

*George Washington*  
**Reconsidered**

EDITED BY GORDON H. B. GIBBON

# George Washington Reconsidered

**Marie Jenkins Schwartz**

## **George Washington Reconsidered:**

**George Washington Reconsidered** Don Higginbotham, 2001 George Washington heroic general of the Revolution master of Mount Vernon and first president of the United States remains the most enigmatic figure of the founding generation with historians and the public at large still arguing over the strengths of his character and the nature of his intellectual and political contributions to the early republic Representing the finest recent scholarship on Washington these thirteen essays by the leading scholars in the field strike a balance in their focus between Washington's personal life and character and his public life as a soldier and political figure Editor Don Higginbotham provides an introduction about Washington and his treatment by historians and an afterword devoted to how the American people have viewed Washington including the 1999 commemorations of the bicentennial of his death With three essays written specifically for this volume George Washington Reconsidered is the first collection of its kind to be published in over thirty years George Washington Don Higginbotham, 2004-09-24 In 1776 thirteen colonies declared their independence from Britain Although they came together to fight a war the colonies were far from a unified nation In *George Washington: Uniting a Nation* Don Higginbotham argues that Washington's greatest contribution to American life was creating a sense of American unity In clear and concise prose Higginbotham shows that as Revolutionary War commander proponent of the Constitution and president George Washington focused on building national identity and erecting institutions to cement the fledgling nation The first book on Washington to examine exclusively his role in state formation *George Washington* is essential reading for scholars students and everyone interested in America's first and most formative president **George Washington**, **George Washington**

Peter R. Henriques, 2025-09-23 A concise compelling biography of Washington and the forces that drove him What drove George Washington to become the preeminent man of his time and to secure a lasting reputation as one of history's great leaders In this concise and engaging profile Peter Henriques a renowned Washington expert recounts how Washington possessed a desperate desire to be seen admired honored and above all to be remembered Over the course of his life Washington deliberately and self consciously shaped his public image Even his decision dictated in his last will and testament to emancipate the men and women he had held in slavery during his lifetime related directly to his desire to be perceived as honorable after his death and to safeguard his posthumous reputation The complicated and controversial question of Washington and slavery is examined in an afterword Written with a clarity that comes only from deep understanding this biography goes right to the heart of what made Washington live and succeed as the greatest of America's founding fathers

*George Washington* Robert Francis Jones, 2002 Jones history Fordham U extensively revises and enlarges his *George Washington: A Biography* originally published in 1979 and in print since then His goal is to synthesize the best contemporary scholarship into a relatively brief and readable biography for the general reader and student Annotation copyrighted by Book News Inc Portland OR **The Political Philosophy of George Washington** Jeffry H. Morrison, 2009-04-15 A political life

of Washington Classical republican political culture and philosophy British liberalism revolution union and foreign affairs Protestant Christianity providence and the republic      **A Companion to George Washington** Edward G.

Lengel,2012-04-19 Utilizing new primary source material from the Papers of George Washington a documentary editing project dedicated to the transcription and publication of original documents A Companion to George Washington features a collection of original readings from scholars and popular historians that shed new light on all aspects of the life of George Washington Provides readers with new insights into previously neglected aspects of Washington s life Features original essays from top scholars and popular historians Based on new research from thousands of previously unpublished letters to and from Washington      *The Nine Lives of George Washington* William W. Betts Jr.,2013-04 How George Washington survived so many close encounters with the Grim Reaper in the wilderness frontier on the battlefield from serious illness and in terrifying accidents can be read only in the story of a steady succession of miracles For the incredible fact that he survived all of these encounters except of course the last to live sixty seven years is a consummation for which untold millions can be eternally grateful For it was Washington who with the success of the Revolution and the leadership provided through two terms as President brought forth upon this continent an entirely new way of life This society governed as it now was by a spirited reverence for freedom and guaranteed by documents revolutionary in their principles must have startled the Old World      **History of American Political Thought** Bryan-Paul Frost,Jeffrey Sikkenga,2003-01-01 Revised and updated this long awaited second edition provides a comprehensive introduction to what the most thoughtful Americans have said about the American experience from the colonial period to the present The book examines the political thought of the most important American statesmen activists and writers across era and ideologies helping another generation of students scholars and citizens to understand more fully the meaning of America This new second edition of the book includes new essays on Walt Whitman Lyndon Baines Johnson Ronald Reagan and Barack Obama Significant revisions and additions have also been made to many of the original essays increasing the breadth and depth of the collection      **George Washington and Political Fatherhood** Heinz Tschachler,2020-02-20 More than two hundred years after his death George Washington is still often considered the metaphorical father of the United States He was first known as the Father of His Country during his lifetime when the American people bestowed the title upon him as a symbolic act of resistance and rebirth Since then presidents have stood as paternal figureheads for America often serving as moral beacons This book tracks political fatherhood throughout world history from the idea of the pater patriae in Roman antiquity to Martin Luther s Bible translations and beyond Often using George Washington as a paradigm the author explores presidential iconography in the U S propaganda and the role of paternal rhetoric in shaping American sociopolitical history including the results of the 2016 presidential election      *Encyclopedia of American Literature* Manly, Inc.,2013-06 Susan Clair Imbarrato Carol Berkin Brett Barney Lisa Paddock Matthew J Bruccoli George Parker Anderson Judith S      **Confidence and Character** James A. Pingel

II,2014-12-09 His birthday was once celebrated as a national holiday and his portrait once adorned the walls of almost every classroom in the United States He was a victorious Revolutionary War general a crucial influence in the creation of the Constitution and the first President of the United States Today unfortunately many only know America's first hero and the Father of His Country as a slaveholder with wooden teeth or as the somber looking man on the one dollar bill To many he remains a distant mysterious and unapproachable figure from a day long gone The truth about George Washington however is much different He was America's most successful venerated and indispensable founding father So who was this man What made him such a singularly successful leader What lessons can be learned from his life Confidence and Character The Religious Life of George Washington examines religion's impact on the private and public man Too often ignored underemphasized suppressed or distorted Washington's religious faith fundamentally inspired and nurtured his worldview vocational performance and leadership This is the Washington we need to get to know and learn from even today

**Realistic Visionary** Peter R. Henriques,2006 Examines the accomplishments and mistakes made by George Washington discussing why he was sensitive to criticism and slow to accept blame but still managed to envision a free and united America

Washington's End Jonathan Horn,2021-02-09 Popular historian and former White House speechwriter Jonathan Horn provides a captivating and enlightening look at George Washington's post presidential life and the politically divided country that was part of his legacy New York Journal of Books Beginning where most biographies of George Washington leave off Washington's End opens with the first president exiting office after eight years and entering what would become the most bewildering stage of his life Embittered by partisan criticism and eager to return to his farm Washington assumed a role for which there was no precedent at a time when the kings across the ocean yielded their crowns only upon losing their heads In a different sense Washington would lose his head too In this riveting read bestselling author Jonathan Horn reveals that the quest to surrender power proved more difficult than Washington imagined and brought his life to an end he never expected The statesman who had staked his legacy on withdrawing from public life would feud with his successors and find himself drawn back into military command The patriarch who had dedicated his life to uniting his country would leave his name to a new capital city destined to become synonymous with political divisions A movable feast of a book Jay Winik New York Times bestselling author of 1944 immaculately researched and powerfully told through the eyes not only of Washington but also of his family members friends and foes Washington's End is an outstanding biographical work on one of America's most prominent leaders Library Journal

In the Name of the Father Francois Furstenberg,2007-04-24 In this revelatory and genuinely groundbreaking study Francois Furstenberg sheds new light on the genesis of American identity Immersing us in the publishing culture of the early nineteenth century he shows us how the words of George Washington and others of his generation became America's sacred scripture and provided the foundation for a new civic culture one whose reconciliation with slavery unleashed consequences that haunt us still A dazzling work of scholarship from a brilliant young historian In the

Name of the Father is a major contribution to American social history      The First of Men John E. Ferling, 2010-02-04  
Written by John Ferling one of America's leading historians of the Revolutionary era *The First of Men* offers an illuminating portrait of George Washington's life with emphasis on his military and political career Here is a riveting account that captures Washington in all his complexity recounting not only Washington's familiar sterling qualities courage industry ability to make difficult decisions ceaseless striving for self improvement love of his family and loyalty to friends but also his less well known character flaws Indeed as Ferling shows Washington had to overcome many negative traits as he matured into a leader The young Washington was accused of ingratitude and certain of his letters from this period read as if they were written by a pompous martinet and a whining petulant brat As commander in chief of the Continental Army he lost his temper more than once and indulged flatterers Aaron Burr found him a boring colorless person As president he often believed the worst about individual officials Ferling concludes that Washington's personality and temperament were those of a self centered and self absorbed man one who since youth had exhibited a fragile self esteem And yet he managed to realize virtually every grand design he ever conceived Ferling's Washington is driven fired by ambition envy and dreams of fame and fortune Yet his leadership and character galvanized the American Revolution probably no one else could have kept the war going until the master stroke at Yorktown and helped the fledgling nation take and survive its first unsteady steps This superb paperback makes available once again an unflinchingly honest and compelling biography of the father of our country

*Washington's Revolution* Robert Middlekauff, 2016-02-09 Focusing on Washington's early years Bancroft Prize winner and Pulitzer Prize finalist Robert Middlekauff penetrates his mystique revealing his all too human fears values and passions Rich in psychological detail regarding Washington's temperament idiosyncrasies and experiences this book shows a self conscious Washington who grew in confidence and experience as a young soldier businessman and Virginia gentleman and who was transformed into a patriot by the revolutionary ferment of the 1760s and 70s Middlekauff makes clear that Washington was at the heart of not just the revolution's course and outcome but also the success of the nation it produced This vivid insightful new account of the formative years that shaped a callow George Washington into an extraordinary leader is an indispensable book for truly understanding one of America's great figures      **Ties That Bound** Marie Jenkins

Schwartz, 2017-04-06 Behind every great man stands a great woman And behind that great woman stands a slave Or so it was in the households of the Founding Fathers from Virginia where slaves worked and suffered throughout the domestic environments of the era from Mount Vernon Monticello and Montpelier to the nation's capital American icons like Martha Washington Martha Jefferson and Dolley Madison were all slaveholders And as Marie Jenkins Schwartz uncovers in *Ties That Bound* these women as the day to day managers of their households dealt with the realities of a slaveholding culture directly and continually even in the most intimate of spaces Unlike other histories that treat the stories of the First Ladies slaves as separate from the lives of their mistresses *Ties That Bound* closely examines the relationships that developed between the

First Ladies and their slaves For elite women and their families slaves were more than an agricultural workforce slavery was an entire domestic way of life that reflected and reinforced their status In many cases slaves were more constant companions to the white women of the household than were their husbands and sons who often traveled or were at war By looking closely at the complicated intimacy these women shared Schwartz is able to reveal how they negotiated their roles illuminating much about the lives of slaves themselves as well as class race and gender in early America By detailing the prevalence and prominence of slaves in the daily lives of women who helped shape the country Schwartz makes it clear that it is impossible to honestly tell the stories of these women while ignoring their slaves She asks us to consider anew the embedded power of slavery in the very earliest conception of American politics society and everyday domestic routines

**Religion and the American Presidency** M. Rozell, G. Whitney, 2007-05-14 This volume opens a new avenue toward understanding the politics and policies of many US presidents As the essays in this book reveal religion has had an enormous impact on many critical presidencies in US history Contrary to the conventional wisdom these essays reveal the deeply religious side to Truman Eisenhower and Reagan among others

**Great Warrior Leaders/thinkers** , 1989

## **George Washington Reconsidered** Book Review: Unveiling the Power of Words

### **George Washington Reconsidered Introduction**

In the digital age, access to information has become easier than ever before. The ability to download George Washington Reconsidered has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download George Washington Reconsidered has opened up a world of possibilities. Downloading George Washington Reconsidered provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading George Washington Reconsidered has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download George Washington Reconsidered. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading George Washington Reconsidered. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading George Washington Reconsidered, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download George Washington Reconsidered has transformed the way we access information. With

the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About George Washington Reconsidered Books**

**What is a George Washington Reconsidered PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a George Washington Reconsidered PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a George Washington Reconsidered PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a George Washington Reconsidered PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a George Washington Reconsidered PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
