The Elf Resistance - Book Six of the Magi Charter Jordan David,2015-10-26 Two Centuries Two Santas The Belgian and the Cowboy Internal dilemmas and external strife aplenty It is

during this era that Mistletoe Green flexes his grip over the North Pole and through the manipulation of the Santas ultimately succeeds in the sealing of the Library The Elders banished to the Village must escalate their resistance plans against the FCD and all their evils Dire times tend to forge the people the future most depends on And from these crucibles was Santa Christo so tempered the upheavals of the twentieth century with its wars and technological leaps would serve as the foundation of a legacy that would forever cast him as the greatest Santa About the series The Magi Charter For over two thousand years the legend of Santa Claus has endured His is a mission of peace as outlined in the Magi Charter given to the first Santa by the Child From humble beginnings following that First Christmas the Santa lineage has been passed down through the ages This epic adventure tells the story of those Santas from the founding of the North Pole and the origin of the ancient elves to our modern times where the world s problems effect even those in the secluded complex of the North and concluding in the distant future which finds Santa and the elves committed to their mission on a galactic scale where Christmas traditions are barely recognizable Even in that era those committed to the Charter must find a way to deliver that which is needed most to those most deserving
