histories and his own weekly letters home he presents a highly personal account of the dangerous missions conducted by this team of young Marines as they searched for North Vietnamese Army and Viet Cong units in such dangerous locales as Elephant Valley the Enchanted Forest Charlie Ridge Happy Valley and the Que Son Mountains In numerous close contacts

with the enemy the team code name Killer Kane fights for its survival against desperate odds narrowly escaping death time and again The book gives vivid descriptions of the life of recon Marines when they are not on patrol the beauty of the landscape they traverse and several of the author s Vietnamese friends It also explains in detail the preparations for and the conduct of a successful long range reconnaissance patrol

*Over the Abyss* I. G. Starinov, 1995 THE ONLY ACCOUNT IN ENGLISH ABOUT LRRPs IN THE USSR Colonel I G Starinov who began as a mere private in the Red Army and went on to become Russia s top demolitions expert is a rare eyewitness to the entire history of the Soviet regime and one of the few to survive disagreeing with Stalin s military decisions From partisan operations in the Russian Civil War through training and fighting with Spanish guerrillas against Franco to using the first radio detonated mine to kill a German general Starinov narrates events never before revealed in the West Caught by accident right at the border when the Germans attacked in WWII Starinov went on to play a crucial role in the creation and training of a virtual partisan army By wreaking havoc with the German railroad supply lines these guerrillas were crucial to Soviet success at the front Now in his nineties Starinov survived warfare and even more terrifying political purges to provide this personal firsthand look of the some of the greatest dramas in history

*Hill 119* Michael O. Fallon, 2025-08-15 You cannot read Fallon s book without gaining tremendous respect for those Marines who fought with courage and skill and served honorably where their country asked them to I strongly recommend Hill 119 for those who wish to gain additional insight into the Vietnam war and how it was fought W E Boomer General U S Marine Corps Ret The Marines and Corpsmen of Delta Company 1st Reconnaissance Battalion 1st Marine Division were surrounded by the North Vietnamese Army NVA for six hundred days in 1969 and 1970 during the Vietnam War Hill 119 is a rise on a finger of land Located twenty eight kilometers south of Da Nang that overlooks the Thu Bon River Basin and Go Noi Island The hill provided Marines with an excellent 360 degree view of the region that was known as Indian Country and so it was occupied as an Observation Post Its original mission was to support Operation Taylor Common Task Force Yankee s push west into Gen Binh s Base Area 112 The Observation Post produced immediate results with supporting arms inflicting casualties on the NVA Based on its immediate and enduring success as a tactical obstacle for the NVA the OP became a key piece in the defense of the Da Nang Vital Area The Marines called supporting arms every day and every night They rained fire down on the North Vietnamese Army NVA and killed over a thousand enemy fighters They posed such a threat that Gen Binh assigned his elite T89 Sapper Battalion to eliminate the Recon Marines on Hill 119 Throughout this period as part of a six man team each Recon Marine would run multiple adrenaline filled patrols deep into enemy territory in small teams for six weeks and then serve for two weeks on the OP Despite its danger the Marines considered OP duty as a relaxing break This first full account of Hill 119 written by historian Michael Fallon who served as reconnaissance patrol leader on Hill 119 is based upon firsthand accounts from the Recon Marines carefully cross referenced with patrol reports and command chronologies It covers the Marines experiences in the bush on the hill and in the rear The

role of new battalion commanders with their changing tactics is discussed the six officers impacted the battalion with their personalities as well as their planning and execution of the changing missions with the always changing enemy situation from classic Keyhole snoop and poop patrols to aggressive Stingray patrols designed to inflict casualties      *Indochina Chronology*

### **First Recon Second To None Introduction**

In today's digital age, the availability of First Recon Second To None books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of First Recon Second To None books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of First Recon Second To None books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing First Recon Second To None versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, First Recon Second To None books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing First Recon Second To None books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for First Recon Second To None books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions

of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, First Recon Second To None books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of First Recon Second To None books and manuals for download and embark on your journey of knowledge?
