extraordinary poems and most artistic photos Rao's poetry shall continue to be read because of rich and complex melodies Rao is undoubtedly one of the most remarkable poetic genius His poems and pictures are most precious gems The most remarkable thing is their energy and passion Rao's poems explore a great diversity of subjects but their beauty does not depend on subject alone They have a characteristic gift of expression that uses the right word for the right idea We find here Rao's full strength of imaginative power *Modern Visual Poetry* Willard Bohn, 2001 Far from frivolous playthings modern visual poems represent serious experiments Together with other members of the avant grade the visual poets sought to restructure the basic vision of reality that they inherited from their predecessors This statement describes contemporary visual poets as well who like their earlier colleagues strive to say things that are more meaningful in ways that are more meaningful

**BOOK JACKET     *The Last Vispo Anthology*** Crag Hill, Nico Vassilakis, 2012-11-03 This book collects experimental visual poetry With *The Last Vispo Anthology* Fantagraphics spotlights the intersection of art and language in this innovative new collection without peer in English that gathers the work of visual poets from around the world into one stunning volume The alphabet is turned on its head and inside out and the results culminate in a compilation of daring and surprising verbo visual gems *The Last Vispo* is composed of visual poetry a portmanteau of the words visual and poetry from the years 1998 to 2008 during a burst of creative activity fueled by file sharing and e mail which made it possible for the vispo community to establish a more heightened and sophisticated dialogue with one another The collection extends the dialectic between art and literature that began with ancient shaped text medieval pattern poetry and dada typography pushing past the concrete poetics of the 1950s and the subsequent mail art movement of the 1980s to its current incarnation Rather than settle into predictable unchallenged patterns this vibrant poetry seizes new tools to expand the body of work that inhabits the borderlands of visual art and poetic language *The Last Vispo* features 148 contributors from 23 countries on five continents It includes 12 essays that illuminate the abundant history and the state of vispo today The anthology offers a broad amalgam of long time practitioners and poets new to visual poetry over the last decade underscoring the longevity and the continued vitality of the art form *Quintessence* Anne McPhail, 2022     *Standing on the Verge and Maggot Brain*

**ADRIAN. MATEJKA**, 2021-06 A collaboration of visual art and poetry inspired by Funkadelic's classic albums *Standing on the Verge of Getting It On* and *Maggot Brain* Adrian Matejka's Pulitzer Prize finalist in poetry for *The Big Smoke* new book *Standing On the Verge Maggot Brain* is a chorus of poems and visual art that is psychedelic and bright full of quarter notes disguised as words The poems bend like a solo bends the big ideas of Funkadelic's glitter and unrepentant funk The book also bends the design of books themselves The collection is more accurately described as a double chapbook featuring two front covers and no back cover Essentially it is a two in one book For the *Standing on the Verge* chapbook of the two sculptor and artist Kevin Neireiter translates music into stained glass graffiti in honor of the landmark record *Standing On the Verge of Getting It On* Nicholas Galanin's also front man of the Sub Pop band Ya Tseen art creates musical compositions from

monochromatics in response to the quintessential album Maggot Brain The book is synesthesia for the ear and alchemy for the eyes and heart Standing On the Verge Maggot Brain is both a tribute to the iconic band Funkadelic and deep introspection of the contrasts in poet Matejka's celebrant hips and maggot brain Just as the album Standing on the Verge of Getting It On is a celebration of energy and action Maggot Brain is a place of deep sorrow Matejka explores both the light and dark within the original visual art by Kevin Neireiter and Nicholas Galanin reflecting the poet's radiances and shadows
