Ross MacDonald Tom Nolan, 2015-07-07 When he died in 1983 Ross Macdonald was the best known and most highly regarded crime fiction writer in America Long considered the rightful successor to the mantles of Dashiell Hammett and Raymond Chandler Ross Macdonald and his Lew Archer novels were hailed by The New York Times as the finest series of detective novels ever written by an American Now in the first full length biography of this extraordinary and influential writer a much fuller picture emerges of a man to whom hiding things came as second nature While it was no secret that Ross Macdonald was the pseudonym of Kenneth Millar a Santa Barbara man married to another good mystery writer Margaret Millar his official biography was spare Drawing on unrestricted access to the Kenneth and Margaret Millar Archives on more than forty years of correspondence and on hundreds of interviews with those who knew Millar well author Tom Nolan has done a masterful job of filling in the blanks between the psychologically complex novels and the author s life both secret and overt Ross Macdonald came to crime writing honestly Born in northern California to Canadian parents Kenneth Millar grew up in Ontario virtually fatherless poor and with a mother whose mental stability was very much in question From the age of twelve young Millar was fighting stealing and breaking social and moral laws by his own admission he barely escaped being a criminal Years later Millar would come to see himself in his tales

wrongdoers I don't have to be violent he said My books are How this troubled young man came to be one of the most brilliant graduate students in the history of the University of Michigan and how this writer who excelled in a genre all too often looked down upon by literary critics came to have a lifelong friendship with Eudora Welty are all examined in the pages of Tom Nolan's meticulous biography We come to a sympathetic understanding of the Millars long and sometimes rancorous marriage and of their life in Santa Barbara California with their only daughter Linda whose legal and emotional traumas lie at the very heart of the story But we also follow the trajectory of a literary career that began in the pages of *Manhunt* and ended with the great respect of such fellow writers as Marshall McLuhan Hugh Kenner Nelson Algren and Reynolds Price and the longtime distinguished publisher Alfred A Knopf As Ross Macdonald's Biography makes abundantly clear Ross Macdonald's greatest character above and beyond his famous Lew Archer was none other than his creator Kenneth Millar

Thinking about Movies Peter Lehman, William Luhr, 2018-10-01 A complete introduction to analyzing and enjoying a wide variety of movies for film students and movie lovers alike *Thinking About Movies Watching Questioning Enjoying Fourth Edition* is a thorough overview of movie analysis designed to enlighten both students and enthusiasts and heighten their enjoyment of films Readers will delve into the process of thinking about movies critically and analytically and find how doing so can greatly enhance the pleasure of watching movies Divided roughly into two parts the book addresses film studies within the context of the dynamics of cinema before moving on to a broader analysis of the relationship of films to the larger social cultural and industrial issues informing them This updated fourth edition includes an entirely new section devoted to a complete analysis of the film adaptation of *The Girl with the Dragon Tattoo* along with many in depth discussions of important films such as *Citizen Kane* and *Silence of the Lambs* The chapter on television integrates a major expansion distinguishing between television in the digital era of the convergence of the entertainment and technology industries in comparison to the era of broadcast analogue television The final chapter places film within the current context of digital culture globalization and the powerful rise of China in film production and exhibition The authors clearly present various methodologies for analyzing movies and illustrate them with detailed examples and images from a wide range of films from cult classics to big budget award winning movies This helps viewers see new things in movies and also better understand and explain why they like some better than others *Thinking About Movies Watching Questioning Enjoying Fourth Edition* is ideal for film students immersed in the study of this important contemporary medium and art form as well as students and readers who have never taken a class on cinema before

Mass Market Medieval David W. Marshall, 2007-04-11 Beginning in 1976 with the first issue of the journal *Studies in Medievalism* all things medieval and the concept of medievalism became a hot topic in culture studies Medievalism examines how different groups individuals or eras use and shape the image of the Middle Ages differentiating between historical knowledge of the Middle Ages and what we have made the period out to be The 13 essays in this book explore the medieval invasion of today's media and consider the various ways from film and print

to websites and video games that the Middle Ages have been packaged for consumption Essays encompass diverse theoretical perspectives and are grouped loosely around distinct functions of medievalism including the exposure of recent social concerns the use of medieval images in modern political contexts and the medieval s influence on products of today s popular culture The legitimization of the study of medievalism and the effect of medievalism on the more traditional subject of medieval studies are also discussed Instructors considering this book for use in a course may request an examination copy here     *Subject Guide to Books in Print* ,2001     *Cincinnati Magazine* ,2004-08 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region

*How to Snare a Millionaire* Lisa Johnson,2014-09-30 We all want to be pampered spoiled indulged coddled and basically have riches lavished upon us by wealthy admirers Unfortunately millionaires don t fall from the sky directly onto our laps with marriage proposals As Lisa Johnson knows one has to work to get them That s why she has written *How to Snare a Millionaire* a book that provides everything one needs to know for dating and marrying a millionaire from where to find them to how to keep them     **Europe in Law and Literature** Laura Anina Zander,Nicola Kramp-Seidel,2023-05-08 Europe is a broad and multifaceted construct variously understood as a geographical political legal institutional social or cultural formation It is characterized by numerous conflicts and processes of negotiation that have accompanied or sustained the development of normative orders and divergent conceptions of law both in relation to individual states and to Europe as a whole The same applies to the field of literature language and aesthetics numerous myths and ideologies have shaped today s understanding of Europe and still support it today This volume examines how such processes were legally structured and literarily addressed criticized and complemented Its interdisciplinary perspective and open and dynamic both dialogical and dialectical format intends to replicate the fragmented sometimes conflicting but always productive mosaic of voices ideas and concepts that have constituted and still constitute Europe whether in the past present or future Instead of resolving any of the complexities and contradictions that frame discussions on law literature and Europe it aims to induce further engagement and confrontations with new and alternative visions of Europe     *Anthropocene Fictions* Adam Trexler,2015-04-20 Since the Industrial Revolution humans have transformed the Earth s atmosphere committing our planet to more extreme weather rising sea levels melting polar ice caps and mass extinction This period of observable human impact on the Earth s ecosystems has been called the Anthropocene Age The anthropogenic climate change that has impacted the Earth has also affected our literature but criticism of the contemporary novel has not adequately recognized the literary response to this level of environmental crisis Ecocriticism s theories of place and planet meanwhile are troubled by a climate that is neither natural nor under human control *Anthropocene Fictions* is the first systematic examination of the hundreds of novels that have been written about anthropogenic climate change Drawing on climatology the sociology and philosophy of science geography and environmental economics Adam Trexler argues that the novel has become an essential tool to

construct meaning in an age of climate change The novel expands the reach of climate science beyond the laboratory or model turning abstract predictions into subjectively tangible experiences of place identity and culture Political and economic organizations are also being transformed by their struggle for sustainability In turn the novel has been forced to adapt to new boundaries between truth and fabrication nature and economies and individual choice and larger systems of natural phenomena Anthropocene Fictions argues that new modes of inhabiting climate are of the utmost critical and political importance when unprecedented scientific consensus has failed to lead to action Under the Sign of Nature Explorations in Ecocriticism **Lost** , Politics in Popular Movies John S. Nelson,2015-10-23 Popular movies can be surprisingly smart about politics from the portentous politics of state or war to the grassroots everyday politics of family romance business church and school Politics in Popular Movies analyses the politics in many well known films across four popular genres horror war thriller and science fiction The book s aims are to appreciate specific movies and their shared forms to understand their political engagements and to provoke some insightful conversations The means are loosely related film takes that venture ambitious playful and engaging arguments on political styles encouraged by recent films Politics in Popular Movies shows how conspiracy films expose oppressive systems it explores how various thrillers prefigured American experiences of 9 11 and shaped aspects of the War on Terror how some horror films embrace new media while others use ultra violence to spur political action it argues that a popular genre is emerging to examine non linear politics of globalisation terrorism and more Finally it analyses the ways in which sci fi movies reflect populist politics from the Occupy and Tea Party movements rethink the political foundations of current societies and even remake our cultural images of the future
