Reviving Rural America Ann M. Eisenberg,2024-06-30 We often hear that there is no way out of the modern economic and political tensions that fall along geographic lines The media regularly declares that rural America is dying and that rural voters are driven only by anger This narrative of hopelessness centers on the role that markets have played in abandoning rural regions and populations In *Reviving Rural America* Ann M Eisenberg analyzes our society's laws and policies role in the urban rural divide to make the case for hope She demonstrates how law and policy as well as decision makers acting on their own subjective values have contributed to modern rural challenges Each chapter debunks a common myth about rural people places and policies helping reveal how we got to where we are now Ultimately calling for our laws and policies to steward rural America holistically as a collective resource for all this book envisions an alternative more resilient and more just future

**Rethinking Retail** Martin Block, Frank Mulhern, Larry DeGaris, Don Schultz,2025-07-02 Retailing has changed rapidly in recent years with the pandemic accelerating the long term growth of e commerce Drawing on a unique data set drawn from hundreds of thousands of interviews over almost two decades this book takes a close look at changes in consumers shopping preferences behaviors and influences Across a range of topics the authors argue that the rise

of e commerce has coincided with a decline in consumer preferences what people buy and where they buy it This presents challenges for both retailers and manufacturers The authors propose that the answer lies with consumers A focus on consumers is fundamental to designing effective marketing strategies and campaigns However retailers and brands often have different perspectives about consumers This book bridges that gap The broad scope of topics and longitudinal data give retailers and brand marketers a roadmap for building and maintaining consumer preference in a rapidly changing and challenging environment
