A Call to Christians William Law,1851      **A Call to Christians (Classic Reprint)** William Law,2015-07-08 Excerpt from A Call to Christians The reader is assured that no sentiments are expunged from this edition of the Serious Call but such as are repugnant to the views of the great bulk of Christians or are redundant In no case has any sentiment of the Editor been foisted into the book It was not deemed proper to make great alterations in the diction though in many respects this has necessarily been done to meet the present standard of taste In the original work though the author was an Episcopal minister some of the prominent errors not only of Jacob Behmen and Madame Guion but of the Romish Church constantly occur beside many peculiarities which have never been adopted by any body of Christians or perhaps by any other individual The intrinsic excellence of a large part of the book has however notwithstanding these blemishes kept it always in demand eighteen editions having already been printed in this country beside a still larger number in England It seemed therefore to the Editor and to many of his friends highly important that an expurgated edition should be prepared This has now been done with all the care and pains of which the Editor is capable It must be remembered by the reader that this book is addressed to professed Christians Hence it formed no part of the author s plan to exhibit the satisfaction of Christ or the mode of conversion About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **The Faith of a Quaker (Classic Reprint)** John William Graham,2017-02-06 Excerpt from The Faith of a Quaker There arise also the insistent questions which beset all mystics and which in Quakerism demanded a corporate instead of an individual answer Was the light infallible Was the claim to it an assumption of spiritual exaltation About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      *The Secret of Progress (Classic Reprint)* W. Cunningham,2016-10-16 Excerpt from The Secret of Progress Buckle<sup>1</sup> regarded it as clear that militarism and high intellectual development were not compatible till recently many people were prepared to believe that warfare was alien to the interest of civilised peoples and could only occur among half civilised or backward races But this war has shown that these hopes were vain and that the last result of

civilisation was not to render war impossible but to give the means of carrying it out on a vastly extended scale The increase of knowledge and of power over nature and the sense of the benefits of intercourse and inter communication have not sufficed to give us any immunity from war About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**The Christian Calling (Classic Reprint)** J. Llewelyn Davies, 2017-01-20 **The Disciples' Call** Christopher Jamison, OSB, 2013-12-05 There is currently no shared language of vocation among Catholics in the developed post modern world of Europe and North America The decline in practice of the faith and a weakened understanding of Church teaching has led to reduced numbers of people entering into marriage religious life and priesthood Uniquely this book traces the development of vocation from scriptural patristic roots through Thomism and the Reformation to engage with the modern vocational crisis How are these two approaches compatible The universal call to holiness is expressed in Lumen Gentium has been read by some as meaning that any vocational choice has the same value as any other such choice is some sense of a higher calling part of the Catholic theology of vocation or not Some claim that the single life is a vocation on a par with marriage and religious life what kind of a theology of vocation leads to that conclusion And is the secular use of the word vocation to describe certain profession helpful or misleading in the context of Catholic theology
