First Holy Communion Mark Allen,2010-07-15 Mark Allen found no suitable published book to prepare his son for First Holy Communion First Holy Communion in the Roman Catholic Church is something of the greatest significance equivalent to confirmation in the Church of England or Bar Mitzvah for Jewish children A lot of the material published is trite and worst of all tends to patronise the children for whom it is intended To help parents and teachers answer questions about the ceremony Mark Allen offers readings and background from scripture and catechism Children are hard headed and like stories and facts The narrative of the Bible provides facts events which happened and along with them the objective truths of revelation The Mass is our sacramental encounter with the person of Jesus Preparation therefore should be based on him and on the Gospel story of His life The preparation should reflect the unity of the mass its liturgy of the Word and the Eucharistic Rite the mystery of Christ in our community as Church Routine is the key aid to progress The course provided in this book is based on a series of half hour sessions for parent and teacher with the child It is thus both practical and down to earth

Preparing Your Child for Holy Communion Betti Meenattoor, 2022-01-15 First Holy Communion day is the most important and memorable day in the life of a Catholic child. Eucharist is the ineffable gift and Holy Communion is the fusion between us and Jesus. Children start longing to receive Holy Communion at an early age but have to wait till they reach the age of discernment. In preparation they attend yearlong classes and training either through the Catholic School or the Sunday School Faith Formation classes. At the end of this lengthy preparation we still ask the same question: Are we really ready? Family is the domestic church and parents are the primary catechism teachers. Knowledge is power and education is empowerment. Being involved actively in faith formation in Holy Communion preparation, being a teacher and director of religious education for the past several years, answering the parents and reassuring them again and again, I thought of putting it together, hence this book: Preparing Your Child for Holy Communion: A Guide for Parents **Cross**
