Calling And Character Virtues Of The Ordained Life:

Calling & Character William H. Willimon, 2000 In *Calling Character* Willimon lays out a clear compelling picture of the pastoral life one that can inform both those embarking on ordained ministry and those who have been in it for many years He lays out specific habits such as study collegiality and humor as the day by day means of following the difficult and dangerous yet deeply rewarding calling of a pastor *What We Love: Reflections on Ministry, Leadership, and Mission* Myk

Habets, John Tucker, 2018-03-08 Leadership is a quality that often goes underappreciated or unrecognised in New Zealand church life But this is not how it should be Leadership is a godly and biblical quality and those with such gifts are to be celebrated and cherished This volume is a tribute to one such gifted leader Charles Hewlett eighth Principal of Carey Baptist College 2010 2017 Structured around the theme of *What We Love* a saying Charles would repeat often throughout his principalship faculty and students reflect on biblical theological and applied themes central to Christian thought and practice today More than an in house tribute this volume will be of interest and use to pastors and practitioners looking for considered reflections on ministry leadership and mission today *Sustaining Ministry* Sondra Wheeler, 2017-11-07 This book offers an account of the moral foundations of pastoral ethics and the underlying interpersonal dynamics that make the practice of ministry powerful and also morally dangerous even for those with the best of intentions Sondra Wheeler examines the personal disciplines and spiritual practices that help sustain safe ministry including the essential practices of prayer and spiritual accountability She equips ministers to abide by ethical standards when they come under pressure and offers practical strategies for navigating challenges The author also stresses personal vulnerability and unselfish self care

Ministry by the Book Derek Tidball, 2009-05-29 Focusing on pastoral leadership within local churches or groups of churches Derek Tidball provides a comprehensive survey of the variety of ministry models and patterns found in the New Testament with applications for today's ministry *Graceful Speech* Lucy Lind Hogan, 2006-01-01 In this introductory text Lucy Lind Hogan helps the reader understand the theological task of becoming a preacher the craft of writing the sermon and the importance of communicating the gospel in the present world In doing so she creates a book that is more holistic than any other homiletics text currently on the market Hogan begins with a theological rationale for preaching which serves as a basis for understanding the identity of the preacher She then explores the context for preaching showing how to interpret a scriptural text design a sermon and use illustrations and examples She also discusses preaching for special occasions the use of different technologies in preaching and the importance of delivery This book includes questions for reflection **Praise Seeking Understanding** Jason Byassee, 2007-11-08 *Praise Seeking Understanding* sits at the intersection of three important fields in theology theological exegesis Augustinian studies and contemporary church practice Jason Byassee deftly brings the three together revealing an important symbiotic relationship between them a relationship hitherto largely ignored Though current exegetical methods have swung away from a Christological reading of the Old

Testament rejecting in particular Augustine's treatment of the text Byassee believes that is a mistake we must remedy Using a recent translation of Augustine's *Enarrationes in Psalmos* Byassee describes in depth Augustine's psalm hermeneutic and his approach to scripture generally offering a defense of these views in conversation with recent work in theological exegesis

The Doctrine and Discipline of the African Methodist Episcopal Zion Church 2012 Discipline Codification Commission, 2014-12-11 The Doctrine and Discipline of the AME Zion Church 2012 is the Book of Discipline for this 218 year old denomination Based upon the original tenets of Wesleyan theology and doctrine and under girded by its founders of African birth the church's mission is to promote freedom and liberty to the lost and disenfranchised

The Oxford Handbook of Anglican Studies Mark D. Chapman, Sathianathan Clarke, Martyn Percy, 2015-10-22 The Anglican Communion is the third largest Christian denomination and claims a membership of some 80 million members in about 164 countries Given that there are only around two hundred countries in the world this makes the churches of the Anglican Communion the most geographically widespread denomination after Roman Catholicism The 44 essays in this volume embrace a wide range of academic disciplines theological historical demography and geography and different aspects of culture and ethics They are united in their discussion of what is effectively a new inter disciplinary subject which we have termed Anglican Studies At the core of this volume is the phenomenon of Anglicanism as this is expressed in different places and in a variety of ways across the world This Handbook covers a far broader set of topics from a wider range of perspectives than has been hitherto attempted in Anglican Studies At the same time it doesn't impose a particular theological or historical agenda The contributions are drawn from across the spectrum of theological views and opinions It shows that the unsettled nature of the polity is part of its own rich history and many will see this as a somewhat lustrous tradition In its comprehensive coverage this volume is a valuable contribution to Anglican Studies and helps formulate a discipline that might perhaps promote dialogue and discussion across the Anglican world

Another Christ Andrew D. Mayes, 2024-08-30 This is a riveting book with bite an exploration with edginess Compelling and arresting images confront us with a fresh view of Jesus and of ourselves as we rediscover our vocation to be Another Christ for troubled times Recent research into the first century setting of the gospel and the author's years in the Holy Land cast unexpected light on both the identity of Jesus and our present calling while Francis of Assisi reveals how this can be creatively lived out We have a choice If we keep before our eyes images of Christ that are comforting soothing familiar traditional then our Christian life may turn out to be prosaic pedestrian and predictable a preservative to maintain the status quo But if we allow our discipleship today to be unsettled and inspired by images of Christ that are dynamic risky outrageous brave passionate radical then we open ourselves to new possibilities we embark on a liberating adventure an odyssey of the soul a pilgrimage a voyage into untested waters What will we choose Do we dare to take the unpredictable

path And which route will respond most courageously to the needs of today s wounded world *Ducking Spears, Dancing Madly* Prof. Bruce C. Birch, Lewis A. Parks, Lewis Parks, 2004-05-01 Leadership among God s people is not a matter of easy answers or simple solutions There is no foolproof list of character traits that one can acquire and develop in order to be a successful leader Authentic leadership is a complex interaction of the leader s gifts and calling the people s needs and response the particular situation of the moment and above all the guidance of the Holy Spirit Birch and Parks believe if we wish to understand the intricate and messy character of leadership in the church the obvious place to start is Scripture The Bible portrays leaders not as heroes placed on a pedestal but rather as flawed and fallen human beings who nonetheless work with the people around them and with the situation at hand to move toward accomplishing the will of God *Ducking Spears Dancing Madly* is a penetrating look at church leadership through the stories of Saul David and other central Old Testament figures The authors demonstrate that those who have a clear and honest understanding of the triumphs and flaws of the individuals who lead God s people in Scripture will be better prepared to lead God s people today In order to provide that understanding they engage in a dialogue with the books of 1 and 2 Samuel texts that portray the people of Israel in frequent social and political transition and hence in need of effective leadership *Conversational Preaching* The Rev. Dr. Mike Sowards, D.Min., 2017-09-18 In *Conversational Preaching* we are given an in depth investigation into how humans communicate and how understanding interpersonal communications skills can be of considerable value for those called to preach God s word Dr Sowards has made rather elegant use of the model of interpersonal communication as a device to explore preaching and communicating with congregants Dr Dalton Kehoe Senior Scholar Communication Studies York University Toronto Canada Sowards book advances the idea of conversational preaching beyond the merely metaphorical by applying practical insights from Interpersonal Communications Theory to the act of sermon crafting The Rev Dr Micah Jackson Ph D Bishop John Elbridge Hines Associate Professor of Preaching and Director of Comprehensive Wellness Seminary of the Southwest in Austin Texas This book is for preachers and students of preaching who want to become better preachers and communicators I have explored the theories of interpersonal communication and shown how preachers can benefit from such knowledge I described the concept of noise as an impediment to communications and explored the topic with regard to politics beliefs about the poor past religious experiences and having an underdeveloped faith I examined the concept of feedback and how effective feedback can be fodder for future sermons I developed a model for conversational preaching using interpersonal communications theory and state that the ultimate goal of any sermon would be to facilitate a conversation with the hearers of a sermon and God *The Minister as Moral Theologian* Sondra Wheeler, 2017-05-16 The practice of ministry requires pastors and Christian leaders to serve as moral theologians in their communities Ministers must preach about morally challenging texts teach about moral issues and conflicts offer moral counsel and serve as an example regarding the shape of faithful Christian life Grounding pastoral ethics in spiritual formation and spiritual disciplines this

Contemporary Issues in the Worldwide Anglican Communion Abby Day,2017-05-15 Contemporary Issues in the Worldwide Anglican Communion offers unique perspectives on an organisation undergoing significant and rapid change with important religious and wider sociological consequences The book explores what the academic research community Anglican clergy and laypeople are suggesting are critical issues facing the Anglican communion as power and authority relations shift including gender roles changing families challenges of an aging population demands and opportunities generated by young

people mobility and mutations of worship communities contested conformities to policies surrounding sexual orientation impact of social class and income differences variable patterns of congregational growth and decline and global power and growth shifts from north to south *A New Church and A New Seminary* David McAllister-Wilson,2018-04-02 Many churches are mule churches strong for a generation but unable to reproduce themselves As a mule comes from a horse and a donkey they were the product of demographics and cultural conditions conducive for a generation of strength but did not produce many offspring in new church starts or strong candidates for ministry Mule churches create a generation or more of pastors superintendents and bishops who think they knew what made for strong church who think their approach to ministry is the key reason for their success And it produces churches with a nostalgia for the way things used to be This makes it hard for churches to adapt to change We've been declining for a long time due to changes in secular and consumer culture demographics radically adjusting normative family structure and a theology based in consumer marketing rather than mission driven vitality Now we realize that the church is free to not just make the gospel relevant to life but to make life relevant to the gospel Conservative evangelical Christianity was able to focus on relevance prior to its ascendancy on the national stage Methodism requires a similar period of confessional self definition We are going through these confessions now in the debate about our stance toward homosexuality Most students and most professors go to the seminary to fix the church because they realize that the future of the church and its seminaries are inseparable Seminaries provide scholars for the church who learn how to think who learn how to take the long view who shape identity who foster a culture of calling A new kind of Methodist progressive evangelicalism is regenerating which lives the great commandment love and the great commission reproducing disciples on a global scale Before seminaries prepared pastors to maintain healthy churches in stable neighborhoods Now every neighborhood is changing and many churches are losing their members and their confidence They long for a recovery of their sense of mission and a new kind of leadership A new kind of seminary is regenerating to foster hope wisdom creativity and engagement with the great issues of our day **Preachers and Misfits, Prophets and Thieves** G. Lee Ramsey,2008-01-01 In this compelling book G Lee Ramsey Jr mines the riches of southern fiction and discovers a colorful assortment of ministers who arise out of the religious South At once mystical and mischievous these ministers haunt the margins of southern life while preaching a gospel that startles and compels But their oddness is also their appeal and part of their gift For through these colorful portraits of Christian ministry today's readers are challenged to think about what matters in ministry and to re imagine ministry in ways that bring new life to the church and community Throughout Ramsey shows how ministers such as Roger Hagan in Will Campbell's *The Convention* and Hazel Motes in Flannery O'Connor's *Wise Blood* can help show us the stumbling blocks to faithful ministry and steer clergy and congregations forward in today's world *Preachers Dare* Bishop William H. Willimon,2020-10-06 *Preachers Dare* is adapted from Will Willimon's *Lyman Beecher Lectures on Preaching at Yale* and is inspired by a quote from the great

theologian Karl Barth In a world in which sermons too often become hackneyed conventional wisdom or tame common sense preachers dare to speak about the God who speaks to us as Jesus Christ Willimon draws upon his decades of preaching as well as his many books on the practice of homiletics to present a bold theology of preaching This work emphasizes preaching as a distinctively theological endeavor that begins with and is enabled by God God speaks preachers dare to speak the speech of God and the church dares to listen By moving from the biblical text to the contemporary context preachers dare to speak up for God so that God might speak today With fresh biblical insights creativity and pointed humor Willimon gives today s preachers and congregations encouragement to speak with the God who has so graciously and effusively spoken to us
