**Lasting Impressions** Mark Waltz, 2013-01-15 Discover how to create a church culture that encourages connections and draws people deeper into the life at your church and deeper into a relationship with Jesus Author Mark Waltz provides proven steps for turning church guests into believers and believers into committed Christ floowers Identify ways to help people grow Develop expericences that hlep people belong not just attend Take a step deeper into the ministry and mission of your church This book provides startegies that are flexible and adaptable for any church *Branded Faith* Rajkumar Dixit, 2010-06-07 Christianity may be the greatest story ever told but in Western culture it is losing ground against the powerful forces of secularization In examining the root causes of this cultural shift does the church have anything to learn from secular society and the business sector For decades the church has resisted the idea of using business methodologies in the religious sphere Yet a closer look reveals that most church hierarchies have borrowed much of their organizational structure from the business sector But the church is not alone in its borrowing Today the lines between the church and the business sector are blurred as both entities influence each other interchangeably In *Branded Faith* Rajkumar Dixit enters an engaging and intellectually stimulating analysis of what the church can learn from the business practices of marketing branding and contextualization Using examples drawn from widely recognized companies such as Nike Starbucks Coca Cola and Subway Dixit systematically builds a case for the power of a story and emphasizes the importance of seeking culturally relevant ways to spread it Those who care deeply about sharing Christianity powerfully and effectively will find in *Branded Faith* a thoughtful presentation of ideas on how to maintain the integrity of the gospel while exploring fresh methods of communicating the good news to a postmodern society **The Spirituality of Welcoming** Dr. Ron Wolfson, 2011-06-22 A practical guide for envisioning and transforming your synagogue into a powerful new congregation of welcoming learning

**Holy Mavericks** Shayne Lee, Phillip Luke Sinitiere, 2009-04 Joel Osteen Paula White T D Jakes Rick Warren and Brian McLaren pastor some the largest churches in the nation lead vast spiritual networks write best selling books and are among the most influential preachers in American Protestantism today Spurred by the phenomenal appeal of these religious innovators sociologist Shayne Lee and historian Phillip Luke Sinitiere investigate how they operate and how their style of religious expression fits into America s cultural landscape Drawing from the theory of religious economy the authors offer new perspectives on evangelical leadership and key insights into why some religious movements thrive while others decline Holy Mavericks provides a useful overview of contemporary evangelicalism while emphasizing the importance of supply side thinking in understanding shifts in American religion It reveals how the Christian world hosts a culture of celebrity very similar to the secular realm particularly in terms of marketing branding and publicity Holy Mavericks reaffirms that religion is always in conversation with the larger society in which it is embedded and that it is imperative to understand how those religious suppliers who are able to change with the times will outlast those who are not *Fusion* Nelson Searcy, 2010-10-27

**People Are the Mission** Danny Franks, 2018-03-06 If you re a leader in a church or business and you want to improve your culture of hospitality then you ll love Danny s new book It s a must read Dan T Cathy CEO Chick fil A When it comes to interacting with guests churches typically gravitate towards one of two camps over the top shock and awe let us entertain you or oh man some people just showed up underwhelming experience Each extreme has drawbacks on one end people become the center of the universe On the other hospitality is effectively ignored in deference to the serious business of worship People Are the Mission proposes a healthy middle one where guests are esteemed but the gospel is the goal Danny Franks Connections Pastor at Summit Church shows churches how to take a more balanced approach a third way that is both guest friendly and gospel centric He shows why honoring the stranger doesn t stand in opposition to honoring the Savior People are the mission that Christ has called us to and if we focus on people we can better assist people to focus on the gospel

**Missing the Mission?** Danny Franks, 2017-01-15 Our lives are hardwired for consumerism We pursue experiences and things that make our lives more comfortable in an uncomfortable world Our deepest need however can only be satisfied in Jesus where we ultimately find our identity security and peace As a family of believers let s not get comfortable in our pews Let s reach out to people who are searching for the next thing and show them Jesus the only answer that satisfies

Does Preaching Have a Future? Dr. Dwight S. Riddick Sr., DR. FRANK A. THOMAS, 2015-08-07 From preaching sermons as a child in the backyard to delivering the upcoming Presidents address for the 101st annual gathering of the prestigious Hampton University Ministers Conference Dr Dwight Riddick has become transparent in his book Does Preaching Have a Future As you open the pages of this book you will find insightful conversational thoughts around the future of preaching He writes This book is intended to ignite conversation about what preaching should look like going forward if this discourse is not already burning in the soul This veteran seasoned pastor and teacher of the gospel has relied completely upon Scripture in his broad range of topics when it comes to the future of preaching Preach the word be instant in season out of season is a tried and proven counsel for preachers stretching all generations Ezekiel was faced with the question can these bones live Preachers today are asked if their preaching can bring about positive transformation in the lives of hopeless people and hopeless cases during changing

times Dr Riddick supports this conversational topic by reminding his fellow homileticians preachers that those called and anointed by God are uniquely qualified to explain the Scripture
