Project Based Literacy Mark Gura, Rose Reissman, 2015-11-01 Project Based Learning is a term that most educators have heard and probably have heard good things about. Often though they aren't quite sure precisely what its defining characteristics are other than involving students in projects that are supposed to somehow result in their learning things of value. A great many teachers are reluctant to make it part of what they do with their students due to unfounded fears of unrealistic workloads and classroom management issues associated with it. This book should help change that making the nature of PBL Project Based Learning clear and illustrating how it can be a manageable effective and very enjoyable aspect of instruction. The book will present an exciting alternative approach to literacy instruction that its authors call Project Based Literacy. This will principally be done through the presentation of 20 appealing projects all of them carefully designed to engage and inspire students grades 3-8 in literacy activities that are both core to the required curriculum and deeply in synch with the Common Core Standards in English Language Arts. The book will also present support material for this providing sufficient theory instructional and classroom management tips and technology and other How To information to ensure that rank and file classroom teachers can adopt adapt and enjoyably and successfully implement the projects and maximize learning in relation to the Common Core Standards for ELA.

Extending Microsoft Dynamics AX 2012 Cookbook Murray Fife, 2013-01-01 Follow valuable and practical recipes touring the fundamental features of Dynamics AX extension. This title is for business professionals such as administrators and consultants who want to take full advantage of the features of Dynamics AX. This book has a wide appeal and you do not need to be a SharePoint database or programming expert. As long as you know a little about these elements you will be able to take full advantage of the business efficiency created with Dynamics AX extensions.
