Conversation Peace Mary Kassian, 2001-08-01 *Conversation Peace* Mary A. Kassian, 2014 *Conversation Peace* Mary Kassian, Betty Hassler, 2004-05-01 Have you ever left a conversation feeling like shredded wheat Stuck your foot in your mouth Been at a loss for words Had difficulty getting your point across Or been talked into doing something you didn't want to do Do you find it difficult to connect with others Do you suspect that your speech patterns are hindering your relationships Maybe you need some Conversation Peace Let Mary Kassian teach you the seven powerful speech transforming elements to master the skill of effective communications You will also strengthen your vocabulary with Words from the Word Conversation Peace will help you revolutionize your speech habits and improve your relationships *Biblical Womanhood in the Home* Nancy Leigh DeMoss, 2002 Though the modern feminist movement left suffering families and a lost culture in its wake there is a new movement spreading seeds of hope in the hearts of Christian women everywhere Nancy Leigh DeMoss has brought together seven respected teachers including Susan Hunt and Mary A Kassian all of whom speak to the hearts of their sisters in Christ with a message about the greatness of God's created order and the part women play in His grand redemptive plan so that they may re-discover the beauty and wonder of their distinctive calling *My Struggle for Peace, Volume 2 (1955)* Moshe Sharett, 2019-03-19 The second volume of the former Israeli prime minister's journals from the nation's early years centering on his time in office My Struggle for Peace is a remarkable political document offering insights into the complex workings of the young Israeli political system set against the backdrop of the disintegration of the country's fragile armistice with the Arab states Replete with Moshe Sharett's candid comments on Israel's first generation leaders and world statesmen of the day the diary also tells the dramatic human story of a political career cut short the removal of an unusually sensitive dedicated and talented public servant My Struggle for Peace is above all an intimate record of the decline of Sharett's moderate approach and the rise of more activist militant trends in Israeli society culminating in the Suez Sinai war of 1956 The diary challenges the popular narrative that Israel's confrontation with its neighbors was unavoidable by offering daily evidence of Sharett's statesmanship moderation diplomacy and concern for Israel's place in international affairs This is the second volume in the 3 volume English abridgement of Sharett's Yoman Ishi Personal diary Ma'ariv 1978 maintains the integrity flavor and impact of the 8 volume Hebrew original and includes additional documentary material that was not accessible at the time The volumes are also available to purchase as a set or individually The editors vastly improved on the Hebrew version by adding Sharett's speeches reports cabinet minutes and other sources to the text These additions makes this work so important and welcome by all who aspire to understand the foreign and defense policies of Israel in its first decade Israel Studies Review *Power, Agency, and Women in the Mission of God* Susan L. Maros, Vince L.

Bantu,Kirsteen Kim,2024-05-10 This volume fulfills the need for an accessible academic book that addresses the gender issues that women face as Christian disciples whether in formal leadership roles or engaging leadership in informal means and considers these issues in the context of world Christianity In an era in which mission is from everywhere to everywhere when local churches strive to be missional and when Christians are engaged in intercultural ministry this book invites a scholar practitioner conversation engaging multiple disciplines and perspectives to explore the role of women in the mission of God An interdisciplinary and intercultural conversation about women will enrich the church s ongoing effort to be faithful to God s call to women and men to participate in God s work in the world **Children's Books in Print, 2007** ,2006

Uncertain Allies Klaus Larres,2022-01-01 A clear and comprehensive examination of transatlantic relations during the Nixon Kissinger era The early 1970s represented a pivotal moment in U S ties with Europe Klaus Larres tells this story in a fascinating and highly readable manner Essential reading Daniel S Hamilton Johns Hopkins University Woodrow Wilson Center The United States has long been conflicted between promoting a united Western Europe in order to strengthen its defense of the West and fearing that a more united Western Europe might not submit to American political and economic leadership The era of wholehearted support for European unity was limited to the immediate postwar era The stances of the past three U S presidents Bush s unilateralism Obama s insistence on leading from behind and Trump s overt hostility toward the European Union were prefigured by Washington s economic and geopolitical strategies of the 1960s and 1970s Concentrating on the policies of Richard Nixon and Henry Kissinger Klaus Larres argues that their years in office were the major turning point when benign hegemony gave way to an attitude toward Europe that was seldom better than lukewarm frequently even outright hostile and that was returned in kind This book offers an unusually clear and comprehensive examination of transatlantic relations during the Nixon era [A Historical-Materialist Reading of Genesis 1-4](#) Ron

Naiweld,2024-11-25 This book offers a historical materialist reading of the opening chapters of the book of Genesis in an attempt to revive their potential to engage people in truthful discussions about power and pleasure For the past two millennia biblical stories have been told and discussed in countless settings whether one lives in Europe or in a country that was colonized by Europeans the biblical symbolic universe remains present This book offers a method to explore the social and political meanings of its most theological content by visiting two historical settings in which biblical modes of expression intersected with the demands of an economic political process Jerusalem and its province during the Persian period 5th 4th centuries bce and Brazil of the early colonial period 16th century ce Though distant in time and space both were moments of comparable transformation individuals with financial resources and military power arrived from the East to seize control over lands and means of production subjugating the population to a distant king By turning to these two historical settings Ron Naiweld examines how the narratives of Genesis resonated in these environments how they were used to legitimize imperial power structures and how they opened these structures to scrutiny The volume is part of a larger trend of reading the Bible

with a historical materialist approach that allows us to grasp the power of its symbolic universe to inspire both utopia and barbarism especially in colonial contexts This book is suitable for students and scholars interested in the biblical symbolic universe and Jewish and Christian history It is also of interest to those working on the history of Brazil comparative literature and the intersection of religion economy and politics [The Wesleyan Sunday-school magazine \[afterw.\] The Wesleyan methodist Sunday school magazine ,1884](#) **Liberalism and Community** Steven Kautz,2018-09-05 Contemporary political theory has experienced a recent revival of an old idea that of community In Liberalism and Community Steven Kautz explores the consequences of this renewed interest for liberal politics Whereas communitarian critics argue that liberalism is both morally and politically deficient because it does not adequately account for equality and virtue Kautz defends liberalism by presenting reports of various partisan quarrels among liberals who love liberty democrats who love equality and republicans who love virtue Founded on the classic texts of Locke and Montesquieu the liberalism that Kautz advocates is cautious and conservative He defends it against the arguments of important new communitarians Richard Rorty Michael Walzer Benjamin Barber and Michael Sandel and contrasts communitarian and liberal views on key questions He discusses Walzer s account of moral reasoning in a democratic community engages Barber on the nature and limits of republican community and takes on Rorty s communitarian account of moral psychology and the nature of the self Kautz also explores the concepts of virtue tolerance and patriotism issues of particular interest to communitarians which pose special problems for liberal political theory in an effort to rebuild a new and more tenable interpretation of liberal rationality **Lord Meher, Part 2** Bhau Kalchuri,2024-10-23 The biography of the Avatar of the Age Meher Baba updated as of 23 October 2024 [A critical pronouncing dictionary ... Gallagher,2019-09-15 Since 9 11 why have we won smashing battlefield victories only to botch nearly everything that comes next In the opening phases of war in Afghanistan Iraq and Libya we mopped the floor with our enemies But in short order things went horribly wrong We soon discovered we had no coherent plan to manage the day after The ensuing debacles had truly staggering consequences many thousands of lives lost trillions of dollars squandered and the apparent discrediting of our foreign policy establishment This helped set the stage for an extraordinary historical moment in which America s role in the world along with our commitment to democracy at home and abroad have become subject to growing doubt With the benefit of hindsight can we discern what went wrong Why have we had such great difficulty planning for the aftermath of war In The Day After Brendan Gallagher an Army lieutenant colonel with multiple combat tours to Iraq and Afghanistan and a Princeton Ph D seeks to tackle this vital question Gallagher argues there is a tension between our desire to create a new democracy and our competing desire to pull out as soon as possible Our leaders often strive to accomplish both to keep everyone happy But by avoiding the tough underlying decisions it fosters an incoherent strategy This makes chaos more

likely *The Day After* draws on new interviews with dozens of civilian and military officials ranging from US cabinet secretaries to four star generals It also sheds light on how in Kosovo we lowered our postwar aims to quietly achieve a surprising partial success Striking at the heart of what went wrong in our recent wars and what we should do about it Gallagher asks whether we will learn from our mistakes or provoke even more disasters Human lives money elections and America s place in the world may hinge on the answer Enduring Alliance Timothy Andrews Sayle,2019-04-15 Sayle s book is a remarkably well documented history of the NATO alliance This is a worthwhile addition to the growing literature on NATO and a foundation for understanding its current challenges and prospects Choice Born from necessity the North Atlantic Treaty Organization NATO has always seemed on the verge of collapse Even now some seventy years after its inception some consider its foundation uncertain and its structure weak At this moment of incipient strategic crisis Timothy A Sayle offers a sweeping history of the most critical alliance in the post World War II era In *Enduring Alliance* Sayle recounts how the western European powers along with the United States and Canada developed a treaty to prevent encroachments by the Soviet Union and to serve as a first defense in any future military conflict As the growing and unruly hodgepodge of countries councils commands and committees inflated NATO during the Cold War Sayle shows that the work of executive leaders high level diplomats and institutional functionaries within NATO kept the alliance alive and strong in the face of changing administrations various crises and the flux of geopolitical maneuverings Resilience and flexibility have been the true hallmarks of NATO As *Enduring Alliance* deftly shows the history of NATO is organized around the balance of power preponderant military forces and plans for nuclear war But it is also the history riven by generational change the introduction of new approaches to conceiving international affairs and the difficulty of diplomacy for democracies As NATO celebrates its seventieth anniversary the alliance once again faces challenges to its very existence even as it maintains its place firmly at the center of western hemisphere and global affairs **The Migration Conference 2020 Proceedings:**
