at a loved one's funeral or memorial occasion. The bereaved desires to say something meaningful yet services are often held so quickly that there is little time to find something appropriate at the library or bookstore. This book is a collection of poetry and prose appropriate for reading at a funeral or memorial service. To assist the reader in finding a suitable passage, the book is divided into eleven chapters. There are tributes for mothers, fathers, children, spouses, and soulmates, friends, siblings, and other close relatives, soldiers and victims of war or violence, pets, and general readings appropriate for men, women, or any loved one. These selections will also prove helpful for clergy, counselors, and hospice, hospital, and funeral professionals. Appendices list resources and support organizations, and each selection is indexed by author, title, and first line. A special additional index references pieces by famous uses such as in a film, novel, or celebrity's funeral, so readers can locate a passage they remember from its context.

When a Loved One Dies K. D. Pryor, 2011

Near the coast, A picturesque inn. Spectacular scenery. Tasty French treats. Time off from school. Tallis Challinor imagines this as the perfect vacation scenario. So when her grandfather suggests that she accompany him to the country of her ancestors, she is more than happy to tag along. What Tallis doesn't bargain on is another ghostly encounter, especially not so soon after she's sealed up a bunch of unruly ghosts on their side of the portal between the human and spirit realms. But when she feels the energy radiating from the megalithic standing stones dotting the countryside around Carnac, France, an energy that feels frighteningly like the power exuding from the portal in her basement back home, she has a feeling she might be in trouble. And she is right. When her grandfather goes missing, Tallis leaps into action. She calls the only ghostbuster she knows in France, and with help on the way, she gears up to battle another set of spirits bent on causing destruction. Along the way, Tallis is forced to examine her life, her relationships, and her tightly held beliefs about who she is and where she comes from. She also has to juggle two impossible males, both attractive but annoying, both seemingly set on driving her nuts or breaking her heart.

Stories from the Heart Lillian Adrian, 2021-11-09
Having searched these long and lonely years for a new kind of normal, I realized that with recognition of life gone, there was realization of new beginnings without guilt through the process of creating new, sweet, precious memories. Realizing there is HOPE, JOY, and PEACE, knowing without a doubt that my heavenly Father loves me more than life itself. That is where I gained my trust. Normal is different for everyone. For me, there was nothing normal about losing my spouse so suddenly at a young age, but then what's normal about a kind, gentle man being crucified, spit upon, beaten until blood ran down his face, hands, and sides, cursed, and then left to hang on an old, rugged cross while his mother sat and watched weeping for the loss of her son? It was HOPE, JOY, and PEACE, knowing her heavenly Father's hands were holding her. Even though she KNEW it was not a normal kind of death in the eyes of God, it was right. He ordained it as His will. HIS perfect plan was in place. Now mine has not been three days, but then again, I am certain that Jesus felt as though it was years as he went through the torture he experienced, uttering those last words: It is FINISHED. But GOD had another plan. Completeness came as He said it would with His son's resurrection. It is only by TRUST and FAITH in Him that
