Long Night's Journey into Day Alice L. Eckardt, A. Roy Eckardt, Irving Greenberg, Franklin H. Littell, 2016-11-08 Long Night's Journey Into Day is a stimulating and provocative attempt to deal with the impact and meaning of the Holocaust within contemporary Christian and Jewish thought To Jews the Holocaust is the most terrible happening in their history but it must also be seen as a Christian event The Eckardts call for a radical rethinking of the Christian faith in the light of the Holocaust examining such issues as the relation between human and demonic culpability the charge of God's guilt and the reality of forgiveness They clarify the theological meaning of the Holocaust and the responsibility that must be borne for it by the Christian Church and discuss possible responses to it as exemplified in the writings of selected modern theologians and church councils This enlarged and revised edition takes into account new topics and developments including the issue of Austrian responsibility for the Holocaust the significance and aftermath of Bitburg and antisemitism in German feminism More detailed attention is also given to other modern genocides and occasions of humanly caused mass death Additional literary historical and religious works are considered and appropriate quotations incorporated The new edition also includes a revised preface an updated bibliography and two new appendices

Inquiry and the Literary Text James Holden, John Stephen Schmit, 2002 Inquiry and the Literary Text will help newcomers and veterans alike make the most of student discussion and inquiry in classrooms from middle school to high school to college The contributors secondary and college practitioners offer theory grounded classroom tested approaches for literature study in which students engage in democratic dialogue and practice authentic collaborative inquiry The book opens with a concise primer on discussion based classes seminars and inquiry focused instruction It then moves into three main sections that provide ideas to invigorate discussion and inquiry in any classroom and it closes with an annotated bibliography of suggested readings

Night - Elie Wiesel Harold Bloom, 2009 An important work on the Holocaust by a concentration camp survivor

From Job to the Shoah Reuven Travis, 2014-03-18 In Job's final concession to God he uses a phrase generally translated from the Hebrew as Wherefore I abhor myself and repent in dust and ashes afar va eifer A very small number of scholars see this translation as forced While most translations have Job referring to himself with the words afar va eifer this small group of scholars does not believe the Hebrew to be so clear They maintain that the phrase afar va eifer could just as easily be translated as referring to God In this translation of the text Job is calling God dust and ashes Can Job truly be referring to God not himself as dust and ashes How dare he And if he did what did this mean theologically If this linguistic analysis is correct how are we to understand not only the ending of the book but also the entire story of Job These are the questions From Job to the Shoah strives to answer The conclusions it reaches have profound theological implications especially in our modern era when the dust and ashes of the six million Jews murdered in the Holocaust still hang heavily above us
