Conversations With Yogananda Conversations With Yogananda:

Conversations with Yogananda Swami Kriyananda, 2004-09-28 Conversations with Yogananda This is an unparalleled firsthand account of Paramhansa Yogananda and his teachings written by one of his closest students Yogananda is one of the world's most widely known and universally respected spiritual masters His Autobiography of a Yogi has helped stimulate a spiritual awakening in the West and a spiritual renaissance in his native land of India More than half a century ago in a hilltop ashram in Los Angeles California an American disciple sat at the feet of his Master faithfully recording his words as his teacher had asked him to do Paramhansa Yogananda knew this disciple would carry his message to people everywhere Kriyananda was often present when Yogananda spoke privately with other close disciples when he received visitors and answered their questions when he was dictating and discussing his important writings Yogananda put Kriyananda in charge of the other monks and gave him advice for their spiritual development In all these situations Kriyananda recorded the words and guidance of Yogananda preserving for the ages wisdom that would otherwise have been lost and giving us an intimate glimpse of life with Yogananda never before shared by any other student These Conversations include not only Yogananda's words as he first spoke them but also the added insight of an intimate disciple who has spent more than 50 years reflecting on and practicing the teachings of Yogananda Through these conversations Yogananda comes alive Time and space dissolve We sit at the feet of the Master listen to his words receive his wisdom delight in his humor and are transformed by his love

Conversations with Yogananda J. Donald Walters, Swami Kriyananda, 2004 This is an unparalleled first hand account of the teachings of Paramhansa Yogananda who has hundreds of thousands of followers and admirers in North America alone

Conversations with Yogananda J. Donald Walters, 2003 Conversations With Yogananda Swami Kriyananda, 2003 This is an unparalleled first hand account of the teachings of Paramhansa Yogananda featuring nearly 500 never before released stories sayings and insights This is an extensive yet eminently accessible treasure trove of wisdom from one of the 20th Century's most famous yoga masters One of Yogananda's closest disciples Kriyananda faithfully recorded these words of his guru giving us this intimate glimpse of life with Yogananda as never before shared Also features 25 photos of the yoga master many of which are previously unreleased Publisher **Stories of Yogananda's Youth** Swami

Kriyananda, 2017-11-15 Stories from the youth of Mukunda Lal Ghosh later known to the world under his monastic name of Paramhansa Yogananda author of the bestselling spiritual classic Autobiography of a Yogi Even in his youth the greatness of this master of yoga was revealed Complements beautifully Yogananda's own autobiography The author Swami Kriyananda a direct and close disciple of Yogananda writes In this book I have tried to depict Yogananda's spirit a spirit ardent with love for God tender with sympathy for all men forgiving kindly humorous yet resolute and forceful when strength was needed From the preface Paramhansa Yogananda was born in India in the last decade of the nineteenth century His father a high official in the Bengal Nagpur railway was in a position to offer his children worldly security and success Mukunda's heart

however was set on another kind of security and another higher kind of success final victory over ignorance through loving union with God Spurning earthly comforts he sought rigorous training under one of India's greatest living gurus Swami Sri Yukteswar of Serampore Bengal People often make the mistake of equating the spiritual life with dullness and prudery These stories should help to dispel that illusion Mukunda's keen sense of humor and love of pranks often startled his more sedate neighbors out of their mental ruts The personality that emerges from these episodes is joyous compassionate childlike yet fiercely determined loyal deeply in love with God and capable of standing alone in his convictions against the very world These stories have been written from true episodes in the master's life from approximately the ages of six to seventeen Some of the accounts were related to me by his relatives others by childhood friends But the greater number were told me by the master himself I have taken no liberties with those accounts beyond adding superficial details for poetic emphasis and occasionally combining separate episodes too brief to stand alone into a single story

our planet cycles through every 24 000 years According to their teachings we have recently passed through the low ebb in that cycle and are moving to a higher age an Energy Age that will revolutionize the world Over one hundred years ago Yukteswar predicted that we would live in a time of extraordinary change and that much that we believe to be fixed and true our entire way of looking at the world would be transformed and uplifted In The Yugas authors Joseph Selbie and David Steinmetz present substantial and intriguing evidence from the findings of historians and scientists that demonstrate the truth of Yukteswar s and Yogananda s revelations *A Fight for Religious Freedom* Jon R. Parsons,2012-08-01 The compelling story of a groundbreaking 12 year legal battle launched against the smaller Ananda Church by the established and wealthy Self Realization Fellowship both followers of spiritual master Paramhansa Yogananda author of the classic Autobiography of a Yogi SRF s intent was as the judge observed to put Ananda out of business Includes rare vignettes that offer a timeline glimpse into the challenges of Yogananda s own mission to the West **Affirmations for Self-Healing** Swami Kriyananda,2015-01-01 Scientists now acknowledge that an individuals thoughts influence their physical mental and emotional health People routinely enlist the help of psychologists and drugs to overcome their deeply rooted harmful thoughts This book contains 52 affirmations and prayers devoted to strengthening positive qualities such as will power good health forgiveness security and happiness *The Life of Yogananda* Philip Goldber,2018-04-24 He was called the 20th century s first superstar guru Los Angeles Times and today nearly a century after he arrived in the United States he s still the best known and most beloved of all the Indian spiritual teachers who have come to the West Now finally Paramahansa Yogananda has the authoritative biography he deserves Yogananda considered by many to be the father of modern yoga has had an unsurpassed global impact thanks to the durability of his teachings the institutions he created or inspired and especially his iconic memoir Autobiography of a Yogi Since its publication in 1946 that book has sold millions of copies and changed millions of lives But it doesn t tell the whole story Much of Yogananda s seminal text is devoted to tales about other people and it largely overlooks the three vital decades he spent living working and teaching in America Huge chunks of his life challenges controversies and crises triumphs relationships and formative experiences remain unknown to even his most ardent devotees In this captivating biography scholar and teacher Philip Goldberg fills the gaps charting a journey that spanned six decades two hemispheres two world wars and unprecedented social changes The result is an objective thoroughly researched account of Yogananda s remarkable life in all its detail nuance and complex humanity But this is more than a compelling life story Yogananda would I believe want any book about him to not only inform but transform Goldberg writes It is my hope that readers will be enriched expanded and deepened by this humble offering That is sure to be the case for both Yogananda enthusiasts and those who discover him for the first time in these illuminating pages [Ask Asha](#) Asha Praver Nayaswami,2014-10-14 Dear Asha why is this happening to me Sorrow and stress are universal but difficult situations can also be opportunities life trying to guide us toward greater happiness if only we had the wisdom to follow it To find the

hidden blessings within the various situations in life you need faith trust and sometimes a wise friend to talk to To many spiritual seekers that person is author Asha Praver Nayaswami who through her counseling and lectures has helped thousands worldwide gain a deeper understanding of themselves and the spiritual path Based on letters to questing souls this book showcases the clarity compassion and inspiration of Asha a disciple of Paramhansa Yogananda and a meditation teacher for over 40 years Her responses will astound you with their universality How to help others How to see life as fair How to be true to yourself Here is an example of the practical wisdom in the pages of Ask Asha Every apple seed contains within it the potential to become a fruit bearing tree It doesn't happen all at once though It may be tiresome for the seed first to be a sprout then a twig then a sapling but it is the fastest in fact the only way to become an apple tree So it is with the soul Self realization is our divine destiny but we can't get there in one leap Perhaps your repeated failure is not caused by lack of will power but from lack of patience trying to reach the goal without first walking the path If you reach too far beyond your actual realization inevitably you will collapse back perhaps to a place lower than where you started if you define yourself now by your failure You may think you are compromising your ideals to aim lower but in fact that may be the surest route to success Spiritual progress is both a science and an art The science is comprised of the divine laws of the universe the art is to know which to apply and when

Rays of the One Light Swami Kriyananda, 1996-12-01 East meets West and theological barriers tumble Two scriptures become one Truth This profound commentary gives scriptural authority to the ecumenical hopes of our times With parallel passages from the Judeo Christian Bible and the Bhagavad Gita of India Rays of the One Light reveals a single unified teaching Concepts such as karma and reincarnation are explained in the words of Jesus while salvation through grace and the only son of God are described in the Bhagavad Gita Rays of the One Light is based on the teachings of Paramhansa Yogananda a great spiritual master from India and author of the beloved classic Autobiography of a Yogi
