From Christian Science to Jewish Science Ellen M. Umansky, 2005 During the late nineteenth and early twentieth centuries

thousands of American Jews were drawn to the teachings of Christian Science Viewing such attraction with alarm American Reform Rabbis sought to counter Christian Science s appeal by formulating a Jewish vision of happiness and health Unlike Christian Science it acknowledged the benefits of modern medicine yet sharing the belief in God as the true source of healing similarly emphasized the power of visualization and affirmative prayer Though the numbers of those formally affiliated with Jewish would remain small its emphasis on the connection between mind and body influenced scores of rabbis and thousands if not hundreds of thousands of American Jews predating contemporary Jewish interest in spiritual healing by more than seventy years Examining an important and previously unwritten chapter in the story of American Judaism this book sheds light on religious and social concerns of twentieth century American Jewry including ways in which adherence to Jewish Science helped thousands bridge the perceived gap between Judaism and modernity The Churchman ,1879 1001 Illustrations That Connect Craig Brian Larson,Phyllis Ten Elshof,2009-01-06 Every preacher teacher or writer knows the value of a good illustration in helping connect the truth of the passage with the congregation or class and how hard it is to come up with good illustrations week after week This book contains the cream of the crop 1001 illustrations carefully selected from among thousands on Christianity Today International s popular website PreachingToday.com These illustrations are proven memorable and illuminating As the saying goes they will preach And they re fresh all written within the past seven years Of course the best illustrations are no good if you can t find the right one These illustrations have been arranged according to twelve master topics each divided into several subtopics Further they ve been indexed according both to Bible references and to 500 keywords A searchable CD ROM is included allowing you to get the illustration into your lesson or sermon with ease **Herald and Presbyter** ,1905 Sex and the Soul Donna Freitas,2008-04-11 Based on dozens of face to face interviews Sex and the Soul explores the sexual and spiritual lives of today s college students Donna Freitas crisscrossed the country visiting a range of America s colleges and universities from public to private Catholic to evangelical to find out what students had to say about these highly personal subjects Their stories will not only engage readers but in many cases move them with the painful struggles these candid young women and men face Indeed the book uncovers aspects of college life that may unsettle some readers especially parents Many campuses for instance are dominated by the pervasiveness of hook up culture Moreover many students see little connection between sex and religion even as they seek one between sex and spirituality Indeed these observations hold true even at Catholic schools Only at evangelical colleges is religion an important factor when deciding whether or not to engage in sex But Freitas s research also reveals that even at secular schools students are not comfortable with a culture of casual sex and that they do want spirituality at least if not also religion to speak about what they should do and who they should try to be not just what they should avoid doing Sex and the Soul will offer readers the chance to hear college students speaking honestly about extremely sensitive topics in a book that will be of great interest to students parents clergy teachers and anyone who wants to know

throughout the Christian age has raised up exemplary men who by their teachings and methods have given to posterity an enlightened process by which a wayward generation may find its way back to God One of these and by no means the least was Charles G Finney who embodied in ministry and literature principles and methods which are certain to produce anywhere a genuine spiritual revival of Christian zeal and devotion From the Foreword **Bored with God** Sean Dunn,2009-08 SPIRITUAL APATHY IS A DISEASE Like most diseases apathy surfaces in observable symptoms that are frustrating to its victims and the people who care for them Teenagers are particularly susceptible to apathy and apathy is particularly contagious In Bored with God Sean Dunn catalogs what he s seen of apathy in his ministry to youth He offers sympathetic guidance from the Scriptures for keeping apathy from spreading and for shepherding students into spiritual hunger Teenagers can be frustratingly sleepy in their convictions but once awakened to a life of bold faith they can apply virtually tireless energy to the problems of a world bored with God And that energy is particularly contagious
