Call And Response Biblical Foundations Of A Theology Of Evangelism:

Call and Response Walter Klaiber, 1997 How Christian is evangelism How biblical is it In *Call and Response Biblical Foundations of a Theology of Evangelism* Walter Klaiber seeks answers to such provocative questions After reviewing the different understandings of evangelism abroad today fundamentalist charismatic pietist liberationist he articulates the conviction that evangelism is a central part of the church's mission At its most basic level asserts Klaiber evangelism is the announcement of the good news of salvation to those both outside and inside the church This understanding of the nature of evangelism provides the basis for the two major themes of the work The first is a discussion of evangelism in the New Testament in terms of its original contexts and meanings Here Klaiber examines the rich variety of New Testament images for the task of evangelism which range from the announcement of glad tidings to the poor to the revelation of God's righteousness The second is the question of the significance of personal decision in evangelism Here the biblical evidence provides the foundation for the author's discussion of the nature and necessity of conversion

The Logic of Evangelism

Michael J. Gehring, Andrew D. Kinsey, Vaughn W. Baker, 2019-02-14 The publication of William J Abraham's *The Logic of Evangelism* in 1989 marked a turning point in the field and practice of evangelism Almost thirty years later the book still provokes discussion as it stimulates both theorists and practitioners to comprehend evangelism as initiation into God's reign Combining theological insight and historical analysis Abraham's groundbreaking work remains the primary text to set the stage for how evangelism may be conceived In these timely essays written by both theologians and church leaders *The Logic of Evangelism Revisited* takes a critical and yet appreciative look into the ways Abraham's work still speaks to the church in today's world The authors coming from a wide array of backgrounds show how *The Logic of Evangelism* remains a key text into the twenty first century

The Study of Evangelism Paul W. Chilcote, Lacey C. Warner, 2008-02-13 Christians and communities of faith today are rediscovering evangelism as an essential aspect of the church's mission Many of the resulting books in the marketplace however have a hands on orientation often lacking serious theological engagement and reflection Bucking that how to trend *The Study of Evangelism* offers thirty groundbreaking essays that plumb the depths of the biblical and theological heritage of the church with reference to evangelistic practice Helpfully organized into six categories these broad diverse writings lay a solid scholarly foundation for meaningful dialogue about the church's practice of evangelism

Evangelism Renewed Henry H. Knight, 2025-04-08 Evangelism has entered a new day From the 1980s to the present a vast array of new forms of evangelism have emerged shaped and informed by theological reflection on the good news of Jesus Christ and the mission of God Rejecting the reduced and formulaic forms of evangelism typical of most of the twentieth century these newer approaches speak more of the reign and love of God relationship and community and both personal and social transformation They are very diverse but each has something to contribute to how we understand and practice evangelism This book is a doorway into these theologies of evangelism and their fresh and dynamic ways of sharing the good

news **The Evangelistic Love of God & Neighbor** Bishop Scott J. Jones, 2010-08-01 There are it seems as many definitions of the term evangelism as there are people doing the defining For some it means proclaiming the gospel to those who have not heard it To others it means making disciples of Jesus Christ To others it means working for the transformation of the world into the kingdom of God For still others it has principally to do with building vibrant healthy congregations Underlying this confusion is a fundamental inability to locate the practice of evangelism within one s overall theological convictions We will never understand the part that proclamation disciple making kingdom building and church growth play in evangelism until we first ask a more important question What does evangelism have to do with who God is What is it we know about God that makes evangelism a central part of what it means to be Christian In this comprehensive theology of evangelism Scott J Jones proposes to ground the practice of evangelism in an understanding of God s love for the world specifically as seen in the incarnation of God in Christ In Jesus God took on all of what it means to be human Because of this evangelism must be a ministry to the whole person The typical distinctions between soul winning social action and church growth evaporate individual conversion and acts of mercy are part of the same ministry of bringing persons more fully into the reign of a loving God T&T Clark Companion to Methodism Charles Yrigoyen Jr, 2014-09-25 This is an invaluable handbook on Methodism containing an introduction dictionary of key terms and concentrates on key themes methodology and research problems for those interested in studying the origins and development of the history and theology of world Methodism The literature describing the history and development of Methodism has been growing as scholars and general readers have become aware of its importance as a world church with approximately 40 million members in 300 Methodist denominations in 140 nations The tercentenary celebrations of the births of its founders John and Charles Wesley in 2003 and 2007 provided an additional focus on the evolution of the movement which became a church Gospel Witness David M. Gustafson, 2019-02-14 In light of our increasingly post Christian Western contexts David Gustafson offers a mission oriented ecclesiology that moves from missional theory to practices of missional engagement Introducing God s human drama as a way to explain the gospel within God s redemptive story he outlines specific ways for pastors and church leaders to shape a gospeling culture within their congregations Gustafson expertly lays the foundations of and approaches to evangelism that are seminal and apt for the church today **Arts Ministry** Michael J. Bauer, 2013-08-22 First United Methodist Church in Augusta Georgia gives concerts to raise money for local service organizations Trinity Lutheran Church in Mission Kansas has been sponsoring a religious art show for more than twenty five years Fellowship Lutheran Church runs a Christian arts camp for young people every summer These are just three of the eighteen case studies of practicing arts ministries in this book in which Michael Bauer encourages the nurture and support of all the creative gifts of God s people Bauer lays a solid foundation for arts ministry grounding it in the historic Christian tradition and urging churches to expand their engagement with the creative arts to live and worship in full color as he puts it A concluding chapter clearly lays out

how to develop an arts ministry helping readers to take these ideas from theory to practice to embrace and celebrate the continuing creative activity of God in the church

Offering Christ Jack Jackson, 2017-06-06 After decades of conversation serving up a mosaic of understandings of Wesleyan evangelism focusing on proclamation initiation and embodiment Jack Jackson offers a clearer portrait of Wesley's evangelistic vision understood through the lens of offering grace Any discussion of Wesley's vision of evangelism must center on the proclamation of the story of God in Christ But for John Wesley evangelism was much more than preaching for conversion This book offers a fresh conception of Wesley's evangelistic vision by analyzing his method of gospel proclamation Wesley was not constrained by the truncated vision of evangelism that has been dominant since the late nineteenth century one that all too often centers on group preaching with a sole emphasis on conversion Rather he stressed a number of practices that focus on a verbal proclamation of the gospel These practices occur in a variety of settings only one of which is public preaching and result in a number of responses only one of which is conversion Of crucial importance for current theological students clergy and church leaders around the world the book demonstrates that visitation for the purpose of spiritual direction and evangelism was in many ways the critical leadership and pastoral practice of early British Methodism This book offers important insights into early Methodism that inform both contemporary practices of evangelism and Christian leadership for both clergy and laity

Evangelism After Christendom Bryan Stone, 2007-03 Centers evangelism on the church as a body of witness reimagining the practice of evangelism from within a post Constantinian postliberal narrative of the church and world

The Gospel of John and the Religious Quest Johannes Nissen, 2013-09-24 The Gospel of John and the Religious Quest argues that at its origin the Fourth Gospel was part of a dialogue with various religious traditions and that to this day it is being used in active dialogue with those who live in traditions other than the Christian In the first part of the book Johannes Nissen analyzes a number of texts selected both for their central importance to John's theology and for their special relevance in today's religious quests and encounters These texts focus on John's images of Life water bread light way and tree but also treat concepts that are crucial to the Fourth Gospel Word Truth and Love In the second part Nissen focuses on significant issues for current readers of the Gospel the relation between incarnation and inculturation models for dialogue with other religions images of Christ truth and love as criteria for dialogue and the experience of faith in the light of the Fourth Gospel

Saving Women Lacey C. Warner, 2007 Saving Women is a much needed study of women's contributions to the theology of evangelism Through a careful consideration of the primary sources of six Protestant women ministering in America from 1800 1950 this historical and theological study demonstrates that these women combined verbal proclamation with other historic Christian practices in their roles as preacher visitor missionary educator activist and reformer

United Methodist Doctrine Bishop Scott J. Jones, 2010-09-01 Throughout this ebook Scott J Jones insists that for United Methodists the ultimate goal of doctrine is holiness Importantly he clarifies the nature and the specific claims of official United Methodist doctrine in a way that moves

beyond the current tendency to assume the only alternatives are a rigid dogmatism or an unfettered theological pluralism In classic Wesleyan form Jones driving concern is with recovering the vital role of forming believers in the mind of Christ so that they might live more faithfully in their many settings in our world The Continuing Conversion of the Church Darrell L. Guder, 2000-03-20 Western society is now a very different very difficult mission field In such a situation the mission of evangelism cannot succeed with an attitude of business as usual This volume builds a theology of evangelism that has its focus on the church itself Darrell Guder shows that the church's missionary calling requires that the theology and practice of evangelism be fundamentally rethought and redirected focused on the continuing evangelization of the church so that it can carry out its witness faithfully in today's world In Part 1 Guder explores how under the influence of reductionism and individualism the church has historically moved away from a biblical theology of evangelism Part 2 presents contemporary challenges to the church's evangelical ministry especially those challenges that illustrate the church's need for continuing conversion Part 3 discusses what a truly missional theology would mean for the church including sweeping changes in its institutional structures and practices Written for teachers church leaders and students of evangelism this volume is vital reading for everyone engaged in mission work *New SCM Dictionary of Christian Spirituality* Philip Sheldrake, 2013-05-20 This dictionary attempts to give direct access to the development of Christian Spirituality It is a series of pieces written by experts to provide instant accurate and thought provoking information of high scholarship **The Rage Against the Light** Peter Harris, 2019-04-29 Christopher Hitchens was the most eloquent of the New Atheists With great rhetorical polish and an encyclopedic mind for historical facts and literary quotations he presents the case of anti theism very effectively Though now deceased Hitchens arguments continue to reverberate through his best selling books and online presence God asserts Hitchens would be if he existed the greatest of dictators Religion according to Hitchens is morally bankrupt and madly irrational The world is better off without them But is this true It is the purpose of this book to identify Hitchens worldview in order to subject it to a critique that will powerfully expose its many flaws Rather than a dictator God will be shown to be a God of love Christianity too will be revealed as a faith that ought to resist tyranny provides the best foundation for intrinsic human value and is a rational belief system In so doing this book appeals to all who have been influenced or convinced by Hitchens arguments to reconsider their position and refuse to rage against the light **Making Disciples in a World Parish** Paul W. Chilcote, 2011-04-01 In this collection of inspirational and challenging essays Methodists from around the globe reflect on the practice of disciple making in their own contexts From their own perspectives they address questions like What are the challenges you face What biblical images shape your missional practice What examples of Christian authenticity inspire your communities What gifts related to mission and evangelism do you offer the global community of faith Churches on every continent have their own stories of struggle and faithfulness Indeed each distinct community within any given region has a voice of its own that deserves to be heard The voices included in this volume belong to women and men alike

Likewise they resound with the accents of Africa and Asia Latin and North America Europe and Oceania Each voice is distinct but all articulate a vision of faith made effective through love In a world characterized variously by poverty and violence as well as prosperity and peace the church must reclaim its central mission to make disciples of Jesus Christ In their effort to articulate a vision of mission and evangelism the contributors to this volume bear witness to the fact that we can no longer do this work in isolation from one another To be the ambassadors of the gospel we need each other and we need to pay attention to the voices that sound different from our own This volume takes a large step in that vital direction

Subversive Meals Streett R Alan, 2016-11-24 In *Subversive Meals* Alan Streett follows on from James C Scott's idea of a hidden transcript to argue that the Lord's Supper was a subversive non violent act against the Roman Empire Primarily through exegesis of the writings of Luke and Paul Streett examines the political nature of the meal in the context of first century Roman domination In his widely researched argument Streett illuminates for the reader why understanding the Lord's Supper as a purely symbolic act overlooks the political significance it would have had in the first century CE *Subversive Meals* analyses how the structure of the Lord's Supper followed that of a Roman banquet by having a deipnon and a symposium the latter being the time when anti resistance discussions would take place Streett examines several aspects of the history context and theological significance of the Lord's Supper He discusses such topics as the identification

of Passover as an anti imperial meal against the Pharaoh s rule the Roman domination system the meal practices of Jesus the eschatological meaning of the Last Supper the practice of this anti imperial work ethic in the early church and the gift of prophecy as a symposium activity By seeing the Lord s Supper as a political act readers will be able to study Scriptural passages more closely and precisely
