The Meaning of Travel Emily Thomas,2020-02-27 How can we think more deeply about travel This was the thought that inspired Emily Thomas to journey into the philosophy of travel to explore the places where philosophy and travel intersect Part philosophical ramble part memoir The Meaning of Travel begins in the Age of Discovery in the sixteenth century when philosophers first began thinking and writing seriously about travel It then meanders forward to encounter the thoughts of Montaigne on otherness John Locke on cannibals and Henry Thoreau on wilderness On our travels with Emily Thomas we discover the dark side of maps how the philosophy of space fuelled mountain tourism and why you should wash underwear in woodland cabins We also confront profound questions such as the debate on the ethics of doom tourism travel to doomed places such as glaciers or coral reefs and how space travel might come to affect our understanding of human significance in a leviathan universe The first ever history of the places where history and philosophy meet this book will reshape your understanding of travel

A Year in the Woods Torbjørn Ekelund,2021-10-12 From the acclaimed author of In Praise of Paths comes a humorous and modest Walden for

modern times As nature becomes ever more precious we all want to spend more time appreciating it But time is often hard to come by And how do we appreciate nature without disruption In this sensitively written book Torbjørn Ekelund an acclaimed Norwegian nature writer shares a creative and non intrusive method for immersing oneself in nature And the result is nothing short of transformative Evoking Henry David Thoreau and the four season structure of Walden Ekelund writes about communing with nature by repeating a small simple ritual and engaging in quiet reflection At the start of the book he hatches a plan to leave the city after work one day per month camp near the same tiny pond in the forest and return to work the next day He keeps this up for a year His ritual is far from rigorous and it is never perfect One evening he grows so cold in his tent that he hikes out before daybreak But as Ekelund inevitably greets the same trees and boulders each month he appreciates the banality of their sameness alongside their quiet beauty He wonders how long they have stood silently in this place and reflects on his own short existence among them A Year in the Woods asks us to reconsider our relationship with the natural world Are we anxious wanderers or mindful observers Do we honor the seasons or let them pass us by At once beautifully written accessible and engaging A Year in the Woods is the perfect book for anyone who longs for a deeper connection with their environment but is realistic about time and ambition

Food and Masculinity in Contemporary Autobiographies

Nieves Pascual Soler, 2017-12-12 This book is concerned with food autobiographies written by men from the 1980s to the present It concentrates on how food has transformed autobiographical narratives and how these define the ways men eat and cook nowadays After presenting a historical overview of the place of food within men's autobiography this volume analyzes the reasons for our present interest in food and the proliferation of life narratives focused on cooking Then it centers around the identities that male chefs are taking on in the writing of their lives and the generic models they use the heroic the criminal and the hunting autobiographical scripts This study gives evidence that autobiographies are crucial in the redefinition of the new masculinities emerging in the kitchen It will appeal to readers interested in Food Studies

My Alaskan Frontier: A Memoir Pasquale De Marco, 2025-04-28

In the heart of the Alaskan wilderness where towering mountains meet pristine forests and icy rivers flow lies a frontier unlike any other My Alaskan Frontier is a memoir of a life lived on the edge of the world a testament to the resilience and determination of those who dare to call this wild land their home This book is a journey through the Alaskan wilderness a celebration of its beauty and a reflection on the challenges and rewards of living in such a harsh and unforgiving environment It is a story of a life lived off the land of building a homestead from scratch and of facing the challenges of isolation and loneliness It is a story of lessons learned and wisdom gained of the importance of self reliance and independence and of the deep connection to the land that Alaskans feel My Alaskan Frontier is also a story of change The author has witnessed the impact of climate change

on the landscape and the way of life for its people He has seen the arrival of new industries and the growth of cities and towns But through it all the spirit of Alaska remains strong Alaskans are a hardy and resilient people who are fiercely proud of their land and their heritage They are a people who are willing to fight for what they believe in and who are always ready to lend a helping hand to their neighbors This book is a love letter to the land and the people of Alaska It is a celebration of the frontier spirit a spirit that is alive and well in the hearts of Alaskans today It is a story of a life lived to the fullest a life filled with challenges and rewards a life that the author would not trade for anything My Alaskan Frontier is a must read for anyone who loves the wilderness who is interested in the history and culture of Alaska or who simply wants to be inspired by the stories of those who have dared to live on the edge of the world If you like this book write a review on google books

Wild About Denali Sara Blackard,2021-12-01 Falling for the single mom Nope Not gonna happen no matter how gorgeous and kindhearted she is The potential for heartache is too high I should know My mum proved that dating a single parent leaves one open for soul crushing bachelorhood Which is why I was determined to keep things friendly with Denali Wilde once I learned that the beautiful police dog trainer came with a kid Why add the possibility of angst and suffering to my already stressful move to Alaska and opening an animal rescue center Too bad I didn t keep my wits when it came to her son The problem The kid is amazing into rescuing animals just like I am Fair dinkum the kid needs a mate about as badly as I do I ve done a lot of crazy things in life I mean my TV series on Nature Channel wasn t called Getting Wild with Wilder for its placid landscapes and tranquil animals Yet getting close to Denali and her son proves I have more than a few roos loose in the top paddock Not only has my admiration for Denali increased with her insane dedication to her son but he s buried himself so far in my heart I ll never escape My determination to keep things friendly with Denali Yeah not as easy as I thought it would be at least on my end The thing is I m wild about Denali I just don t think she feels the same for me Wild About Denali is a laugh out loud heart melting romcom with a single mom an Aussie reality TV star and kisses that will curl your toes while keeping it clean

The Wonderbox Roman Krznaric,2011-12-22 There are many ways to try to improve our lives we can turn to the wisdom of philosophers the teachings of religions or the latest experiments of psychologists But we rarely to look to history for inspiration and when we do it can be surprisingly powerful Showing the lessons that can be learned from the past cultural historian Roman Krznaric explores twelve universal topics from work and love to money and creativity and reveals the wisdom that we ve been missing There is much to be learned from Ancient Greece on relationships from the industrial revolution on job satisfaction and from Ming dynasty China on bringing up our children Just as a Renaissance Wunderkammer was a curiosity cabinet full of fascinating objects each with a story behind it The Wonderbox is full of stories

and ideas from history each of which sheds invaluable light on the decisions we make every day whether we think about the different uses of the senses or changing attitudes to time History is usually read for pleasure or for insight into current affairs but The Wonderbox stepping into the territory of Alain de Botton and Theodore Zeldin is practical history using the past to think about our day to day lives
