**Flashing Saber** Matthew Brennan, 2015-03-05 The division's expendables That's what one division commander called the Ninth Cavalry Blue platoons during the Vietnam War The Blues as they were called were perpetually understrength and considered to be acceptable losses in hopeless situations but their amazingly successful record proved otherwise A firsthand account of mortal combat with the Ninth Cavalry Flashing Saber is the remarkable story of the brave men who served in the First Air Cavalry Division's reconnaissance squadron Included is an account of an air ground raid that overran a regimental command post and killed more high ranking enemy officers than any similar engagement of the war The story begins when a teenager an Eagle Scout and West Point Prep School student goes to Vietnam in 1965 Motivated by patriotism and the desire to see combat firsthand Brennan volunteers for front line duty and spends years as an artillery forward observer and infantryman Promoted to sergeant and then to lieutenant Brennan participates in hundreds of assault landings An expansion and careful reworking of his previous work Brennan's War published in 1985 and in the vein of classic memoirs by Johnnie Clark and Frederick Downs Flashing Saber is a harrowing firsthand account of life and death in war one filled with breathtaking details about a renowned unit Writing about Vietnam Sandra M. Wittman, 1989 Within the last ten years a vast library of books has appeared on the Vietnam war and the events that surrounded the conflict This compilation presents succinctly annotated entries arranged by genre novels poetry short stories etc A section on teaching materials is included Annotation copyrighted by Book News Inc Portland OR *Romantic Times: Vegas: Book 3* Tina Wainwright, Crystal Perkins, Amanda McIntyre, Hailey J. Johnson, 1990 MIKE Force Shaun Darragh, 2015-10-23 A soldier serving with the MIKE Force in Vietnam wakes up every day knowing it might be his last You don't run with the indigenous Montagnard strikers expecting to live forever That's the nature of the beast that haunts American advisors serving with the tough little highland tribal volunteers in Vietnam's misty enemy infested central highlands It's tough demanding duty and just the kind of thing that attracts military mavericks like former Peace Corps volunteer Galen St Cyr who finds empathy and a new mystical identity with the Jarai tribesmen of his MIKE Force unit He finds himself on the outskirts of the regular U S military along with hand picked American Australian and Vietnamese Special Forces advisors and quickly discovers that duty with Montagnard soldiers involves more than just beating the bush and killing the enemy The world of the Jarai is both primitive and complex and learning to survive in it is the challenge of Galen's

turbulent life On a journey that becomes as much spiritual as military St Cyr virtually becomes Jarai taking a hauntingly lovely native lover who commands a squad of assassins and listens to spirit voices and deals with tribal separatist elements who are planning an anti government coup Given the dearth of native characters and perspectives in books about America s Vietnam intervention this work fills a gap It is one of the most nuanced even handed novels on the conflict it has more in common with Last of the Mohicans than Rambo or Delta Force And that makes it far superior as a work of art and far more fascinating as a work of fiction Andrew Salmon author of To the Last Round The Epic British Stand on the Imjin River and Scorched Earth Black Snow Britain and Australia in the Korean War Congressional Record United States.
